

chiefs, Sox and Giants Best of the Ball Crop

by Bob Piets
Well, the list out has been made to end the Minor Baseball season. Syracuse was the eventual winner of the International League. It took them just two games in the best of three series. First game ending in a 6-3 score. Their second game was 1-0. The coaches of these two teams did a very fine job as shown by the fine play that was seen in the final series.

Darkness and bad weather played havoc with the American League finals, but this was overcome by playing on the weekend. Chicago was the winner in this league. The first game was called because of darkness with the game being completed before the start of the second game. The score of the first game was Chicago 9 and Los Angeles 4.

In the second game which ended 8 to 4 in favor of Chicago, spectators were treated to some fine hitting, pitching, along with many fine plays. Once again the coaches should be congratulated for the fine job of getting their teams up for the big series.

The National League also wound up its league on the same afternoon. The winners were New York. Their series with San Francisco was also a best two out of three. The first game was played in two parts. The first part on Tuesday and the second on Thursday night.

The score was New York 7 and San Francisco 6.
The second game was close until the fourth inning when some loose fielding and throwing errors caused the downfall of San Francisco. The game ended 8-1 for New York. Here again we say thank you to the coaches for a fine series.
The windup party for all boys who played in the Minor Baseball is Saturday, Oct. 9th at the Park. See Oct. 7th Herald for details about this day.

All the boys who participated are invited to the windup. Hot dogs and pop will follow the presentation to the winning teams.
I would like at this time to express my sincere thanks to all boys and their coaches for making this year a success. Also to all those who donated their time as umpires. Without these important people there would be no Minor Baseball in Georgetown.

We've saved a very special salute for a man who displays his affection for the game and the young players by giving so much time and effort to Georgetown Minor Baseball, Bill Kormack. We can best describe the size of his contribution to the organization by saying that if he wasn't so unselfish there just could have been a awful lot of young boys without a game of organized baseball to participate in this summer.

Corn Roast Kicks Off Anglers, Hunters Fall

Close to a hundred and twenty-five Georgetown Anglers and Hunters club members and their wives attended a kick-off corn roast at the club's property on the 8th Line of Esplanade five miles north of town Saturday night.
The corn roast was the first event on the Anglers and Hunters 1968-69 calendar.
Members and guests consumed 35 dozen ears of corn and took time out from munching golden kernels to view two films.

High point of the program was a draw. W. J. LaPointe, 109 Raylawn Cres., won the first prize of \$75, E. C. Back, 11 Pullman rd., Brampton, 2nd prize of \$50, and E. P. Legrim, N.R. 3 Georgetown 3rd prize of \$25.
Consolation prizes were won by Mrs. Jean Hancock, Don Hancock, both of Glen Williams, M. Cooney, C. Cooney both of Toronto, and P. Robinson of Erin.

The regular Anglers and Hunters Club meetings are held the last Thursday of every month. Films, mainly on fishing and hunting are a feature of each of the meetings until the end of May.

Two Figure Skaters are Qualified as Coaches

Two local girls, Barbara Pantelak and Ann Johnson, members of the Georgetown Figure Skating Club, have qualified as junior coaches, at a "skating clinic" at Tam O'Shanter Golf Club, on Sunday.

These travelling clinics, demonstrating new universal tests, and dealing with problems of figure skating clubs, are operating under a grant from the Physical Fitness Branch of the Federal government.

New tests from beginners to the preliminary class have been established as standard right across Canada, and it is on these tests that the two girls are now qualified to be examiners. These tests will be used in the local figure skating club.

Attending the clinic at Tam O'Shanter with the girls were members of the club executive, Mrs. A. Hewitt, Mrs. D. Mooney, and Mr. and Mrs. C. Johnson. They also attended a seminar on club problems and administration. Two more club members may be sent to another clinic in Peterborough, in November.

Reminding the public of the opening of the club will be a booth at the fall fair where children may enroll. There will also be another enrollment date announced later. Publicizing the booth will be club members in their figure skating costumes on the fair grounds.

Intercounty Fastball
Omaha's Intercounty League team scored a run in the second inning and two in the fourth as they upset Acton 3-2 in a semi final playoff game in Acton last Wednesday. The victory gives Omaha a two games to one lead in the best of seven series.

