

BRIER COMPETITOR HOLDS CURLING CLINIC

New curlers and experienced curlers, men as well as ladies, lined up in large numbers Wednesday night when the Phillips Sr., renowned competitor, his son Dave Phillips, and two other experts from the Terrace Curling Club Toronto, gave instruction

at the North Halton Curling Club. The evening's activities got under way at 7 p.m., when Albie Phillips gave a "chalk talk" on strategy to the senior curlers of the men's and ladies' sections. Simultaneously, the other experts started on-the-ice in-

struction to new curlers, and the more experienced players desirous of improving their game. After the instruction period, president of the Ladies' Section, Miss Jean Ruddell, expressed the appreciation of the club to the instructors from "The Ter-

race." The Dow Highway Bldg., "From Hack to Home," and the National Film Board film, "Come Curling," were added features of the evening. The Instruction Night was arranged by the Ladies' Section of the Curling Club.

DAVE PHILLIPS TALKS to North Halton Curling Club Women during the evening clinic.

NORTH HALTON CLUB curlers Harv Chappel, and Harry Sanderson left, and Ted Fenning, right, listen to Briar competitor Albie Phillips.

PAUL ROBINSON NETS THREE AS RAIDERS TOP BRANTFORD

Paul Robinson scored three for the 2-0 goal at 10:23. Brantford's John Jenne got one of them back with help from Buckner at 15:41.

Brantford drew even when Peterson scored from Dawson at 4:30, to start the second period fireworks. Robinson pushed Georgetown into a 3-2 lead from Lane and Dwyer at 5:10, but Pans scored from Buckner and Davidson at 10:10 to create a 3-all deadlock. Rick Maloney edged Raiders in to a 4-3 advantage before the frame ended.

Robinson scored twice in the first period and again in the second, and team mates Rick Maloney, Bill Dwyer and Ron Lane rounded out the Raider scoring. Georgetown led 2-1 at the end of the first period, and 4-3 after two.

Norton and Dwyer set up Robinson for the opener at a minute and 41 seconds, and Lane fed the high scoring rookie.

Georgetown was nicked for 12 penalties to Brantford's 5.

Pontiacs Win Three in Week's Hockey Games

Bantam Pontiacs in their first hockey game against Brampton here on Tuesday Nov. 23rd, struck quickly and effectively to defeat the visitors 4 to 1. At just twenty seconds on a three way pass — Heppes to Korzak to Hay and it was 1 to 0. Hay made it 2 to 0 on a passing play between himself and Korzak that culminated in the winning goal.

There was no scoring in the second period. Brampton cut the margin down when Durak scored on a screened shot early in the third. Vendley from Nash got that one back midway through the period. John McNally's goal from Wiles completed the scoring. This was a good effort. Bob Neil and Doug Unsworth shared goal duties. Elgin Armstrong made his first appearance with the Pontiacs.

Georgetown Bantams still on the warpath cut Vergus down by a 0 to 1 score, Saturday. Scoring in the first period were Fowler from Vendley combining for the first; Llewellyn from Wiles; Hay from Korzak; and Inglis from Wiles. Hay again from Korzak denied the twins to start the second period and shortly after Korzak scored from Heppes.

Hay notched his third aided by Inglis in the third. Fowler from Fogal and Vendley and then Fowler unassisted.

Golfers Have Florida Right on the Doorstep

"It's like sending your suitcase to Arizona," says a pharmaceutical firm of their decongestant. Local golf professionals have a parallel. "It's like sending your golf game to Florida," they stated when asked about benefits of an off-season golf school.

Georgetown Golf and Country Club pro Max Foster and North Halton Golf and Country Club pro Doug Bruton are the collaborators on this annual project which commences Saturday.

The school, which affords the area golfers lessons from either of the pros and practice facilities, is in a new location this winter, 36 Queen St. E. Brampton, next door to the new Queen Square building.

It will operate six days a week, Monday through Saturday, from 10 until 10 daily. Nine teaching and practice courts and two putting courts offer the golfers just about everything they can find on their home courses. Stimulated grass carpets make perfect putting surfaces, and for the better who wants to work on his drive there are driving nets to catch the balls.

