**Inspectors Don't Like H.C. Kindergarten Setup**

School inspectors Mr. J. Hodge and Mr. G. Beaulieu expressed concern over the questionable educational value of the present setup in the kindergarten of the Holy Cross Separate School when they met with the board Monday night. The setup, an arrangement created as a solution to the recent strike against the school by some bilingual pupils and parents, calls for the kindergarten children to be taught in French for an hour and a half and in English for an hour and a half in both the morning and afternoon sessions.

While agreeing to the merits of the system in an emergency step to bring the boycott to a halt they questioned the long-term effect of it.

A motion later in the meeting to establish a separate bilingual kindergarten class in the basement of the new Holy Cross Church in September deadlocked 4-4 on a recorded vote and was lost.

Pre-school registration recently completed, indicated that of some 68 new kindergarten pupils beginning school in September just 17 will be bilingual.

**GEORGETOWN'S 1964 FIRE LOSS \$24,428**

Hilton County reported two persons killed and eight injured as a result of fires during 1964, according to statistics released today in the Ontario Fire Marshal's annual report.

There were two men killed; five men, two women and a child injured, in the nine 1964 fires that caused fatalities or injuries.

The O.F.M. report also carries figures on fire losses for 1964, and Hilton's total recorded fire loss. Oakville led in fire loss figures, with 123 fires causing \$37,471 loss. Among the Oakville figures were the Shell refinery November 11 with \$100,600 estimated loss, and a January 31 fire at Dominion Freightways Ltd. estimated at \$72,500.

Burlington's loss was \$300,170 in 157 fires including the LaSalle Restaurant at \$54,302 and the Brant Bowling Alley at \$72,000.

Georgetown's loss was \$24,428 in 21 fires; Acton's was \$20,570 in 13 fires; and Milton's was \$7,916 in 20 fires.

**HOSPITAL GRANT \$6000 PER BED**

The grants for hospital construction in the county were increased from four thousand dollars a bed to six thousand dollars a bed, at last week's Milton county council meeting. The change in the by-law brings the grants back up to the same level as they were in 1960. The grants were dropped later to four thousand dollars per bed.

The future needs for hospital beds will be based on eight beds per thousand population, instead of the present 5.5 beds per thousand. "No hospital can plan to build every year," explained Reeve C. Martin, of Milton, and the 8 beds per thousand gives hospitals a chance to plan ahead.

Both the Milton hospital and the Joseph Brant Hospital plan to build additions almost immediately. The Milton Hospital has received approval for 35 additional beds and the Joseph Brant Hospital has tentative approval for 225 beds in Milton.

The total includes 15 active and 20 chronic beds, while in Burlington, the distribution is active treatment 131, chronic 58, and psychiatric 36.

"Yes, I moved this motion," stated Reeve George Leslie of Esquimaux. "I don't know what came over me," he joked. "However, there hasn't been one hospital in the County that did not receive the six thousand a bed, and the reason we reduced it to four thousand was simply that we felt we had enough hospitals at the time."

**To Crack Down on 'Sardine' Conditions**

With open meetings by many members of council a motion was passed to prepare a by-law in which a single family dwelling will be defined as a family unit consisting of a husband, wife, and unmarried children.

"If the best judges in the country can't define this, who do we think we are," questioned Coun. M. Francis.

"Does this mean a mother and father can't stay with their children," queried Coun. G. Hewson. "How do you say which blood relatives can live together?" he added.

Councillor W. Smith recalled instances of twenty or thirty people living in one house in his area, while the mover Coun. May Valentine claimed as high as nineteen children were going to school from one house.

The mayor doubted if there was any provision anywhere for this type of legislation.

Despite Coun. Francis' repeated warning that they were wasting their time Council decided, "to give it a try anyway," and the motion passed.

**BOWL AND BARBECUE**

The closing season for the season of St. John's AGTS Men's Club took the form of a bowling and barbecue party on Tuesday evening. With their wives the men enjoyed a couple of hours of bowling at Georgetown Bowl and then proceeded to the home of Mr. and Mrs. Ralph McKrown when they enjoyed a social time and consumed a quantity of hamburgers, hot dogs and coffee.

