

THE RIDING! HE'S GOT IT...

HE WANTS IT...

Dr. Harry Harley, with Mrs. Harley and House of Parliament Cake.

The county Liberals' standard bearer in the November election will be Dr. Harry Harley who has been Halton's M.P. since 1962. Born in Weston he attended school there and on graduation from a vocational school as a draftsman, enlisted in the RCAF in 1944. He later obtained his senior matriculation and entered the U of T Faculty of Medicine in 1945. He graduated in 1951 and served his internship in St. Joseph's Hospital, Toronto. He joined the Royal Canadian Army Medical Corps in 1952, in which he served for five years. He resigned from the army with the rank of major in 1956. He set up a practice in Oakville that year and was president of the medical staff of Oakville-Trafalgar Memorial Hospital.

Allan Matson and children Caroline and Yvan

Allan Matson was named official candidate of the Halton Progressive Conservative party at their convention in April of this year. Mr. Matson was born in Toronto and is 51 years old. He received his education in Toronto schools and joined Household Finance Corp. He was with that firm for 17 years. During the second World War he served for three years with the Royal Canadian Air Force. In 1952, he founded his own company, Independent Finance, in Oakville, where he is today as owner and manager. He was a councillor in Oakville for six years and has been the town's mayor since January, 1964. He is a former president of the Oakville Chamber of Commerce and headed the Chamber's Scholarship Fund. At writing time the New Democratic Party has not selected a candidate. They were represented in the 1963 election by Ellis Fullerton.

Demand Increasing, So Blood Clinics Upped Three Yearly

The demand for blood at Georgetown and District Memorial Hospital is steadily increasing and the upped requirements have necessitated that the number of blood clinics here be upped from two to three, a Georgetown Red Cross official told The Herald this week.

Mrs. Connie Nieuwhof, the Georgetown branch's publicity chairman, said the steady population growth in Georgetown and immediate vicinity had brought about the increase in demand.

Mrs. Nieuwhof disclosed the problem when she announced the branch's next clinic will be held in Knox Church Hall, Monday, October 4th.

Mrs. Nieuwhof explained that only healthful volunteers between the ages of 18 and 65 can be accepted as blood donors. She listed the reasons for which donors are rejected. They are —

a. A history of Malaria within the past 12 months. If Malaria was suffered over one year ago, blood may be taken and used for plasma fractions.

b. A history of infectious Hepatitis or serum homologous jaundice is always a cause for rejection.

c. A haemoglobin value of less than 85 per cent.

d. Too frequent donations. Donors cannot be accepted more often than once in every three months.

e. Certain chronic illnesses such as Cancer, Diabetes, Tuberculosis, Epilepsy, (fits or fainting spells) any prolonged fever or active Peptic Ulcer, and most cases of Heart Disease, or Kidney Disease.

f. Hypertension without obvious renal or cardiac involvement has been a previous agreement between the donor's physician and the Medical Director.

g. Any illness which has required hospitalization in the last six months is usually a cause for exclusion.

h. Any illness which has necessitated a physician's care in the last three months may be a cause for rejection.

i. During pregnancy and for six months after the birth of a baby, except in the case of "serum donors".

j. Cold, boils, "flu", within the past week, particularly if antibiotics have been taken.

k. Active allergy, such as asthma or hay fever at the present time.

l. No person under 100 lbs. bodyweight should donate more than 250 ml. of blood.

m. Certain skin diseases are acceptable if they are not severe and the site of venipuncture is unaffected.

n. Association with smallpox or other vaccine within two weeks of inoculations, in-

cluding that of Salk vaccine, are NOT considered cause for exclusion.

After a blood donation is made, the liquid portion of the blood is very quickly replaced. USUALLY WITHIN 24 HOURS. The more complicated parts of the blood — red cells, white cells, and so on, require about 11 OR 12 WEEKS to be

replaced, hence the Red Cross Blood Transfusion Service rule that the minimum interval between donations must be three months. The three months limit provides for an extra margin of about a week over and above the 12 week period required for complete blood replacement.

Halton Tops in Junior Farmer And 4-H Competition At C.N.E.

The 29 4-H and Junior Farmer Competitors from Halton and the highest number of winners in the Junior Competition at the C.N.E. on September 3rd. They won 34 prizes edging out Wellington for the first time — 20 prizes and North Simcoe — 28 prizes. There were 191 contestants in the Junior section for those 15 to 17 years of age. In the Livestock Division Carol Swackhamer, Acton No. 2 placed first with a score of 287 of 300. Others from Halton were: 12th Marg Brownridge, Georgetown No. 2, 272; 13th Pete Sweetman, Hornby No. 1, 271; 18th Margaret King, Milton No. 4, 260; and 18th John McGee, Norval No. 1, also with 260.

