HOSPITAL NEWS

by Les Clark

May we wish readers all the best in the new year that has dawned. We hope it is a happy and prosperous one for all.

Last week, as readers will no doubt remember, a memorial fund was established in memory of Dr. Bernard Bebenek, who met death so tragically two days before Christmas.

The fund was established in view of the number of enquiries received, as to the possibility of establishing such a project. The idea found favour with the Hospital Board and Medical Association, and the fund was officially established last week at a special meeting.

It is hoped that all those interested in contributing, individuals and organizations alike, will do so. Arrangements have been made for donations to be handled by the Administrator, Fred Whittaker, at the Hospital. Receipts and acknowledgements will be issued, and this column will keep the public posted as to the progress of the Fund. The nature of the Memorial, of course, will be dependent upon the amount received.

A committee has been set up to administer it, consisting of four of the Doctors, representing the Georgetown Medical Association, and four Hospital Board members. Also included as members of this joint committee are chief of the medical staff, Dr. C. Alan Thompson, and chairman of the Board, John T. Armstrong.

Any information about this fund will be gladly given by the Administrator, Mr. Whittaker or chairman Armstrong. Any enquiries are welcomed, and we might point out that the Hospital phone number is 877-2294 and you have only to ask for the Administrator to receive answers to any questions you may have.

Naturally enough, occupancy in the Hospital was very low over the holiday season. Where possible patients were discharged so that they could be home for the holiday season.

LEGION NOTES

Annual Dance Ushers In Legion New Year

Each New Year brings with it countless New Year's resolutions which we feel are made in all sincerity and with determination to do or die.

For the next few days, many members will be chewing gum, sucking lifesavers and drinking pop.

We wish all those members success in their undertaking, speaking for ourself, we gave up making such resolutions several years ago.

In spite of the many house parties at New Year's, the Branch had a very successful party which we feel was due to the few hardworking members and the Ladies Auxiliary who gave their time to make it a success.

These parties do not just happen. They come about after many hours of work.

We were in the auditorium Thursday afternoon where several members were busy setting up candles for the tables, while George Storey was climbing all over the place putting up decorations.

Both of these efforts helped to give the party feeling to the hall.

Earl and Gord were busy most of the day on Friday. Then there were the ladies who organized the lunch.

The entertainment was good while everyone agreed that the orchestra was terrific. We thought it was the best New Year's party we have been to.

The Imperial Section of Br. 120 will have their New Year's party on Friday, January 7th.

We would like to express our best wishes for the New Year to all members.

Final Asphalt Coat Must Wait for Spring

The final layer of asphalt will go on the newly reconstructed section of Guelph Street in the spring according to a roads department spokesman.

He said the final coat will bring the surface level even with the edge of the cement gutter, and eliminate the slight humps at each end of the reconstructed stretch.

Work on widening, lowering and resurfacing the section from Rexway Dr. to Maple Ave. started last summer.

LOBLAWS

Double Your Money Back!

Guaranteed!

If not completely satisfied with ANY fresh meat you buy from LOBLAWS
