Starting today Canadian women have their very own car

CMI announces the Toyota 700 automatic only \$1798 fully equipped*

Very few Canadian women drive hundreds of miles each week at tumpike speeds. So very few Canadian women need a high-powered, gas-guzzling, galloping monster. What Canadian women do need is a car for stop and go driving, for shopping, for taking the children to school and for a hundred other uses. That's the kind of driving the Toyota 700 takes to. The Toyota 700 is easy to drive because it's fully automatic. It's also fully equipped with the niceties a woman needs. The 700 has room for four, rich upholstery, reclining seats, deep-pile carpeting, electric wipers, windshield washers, whitewall tires, turn signals, back-up lights and a powerful heater. With that kind of equipment the Toyota 700 should be expensive.

It's not. It's the lowest-priced automatic in Canada. The 700's operating costs won't even dent the house-keeping money. Like we said—the Toyota 700 is the ideal car for the Canadian woman. Come see your CMI dealer today. He'll take you for a trial spin in the silky smooth Toyota 700. It's the most drive-able, parkable, lovable car a lady can set foot into. It has the support of a full Canadian service network.