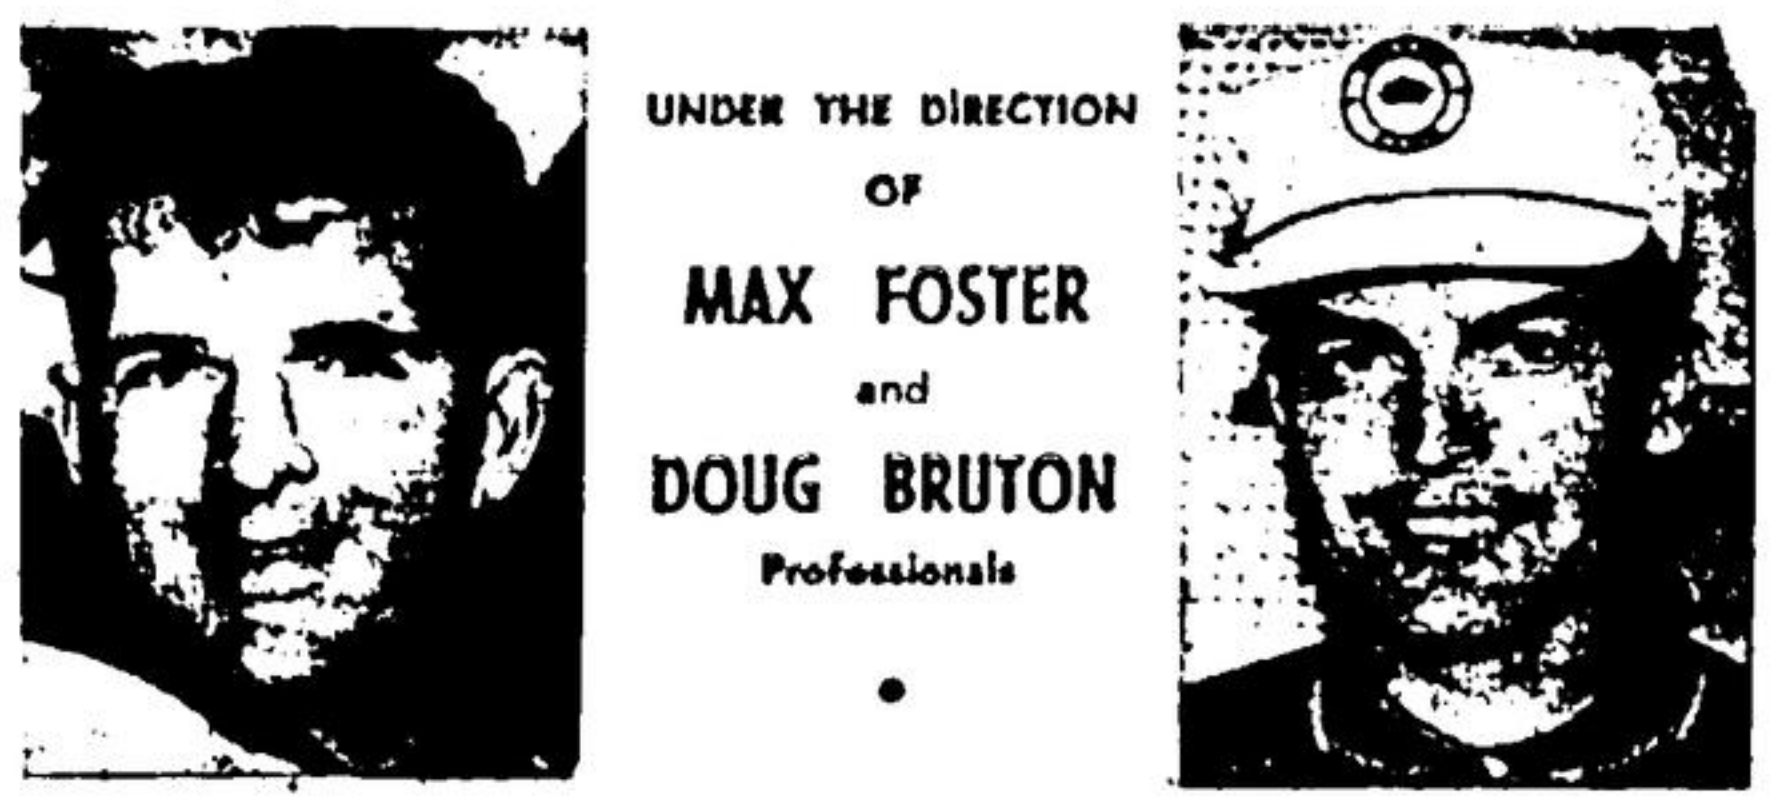

In fact the facilities available make it possible for the golfer to work on any part of his game or the pro feels needs attention. Single or group lessons are offered, a gift certificate for a series of lessons makes a fine Christmas gift for the golfer in the family. The recipients will have plenty of time to take advantage of them. The school will run until April.
