

## Everybody Loves Those Country Turkey Suppers

MRS. RNEZ CRICHTON, one of the busy Limehouse Presbyterian Church women who staffed the church hall kitchen during a country turkey supper there last week, carves another bird to keep up with hungry diners. Well over three hundred attended the supper, one of the first of the annual season of country turkey feasts. Dinners were served from late afternoon until early evening and the crowd was so large at one time that Jackie Crichton and Beth Kern (below) had to do their dining on the stairs.

## Use Christening Gown That Is 150 Years Old

Mary Lynn Eden, daughter of Mr. and Mrs. William Eden of Hornby, was baptized in St. Stephen's Anglican Church, Hornby on Sunday, September 26, by the Rev. Canon James E. Maxwell. Godparents were Mrs. Mildred Craig, Mrs. Florence Shaw and an uncle, Douglas Newton of Milton. The baby wore a hand-embroidered christening gown loaned by the Godmother, Mrs. Mildred Craig.

The gown is over 150 years old and was given to Mrs. Craig by her mother who lives in Scotland and had been worn by Mrs. Craig's great-great-grandmother.

Following the ceremony about 80 guests attended a buffet at the home of the baby's grandparents, Mr. and Mrs. Harry Newton of Hornby. Friends attended from Milton, Oakville, Toronto and Hornby.

A telephone call was received from the baby's uncle, Harry Newton Jr. of California. Mr. and Mrs. Paul Mathies catered for the dinner and tea was poured by Mrs. Mildred Craig and Mrs. Grace Bailey.

## Is There Any Way Of Knowing That A Beautiful New Carpet Will Stand Up To Years Of Hard Wear?

YES! —

Make no mistake. A Harding Carpet bearing the Du Pont '501' certification mark is one of the most outstanding nylon carpets you can buy.

We made by Harding Carpets who've been making top quality carpets since 1927. When they wanted to make a reasonably priced carpet that could stand hard wear (and that includes children) they chose Du Pont continuous filament nylon made to the '501' quality standards.

The result is a carpet of lasting beauty. It has plump, springy pile that wears and wears. And wait till you see the colours! They're a delight to behold — and live with.

This is not ordinary nylon. It's Du Pont 100% heavy carpet nylon.

Du Pont continuous filament carpet nylon yarn is made of strong, unbroken filaments which run the length of the carpet. This means the pile resists piling, fuzzing and shedding. (You won't spend time trying to vacuum off loose fuzz that usually gathers on new carpets.)

So if you want a carpet that will add beauty to your home and still stand up to hard family wear, see a Harding Carpet bearing the Du Pont '501' certification mark. At a good price too. For instance, a 9' x 12' carpet will cost you slightly less than \$110. It's certainly worth looking into. In the meantime, why not send for a sample!

## Compensation is \$3850 For Victims in Glen Williams Flood

The committee for the Glen Williams Relief Fund distributed \$3,850 on September 25th, among the owners of homes damaged in the spring flood. It was revealed by Deputy Reeve W. Leslie at the Esqueving council meeting Monday night.

The subject arose when a letter from the Department of

Municipal Affairs giving approval to a grant of \$1025, was read. The letter went on to list various requirements before the money could be distributed.

"This has all been done," commented Clerk K. C. Lindsay. "It certainly has," agreed the deputy reeve, "they all received their cheques, according to the appraisal." The committee was

composed of the Deputy Reeve, Tom Hill and Alf Spence.

The total amount of \$3,850 was attained by a public campaign which netted \$1025 and a grant in the same amount from the provincial government. The Georgetown Rotary club contributed \$275, part of the proceeds of their spring show.

Council agreed to pay their share of maintenance of Hornby Hall Park, amounting to \$640, but decided to withhold payment of the \$260, their share of the recently acquired land.

