

Young 5th Line Boy Dies, Struck by Car

Leonard Bruce Laughton, R.R. 3, Georgetown, was struck and killed by a car while he was walking to a neighbour's home Saturday.

The 13 year old Pineview Public School pupil was hit by a car driven by rural mail carrier George Adams of Acton. He was the oldest of a family of eight.

North Hutton OPP said he was walking west on a sidewalk when struck. The Laughtons live on the 5th Line of Esqueping.

The boy died of a fractured neck and severe concussion, and was pronounced dead at the scene. No inquest date had been set at press time, and no charges had been laid.

Leonard had been working at a neighbour's farm after school to earn money for Christmas presents. He had already purchased a number of gifts for his brothers and sisters who range from 20 months to 11 years.

He was an excellent student receiving top marks in his grade 8 class.

Funeral service was held Wednesday.

Mrs. Darcie Switching To High School Staff

A Harrison Public School teacher, Mrs. Verna Darcie, tendered her resignation at a meeting of the Georgetown Public School Board, Wednesday, November 30.

Mrs. Darcie will leave the staff at the end of the 1965 term and join the Georgetown District High School teaching staff in January.

Mrs. Darcie's Grade 5 class will be taught by Mrs. Sadie Keyes, currently teaching in Etobicoke. Mrs. Keyes is a Milton resident.

The board's finance committee has done it again. They'll finish the year with a small surplus exemplifying the kind of budgeting that has kept them on target in the immediate past years. The 1965 finance committee comprises chairman David Baker

and Stan Minisy.

William Carr was appointed the public school board's representative on the high school board in one of the two year and formalities at the last meeting. The other was setting the date for the 1966 insugural meeting, January 5.

CRACKDOWN

Police Chief Roy Haley said this week his department is commencing a seasonal crackdown on drinking drivers and pedestrians who ignore traffic lights. He warned both motorists and pedestrians to be extra cautious.
