## "Means Nothing" Mayor Opposes Deed for Land

"This motion doesn't mean anything" said Mayor Gibbons Monday as he opposed a council motion authorizing signing of a quit claim deed for land which has been purchased by Economy Forms Corporation as a building site.

The land, part of a 178 acre block which the town has purchased from Delrez Developments was sold by the Delrez firm as it was in process of transfer.

"Mr. Heapel said the land as he must feel he owned it" said the mayor. "The motion isn't necessary and doesn't mean anything."

The deed had been requested both by Economy Forms lawyer and the town solicitor, other councillors said, as they voted for it.

## Mayoh Has Three TDs Win Against Guelph

Faced by three touchdowns by fullback Phil Mayoh, Georgetown high school's junior football team registered their initial 1965 season win against Bishop MacDonnell of Guelph here Thursday 23 to 0.

Georgetown's other touchdowns were rounted by flanker Doug Jackson. Just one of the major scores was converted, and with the pass route, quarter-back Harry Cock finding Ferguson in the end zone.

Mayoh scored twice on pass and run plays and once on a pitchout. Jackson TD came off a well executed reverse.

"They blocked better and played better defensive ball in this one," coach Gerry Thompson said after the win. Bishop Mac's offensive didn't get inside Georgetown's thirty yard line.

Particularly noticeable was the defensive work of Fogal and Todd.

"Regardless of the shutout win we still need to spend more time on our defense if we're going to beat John F. Ross Friday," coach Thompson said.

Georgetown lost their opener to St. Jerome's 32-0.