The AGTS meetings will resume in September.

**Mayor Raps Council Tactics Apathetic Public on Radio**

Georgetown Mayor Joseph Gibbons claimed in a radio address last week that some members of council were hiding behind the secrecy of committee meetings thereby avoiding the voters knowing their opinions on matters of public policy.

In a half hour question and answer period on Brampton radio, Mayor Gibbons claimed, "Members of council are prone to forget until possibly election time, that it is public business they are transacting. In many cases, it is something of vital interest to the taxpayers and they have an undisputed right to know the attitude of their council members," he stated.

Turning his sights on the apathetic public Mayor Gibbons said, "The disregard for the reckless expenditure of public money by some councillors, thereby making it necessary to maintain high taxes, is partly due to the lack of interest by the voters of Georgetown at election time."

"It is the duty of every citizen, owner and tenant, to make a special effort at the end of this present term to have men and women nominated and elected, who in their opinion will fearlessly and independently represent them in municipal council," he said.

He urged that every position for council membership, including the mayor's chair, be contested in the next election and at every election, and suggested there should be no acclamations.

"These remarks may sound

**BAPTIST COUPLES TRY LAWN BOWLS THEN BURGERS**

Couples from First Baptist and St. Paul's Baptist Church tried their hand at lawn bowling at their May meeting Friday night.

The couples gathered at the home of Rev. and Mrs. William Baxter, 30 Hile Dr., and was the final item on the program after familiarizing themselves

with the traditional old game, moved indoors to enjoy colored slides. Unseasonal cold forced scheduled outdoor barbecue to become an indoor hamburger feed with electric frying pans replacing the charcoal grill, but if the quality of the burgers was lessened by the change of plans it wasn't a noticeable degree. A sing song around the piano and was the final item on the program after familiarizing themselves

PARK MOTORS Present Totally New Cars . . .

**TOYOTA CROWN ISUZU BELLETT**

Starting Friday Park Motors becomes headquarters for a whole new range of cars and a whole new idea in imported car selling. We invite you to visit our location at Highway No. 7 and Limehouse Road in Georgetown and see this unique and complete line of automobiles. We have a full complement of styles and models ready for your inspection and shiny demonstrators ready for your test drive. Come out today . . . see these handsome cars, marvel at the great quality and numerous appointments . . . check the low, low prices . . . test drive any model and amaze yourself with the ride and performance. Ask about Canadian Motor Industries too, and hear about our policy of 24-hour service, protection and factory-trained mechanics.

We recommend you bring the whole family. We promise an evening or afternoon of automotive surprises. There has never been cars like these . . . backed by service like ours . . . at prices like ours. Come soon and see for yourself.

*Luxury from Japan . . .*

**TOYOTA CROWN . . .** a full family of cars for the needs of Canadian families. The Toyota Crown, available in both 4-door sedan and station wagon, is a full six-passenger automobile . . . everything but the price tag says luxury. The list of standard equipment features makes other cars in its league look poverty stricken. Back-seat courtesy lights, whitewall tires, full chrome wheel discs, folding arm rests and door-to-door carpeting are all standard equipment. Choose from 3-speed, 4-speed or automatic transmission. See the Toyota 700 as well — the world's lowest priced car with automatic drive.

**ISUZU BELLETT . . .** new luxury sports sedan that makes economy fun. Bellett is for people who want sporting performance and luxury comfort at a budget price. Complete with 4-on-the-floor, bucket seats and 1500-cc performance engine . . . plus whitewall tires, full chrome wheel discs and 4-door convenience. Bellett gets more fun out of a gallon of gas than anything you've driven yet — it's a blast. Bring your driving gloves (and the family) and come take a good long look . . . and an even longer drive . . . in the Isuzu Bellett.

**PARK MOTORS WILL SERVICE YOUR CAR!**

Canada's newest CMI dealer has experienced service personnel. They're all people who've been in the business for years and have the knowledge and experience to give you professional, modern service.
