

MAVEAL MOTOR SALES

GRAND OPENING

NEW GARAGE AND SHOWROOMS

Months of work and planning have gone into our new Automobile Sales and Service Centre. We believe it to be the most modernly designed and best equipped in the Georgetown area. It will enable us to further enhance a reputation built up over the past 12 years for the very best in prompt and dependable service to our customers.

A Personal Invitation . . .

Our entire staff join with me in extending to you a cordial invitation to our Grand Opening celebration. We welcome the opportunity to show you our new facilities designed to offer the very finest car care. You will also see the complete line up of new 1966 Chrysler, Plymouth, Valiants and the striking new Belvederes. If you have already seen them — they look even better the second time. May I express my personal thanks to the thousands of customers down through the years who have made this expansion possible. It has been a pleasure to serve you.

Sincerely,
— FRED MAVEAL