Hillsburgh Ousts Glen In Fastball Semi-Finals

For Glen Williams the pushed the tiebreaking run across.

At one stage Glen Williams owned a 6-1 advantage.
Tom Peavoy was the losers starting pitcher and he gave way to Joe Shaw in the 6th. Ron Little and Ken Donaldson shared the Hillsburgh hurling.

The Glen batting order included Blake Inglis at 1st, Jim Frank, centre field; Pete Pomeroy, 2nd; Max Stafford, catcher; Ken Hearn, 3rd; Bill Zilio, left field; Junior Beaumont, right field; Paul Robinson, shortstop; and Tom Peavoy and Joe Shaw pitchers.

GORD HOWE (ON FILM) TO TEACH

An instructional hockey film featuring Detroit Red Wing great Gordie Howe will be shown to each class at the Georgetown Hockey School which starts early next month. Committee chairman Red Asselline told The Herald this week.

He said the Howe film contains a wealth of information that can be of great assistance to hockey students.
"Anyone not wanting to be disappointed should make sure they sign in at the third registration day this Saturday, the openings are becoming limited," Mr. Asselline said.

Two registration days have been held, but it was decided to give young hockey players a third opportunity to sign up since there are still some vacancies.

Second Meeting is Necessary to Organize Junior Hockey Team

"It was the same old story," a Georgetown Junior B hockey club official commented after a scheduled program meeting in the Arena Room Sunday failed to draw a sufficient number to discuss plans for the upcoming season.

It seems, no matter what the season or what game, it takes two and sometimes three meetings before local sportsmen assemble in sufficient numbers to start the ball rolling.

About the only item of business that could be handled at the first junior hockey meeting was the setting of a date for the next one. That was done and it was held last night, too late for a press account.

The Georgetown Juniors will play in the South division of the Ontario Hockey Association this season grouped with Milton, Dundas, Simcoe, Paris, Brantford. The North division includes New Hamburg, Hespeler, Preston, Orangeville, Hanover, and Elmira. Elmira is a new entry.

New Faces in Kart Club Winning Circle

Different faces are appearing in the winners' circle at the North Halton Kart Club these weeks as the speed sport attracts more competitors, many of them travelling considerable distance to drive on the Limehouse asphalt course.

Some new names popped up in last Wednesday's results. Dave Baxter swept the Junior class; Lloyd Service took one and Jack Simpson two of the Class 6 events; Brian Vivian grabbed a pair of wins and a second in Class 5 races; and Jack Haines' name appeared in the first Class 3 results with a victory and a pair of runner-up credits there.

The balance of the night's

Never Say Die, Hornby Girls Make Comeback

The Hornby women's softball team staved off elimination in their rivals' ball park Monday night when they exploded for 5 runs in the late stages for an 8-4 victory over Glen Williams. This was the third game in the Halton Rural Ladies' Softball League best of 5 final which the Glen led 3 games to none.

Game number four will be held in Hornby Park tonight. (Thursday).

The teams were deadlocked 3-3 at the end of three innings and in the fourth when Lois Ritchie homered to push the Glen into a 4-3 advantage. It appeared the rural women's circuit was only a few innings from wrap up, but Hornby's personnel had other plans.

Superior Foods, Leone's Final Winners in Softball

The Superior Foods team took the games that counted to win the championship for the Junior Girls' softball league. They had to win over the league leading Dairy Queens to do it.

They left no doubt in anyone's mind that they deserved the honour. It only took two games of the three possible and both were won by good scores, 17 to 3 and 14 to 2.

Congratulations go out to the coach, Jack Handy and his team, all good sports and real champions.

This was the closest championship series the League has

seen in a couple of years. The battles were waged between Leone's Hair Styles, coached by Art Ellis, and Georgetown Cycle and Sports, coached by Don Jarvie. Georgetown Cycle won the first game 15-11 but Leone's rebounded with scores of 11-10 and 25-20.

We suspect that more than a few citizens of Georgetown heard, if they did not see this high flying team in their after-game celebrations, cheering and singing.

They were given an extra and unexpected reward when their very generous sponsor presented them with a free wash and set for each team member.

The championship games were followed up by the annual
