

# Vets Assisted Needy In Distributing Hampers

by Ralph Howe

Wednesday and Thursday evening, members from the Branch, along with members from the three service clubs in town, sorted and delivered the Christmas hampers to our most unfortunate citizens, in the hope that their efforts would bring some measure of happiness on Christmas Day to these families.

Branch 120 are proud to take part in this small community effort which we share with the town and service clubs.

Now the Yuletide season is behind us. We have all paid homage to the King of Kings by observing the anniversary of HIS birth, borne gifts to each other, experienced a great feeling of goodwill toward all men. Let us preserve the feeling of goodwill to all men throughout the coming new year of 1966. Make '66 a good year in every way.

1965 was a good and successful year for the Branch. Let each member endeavour to make the coming year even better.

Each member has it in his power to chart the Branch's future. He can allow the Branch to deteriorate and become nothing more than an old man's home, a place where veterans sit in quiet contemplation reliving the lost glories of their youth, while others sit and beef about their own pet grievances, which, if solved, would in no way better the future of the Branch.

Or each member can, if he so wishes with a small amount of effort, make it a vibrant driving force which serves the community and attracts new members. The renovations of 1964 could easily be but a beginning. There is no limit to the potential.

Branch 120, as we all know, is without a doubt the best in District B. All members can help keep it that way.

The executive are always willing to listen to suggestions that may be submitted by a member, but we would like to point out that it is futile to air your views in the clubroom. Bring them to the executive meeting yourself, or write them out and hand to an executive member.

Your executive are looking for ideas for the betterment of the Branch.

The Imperial Section of Branch 120 seems to have their sights set in the right direction.

The Section has, for some time, been sponsoring a group of Rovers in town, but in the coming year, we understand the Imperials intend to step up their efforts to greater things.

The Rovers display the Imperial Badge on their hats and now wish to wear a large Imperial badge on the back of their shirts, which to us is an indication that the troop are quite proud to be sponsored by the Veterans' Section.

The Imperial monthly meeting for January will be held at the home of Dave Cappermaid. The annual election of officers will take place at this meeting.

The coming new year will bring several important dates for members to keep in mind.

March 12th and 13th - District Conventions at Woodstock.

Dominion Conventions in April at Montreal.

Your new commander, Dave Cappermaid, conveys to you his sincere wishes that you have a happy and prosperous New Year.

See you at the Party.

The annual Christmas Concert of the Eden United Church Sunday School was held on Wednesday night, December 22, with a good attendance. Rev. Kelvin Johnson, was chairman for the evening. The program started with the singing of Christmas Carols with Ruth Mason at the organ.

Several of the children took part in the singing of solos, duets and trios. A play called "Elmer" was put on by Y.P.S. with Mrs. John Hamilton in charge. Following the play, Jane Hall, president of the Y.P.S. extended a vote of thanks to Mrs. John Hamilton for the many hours she had spent at play practice. A gift of appreciation was also presented by Jane on behalf of the Y.P.S. Mrs. Hamilton extended thanks to all for making the play such a success.
