

Capperault Conducts School For Legion Branch Presidents

Ralph Hovess
Saturday, November 27 at the Branch was a good night. The attendance was greater than usual and entertainment was provided by Jack Ferguson and Tom Simpson who did their usual good job. Jack is still recovering from having his tonsils removed but he assures us he will soon be back to normal.

During the course of the evening, a farewell was bid by the members to John Graham who is leaving the town and Branch to take up residence in the United States. We understand friend Sid Tipton is leaving with John but Sid is leaving for six month holiday, "to get away from the winter, mate." We wish them both Good Luck.

FIRST CHORE

Sunday, November 28 was the occasion of the District Presidents School of Instruction held at Woodstock. We travelled there with two old friends of Branch 120's, Bill Ferguson of Milton and Jim Gunn of Acton.

The chairman of the school was Dave Capperault. This was, we believe, his first district chore since moving up to Deputy District Commander. We feel he handled the job extremely well.

There was a most interesting and informative talk given by Provincial Vice President Doug McDonald on membership, which left us wondering and in some doubt as to whether we are doing 100% job at the Branch.

Another lecture we found very intriguing was one of Branch managers, their advantages and disadvantages.

This subject has been discussed frequently over the years at all levels, and would seem that even the Branches that have managers are in some doubt regarding the answers.

DIRECTIVE HELP

The day continued with talks and instruction on all things pertaining to Branches. From what we gathered, Branches in the near future will be receiving quite a lot of directive advice and help from the organization and development committee.

We came away from Woodstock wondering, are we doing the best possible job, are we going in the right direction, are we putting enough of ourselves into the job, and are we devoted to the Legion? These schools of instruction make you think! It's not what you get out of the Legion it's what you put in that counts.

NORVAL

Suffers Stroke, Norval Minister is in Hospital

The thoughts and prayers of the community are with Rev. R. Irwin and Mrs. Irwin and family, since Tuesday, November 30th when Rev. Irwin suffered a severe stroke while attending a ministerial meeting in the Roman Catholic Church, Georgetown.

He is in Georgetown hospital.

Mr. Tom Forgrave, Georgetown, took the services on the Norval Charge on Sunday.

A new well is being drilled at the United Church parsonage following considerable trouble with the water recently. It has now been reported by the Health Authorities that pollution from the creek has been seeping into the well. All wells in the village, situated in a valley as it is, will eventually be threatened if this amount of pollution of the rivers continues.

It is hoped that steps will be taken to eliminate this threat to our health as soon as possible.

Sympathy is extended to Mrs. Harold Gollop and Mrs. Vera Taylor on the sudden death of their brother, Mr. J. C. Lumby, Huntsville, from a heart attack.

The funeral was held on Wednesday, December 1st.

Get well wishes are extended to Mrs. Eud Grady who is a patient in Georgetown & District Memorial Hospital.

Congratulations to Genniene Rutledge and James Plant who were married in the Anglican Church, Hornby, on Saturday, December 4th.

The Norval Cubs formed a guard of honour at the church following the service. Genniene assisted with the Norval for a number of years.

114 Oakville had their election of officers. The election was conducted by Myrtle Reid, Alex Taylor, John Walsh, and Yours Truly from Branch 120.

The interest shown at Branch 114 would surprise most members of 120. There were four members running for the office of President, four for 1st Vice, three for 2nd Vice, and believe it or not, twelve for Executive. It would really be something if we could get that many interested in 120.

87 Zone meeting was held at Branch 120, Sunday, December 3. Comrade Dave Capperault presided. It is a long time since one of our own members has been top man in the Zone. Last Zone Commander from 120 was Les Clark.

MEETING HERE

Some of the facts we gathered from the meeting were: A service officer's meeting from Zones 114, 115, 116 and 117 will be held in Georgetown on Sunday, February 27th, 1967. Comrade Art Hornby, 117 Service officer, spoke briefly on veteran's allowances and on the importance of all members keeping important papers for proof when a member may have to apply for veteran's allowance.

One of the smaller Branches of the Zone, Erin, has just won the Provincial Shuffleboard Championship which is no mean achievement.

Zone membership is up from 1964 which is a healthy way for it to be.

CANT KEEP P.R.O.

Comrade Charles Heath of Port Credit who has been our Zone Public Relations Officer, has moved up to District P.R.O. It seems that Charles has found the same thing happening in Zone Branches as we find at 120. They can't seem to keep a permanent P.R.O.

Zone Commander Dave spoke very briefly on the Centennial Fund. There were no questions.

Art Hornby of Brampton had a pleasant duty to perform when he presented Comrade Capperault with the Past Deputy Zone Commander's Medal.

All those of you who know Alex Waldrum will feel pleased to know he has been awarded the Meritorious Service Medal. This medal is awarded to any member of the Legion who has rendered especially meritorious service to the Legion. These awards are few and far between.

The meeting was quite short. After it was finished, a lunch was served which had been prepared by Dave Rowman and his helpers.

A rare night is being arranged for Friday, December 17, "Membership Drive Night" when new members will be initiated.