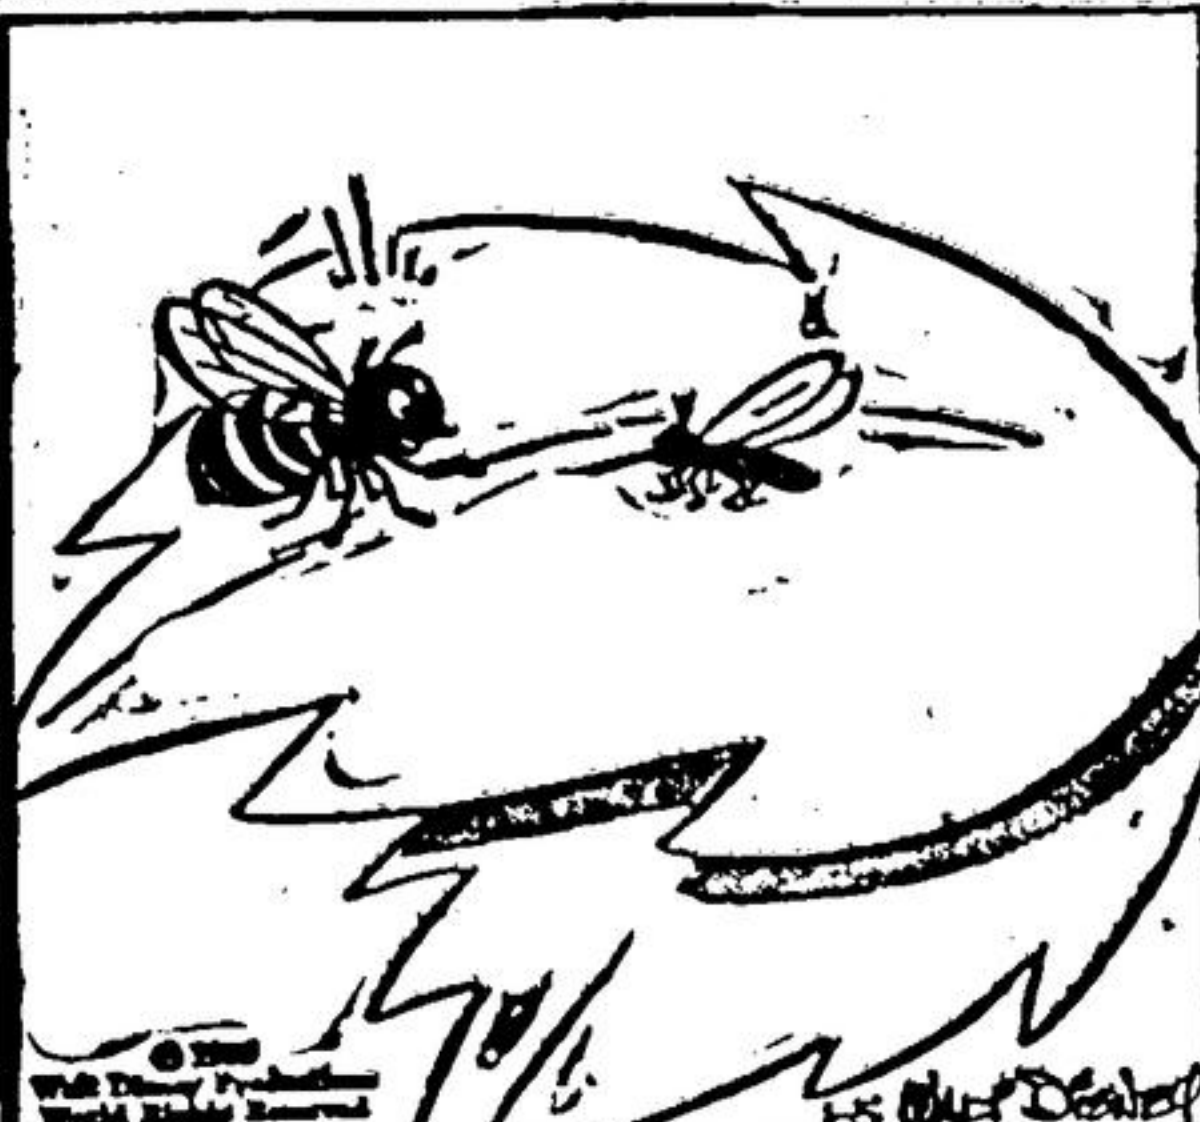

The members felt they would wait for an agreement showing

they jointly owned the land with Oakville, before paying for it.

The painting of the exterior of the municipal building will be done by Ted Bludd, who submitted the lowest tender. His bid was \$565. The work is to be done this fall, if the weather permits.

Building permits valued at \$158,530 were issued in Esqueving during September. Building inspector W. Hulla told council. With the exception of Pineview School which amounted to \$38,300, the buildings were residential.
