AVIAN AIRCRAFTS sixth and radically redesigned prototype and the Georgetown firm's production staff outside the plant on Armstrong Ave. The sixth Avian 2-180 made its maiden flight from Waterloo-Wellington airport to its birthplace two weeks ago. Shown below, the sixth edition of the aircraft features much more glass on a sleeker body. The undercarriage, cowling and rear thrust fittings are also different from those of the fifth bird. Its new appearance is expected to influence sales when the company reaches the production stage next year.

Raiders Stay Ahead Of Herd With Convincing Sun. Win

If Georgetown Raiders ever reduce their torrid pace they'll be trampled to death. The Raiders, OHA Central Junior C hockey league pace setters, are flying this season with 8 wins and a tie for 17 points in ten games, the best start ever for a Georgetown Junior club. But it's like running at the head of a herd of galloping Buffalo — one stumble and the lights go out.

Breathing hard down the neck of Georgetown are Orangeville Hornets with 14 points on 7 wins and just one defeat, and back of them are Milton Merchants who have just lost one game in 7 starts.

Raiders will be trying to secure the position at the expense of second division clubs this week-end. They play in Freston Saturday night and host Paris Sunday afternoon. Freston is currently in 10th spot and Paris is 8th.

Raiders doubled the score on 9th place Brantford Sunday — 10 to 5.

The winners had a 3-0 lead before Brantford tallied in the first period. Dwyer from Lane, Cummins from Lane and Ken Robinson, and Mario from Maloney opened the early lead. Pass scored from Gingras and Smith for Brantford, before Lane added Georgetown's 4th goal, and Brantford notched their second marker before the period was out. King from Trembley, The period ended 4-2.

Red Presswood popped back to back second period goals as Raiders stretched their advantage. The first was unassisted and the second was assisted by Bill Dwyer. Dwyer made it 7-2 from Norton seconds later, and then Mike Cummins registered a goal from Paul Robinson and Lane. Brantford scored their 2nd goal near the end of the

Called to Car But Firemen Not Needed

A fire call Monday night didn't require any fire fighting. The Georgetown fire department was summoned to douse a car on Young St., but found on arrival that the smoke wasn't smoke but steam from an overheated engine.

period. King from Mazlinski scored the winning goal. Brantford scored twice in the second session. Dwyer from Presswood and Robinson, and Robinson from Lane for the winners, Trembley from King, and Francis from Pass for the Brantfords.
