GEORGETOWN AND DISTRICY Memorial Hospital staff member, Mrs. Carla Griefeneder examines the contents of a test tube during her research in haematology here. Mrs. Griefeneder, who joined the staff in May, will leave for Strasbourg, France, August 16th, where she will present a paper on Correlation of Haematological Findings between Mother and Newborn Infant to the 10th congress of the European Society of Haematology. Her findings cannot be disclosed until after the presentation of the paper.