In the Senior Livestock Section with 102 contestants Morg Hunter, Burlington No. 1, our Halton County Dairy Princess, was second — 253 points. Each competitor in the Livestock Section judged a class of Holsteins, Herefords, Hampshire ewes, and hog carcasses and answered a Livestock quiz.

In the Field and Horticultural Crops Section there were classes of oats, hay, apples, potatoes, with woods, forage plants and forage seeds to identify. Halton winners were as follows: Junior Division — Walter Trysenaar, Acton No. 3, 2nd with 290; 5th Carol Swackhamer, Acton No. 2, with 254; 6th Pete Sweetman, Hornby No. 1, with 232; 7th Bob Laelle, Acton No. 3, with 231; tied for 14th were Elizabeth Norrington, Milton No. 6 and Verna Thompson, Milton No. 2 with 278; and 20th Dan Heasterington, Campbellville No. 3, with 274. Senior Section — 10th Art Lawson, Milton No. 5, Harold Thompson, Milton No. 2, and Loyd Zueat, Milton No. 6, with 284; 15th Jeff Nurse, Georgetown No. 2, with 281; and Bill Alexander, Norval No. 1, Lorne Ellis, Hornby No. 1, and Marg Hunter, Burlington No. 1, tied for 20th with 280.

In the Farm Engineering Section the boys and girls had to answer a general machinery and safety quiz and identify twenty tractor parts and give their function. Junior Division — 2nd Ken Wilson, Milton No. 2, 275; Wayne Altken, Acton No. 3, 257; 10th Dan Heasterington, Campbellville No. 3, 256; and 12th Verna Thompson, Milton No. 2, 254. Sr. Division — Art Lawson, Milton No. 5, 280 1st; 17th Harold Thompson, Milton No. 2, 271; and Lorne

Ellis, Hornby No. 1, 20th with 266.

In the Junior Championship for overall scoring in all three divisions Carol Swackhamer was second with a score of 806 just two points below the winner, Verna Thompson, Milton No. 2, was 6th — 796 points with Dan Heasterington, Campbellville No. 3, 11th — 780.

In the Senior Championship Art Lawson, Milton No. 5, was 3rd with 850 points. Marg Hunter, Burlington No. 1, was 7th — 835 and Lorne Ellis, Hornby No. 1, was 10th — 811 points.

For the first year Halton was entered in the 4-H Demonstration Competition. The 4-H Conservation team of Verna Thompson and John McGee were defeated in a very close margin by the Beverly 4-H Dairy Calf Club from Wentworth County.

Following the competition all the competitors were guests of the C.N.E. at the evening Grand Stand Show.

HEAT YOUR HOME!
... the modern way... with Natural Gas and Smart's Chinook Automatic Gas Furnace.
Clean, silent, burning, dependable natural gas, with the automatic Chinook, will give you abundant heat for the most comfortable winter you've ever known. The Chinook furnace's high efficiency means low fuel cost. Fully enclosed, with low-tone burner and blue enamel tank... a good-looking unit you can be proud of.

Local Ayrshire Breeders Are High in R.O.P. Scores

Mr. A. H. Clark, Georgetown, had the top scoring herd in Canada last year in R.O.P. in Group C, for those with 28 to 40 records. Mr. Clark's 28 cows average 12,702 lb. of milk and 489 lbs. of butterfat. This is a Breed Class Average of 164 for milk and 133 for butterfat.

In Group D, for those with 41 or more records, Clark Bros. Norval, placed 3rd. Their 71 records average 10,917 of milk, 435 for butterfat for B.C.A. of 135 and 132.

Group A, for those with 6 to 15 records, was won by the Ontario Agricultural College, Guelph. The 12 Ayrshires at O.A.C. averaged 12,297 for milk and 335 for butterfat for a B.C.A. of 152 and 161.

Mr. A. H. Clark, Georgetown, had the top scoring Senior 4 Year Old in Canada completing the record between June 16 and July 15th of this year. Crampian Gay Rosalin produces 14,041 lbs. of milk, 633 of fat for a B.C.A. of 167 and 182.

Hospital Administrator Gets Further Degree

Local hospital administrator, Fred Whittaker, has been notified of an award that has been made him by the Royal Society of Health.

Mr. Whittaker is a Member of this Society, and has been notified that he has been made a Fellow of the Royal Society of Health. This marks a further step in his qualifications and like it M.B.S.H., can be used after his name.

Mr. Whittaker has been at the Georgetown and District Memorial Hospital for the past year. He and Mrs. Whittaker, live in the Dax apartment house. Prior to coming to town, he had been administrator for two hospitals in northern Ontario and Manitoba, operated by the Abitibi Pulp and Paper Co., the parent company of Georgetown's Provincial Paper.
