

Dr. Paul Carlson's Story Comes to Maple Baptist

On November 24, 1964, the attention of the entire world was drawn to the name of Paul Carlson who in the last week of his life became a twentieth century symbol of courage and dedication. His life story has been made into a film which will be shown at Maple Baptist Church this Saturday.

Paul Carlson spent years in becoming an outstanding surgeon. Sacrifice and devotion to medicine had prepared him not only for a life to his fellow men, but also for a life of economic security. However, Dr. Carlson had learned, at an early age, that his life was not his own. This inspiring story of God's love, meeting the spiritual and medical needs of the people of Congo through Dr. Paul Carlson, has been made into a 53-minute, 16 mm colour film.

That Paul Carlson's death had a tragic dimension is an in-

escapable fact. Having endured many weeks of imprisonment, and having lived under the threat of death much of that time, he was only moments away from safety when a bullet ended his life on a Stanleyville street—even as Belgian paratroopers, engaged in a giant rescue operation, filled the sky overhead.

This new film, produced by the Evangelical Covenant Church of America, is being released across the world by Youth Films, Inc., a division of Gospel Films, Michigan.

Billy Zeoli, President of Gospel Films, Inc., in announcing the release of the film, said, "In the production of this film the Evangelical Covenant of America has made a contribution of magnificent proportion to the cause of Christ everywhere, and just as rapidly as possible, we intend to make it available a-

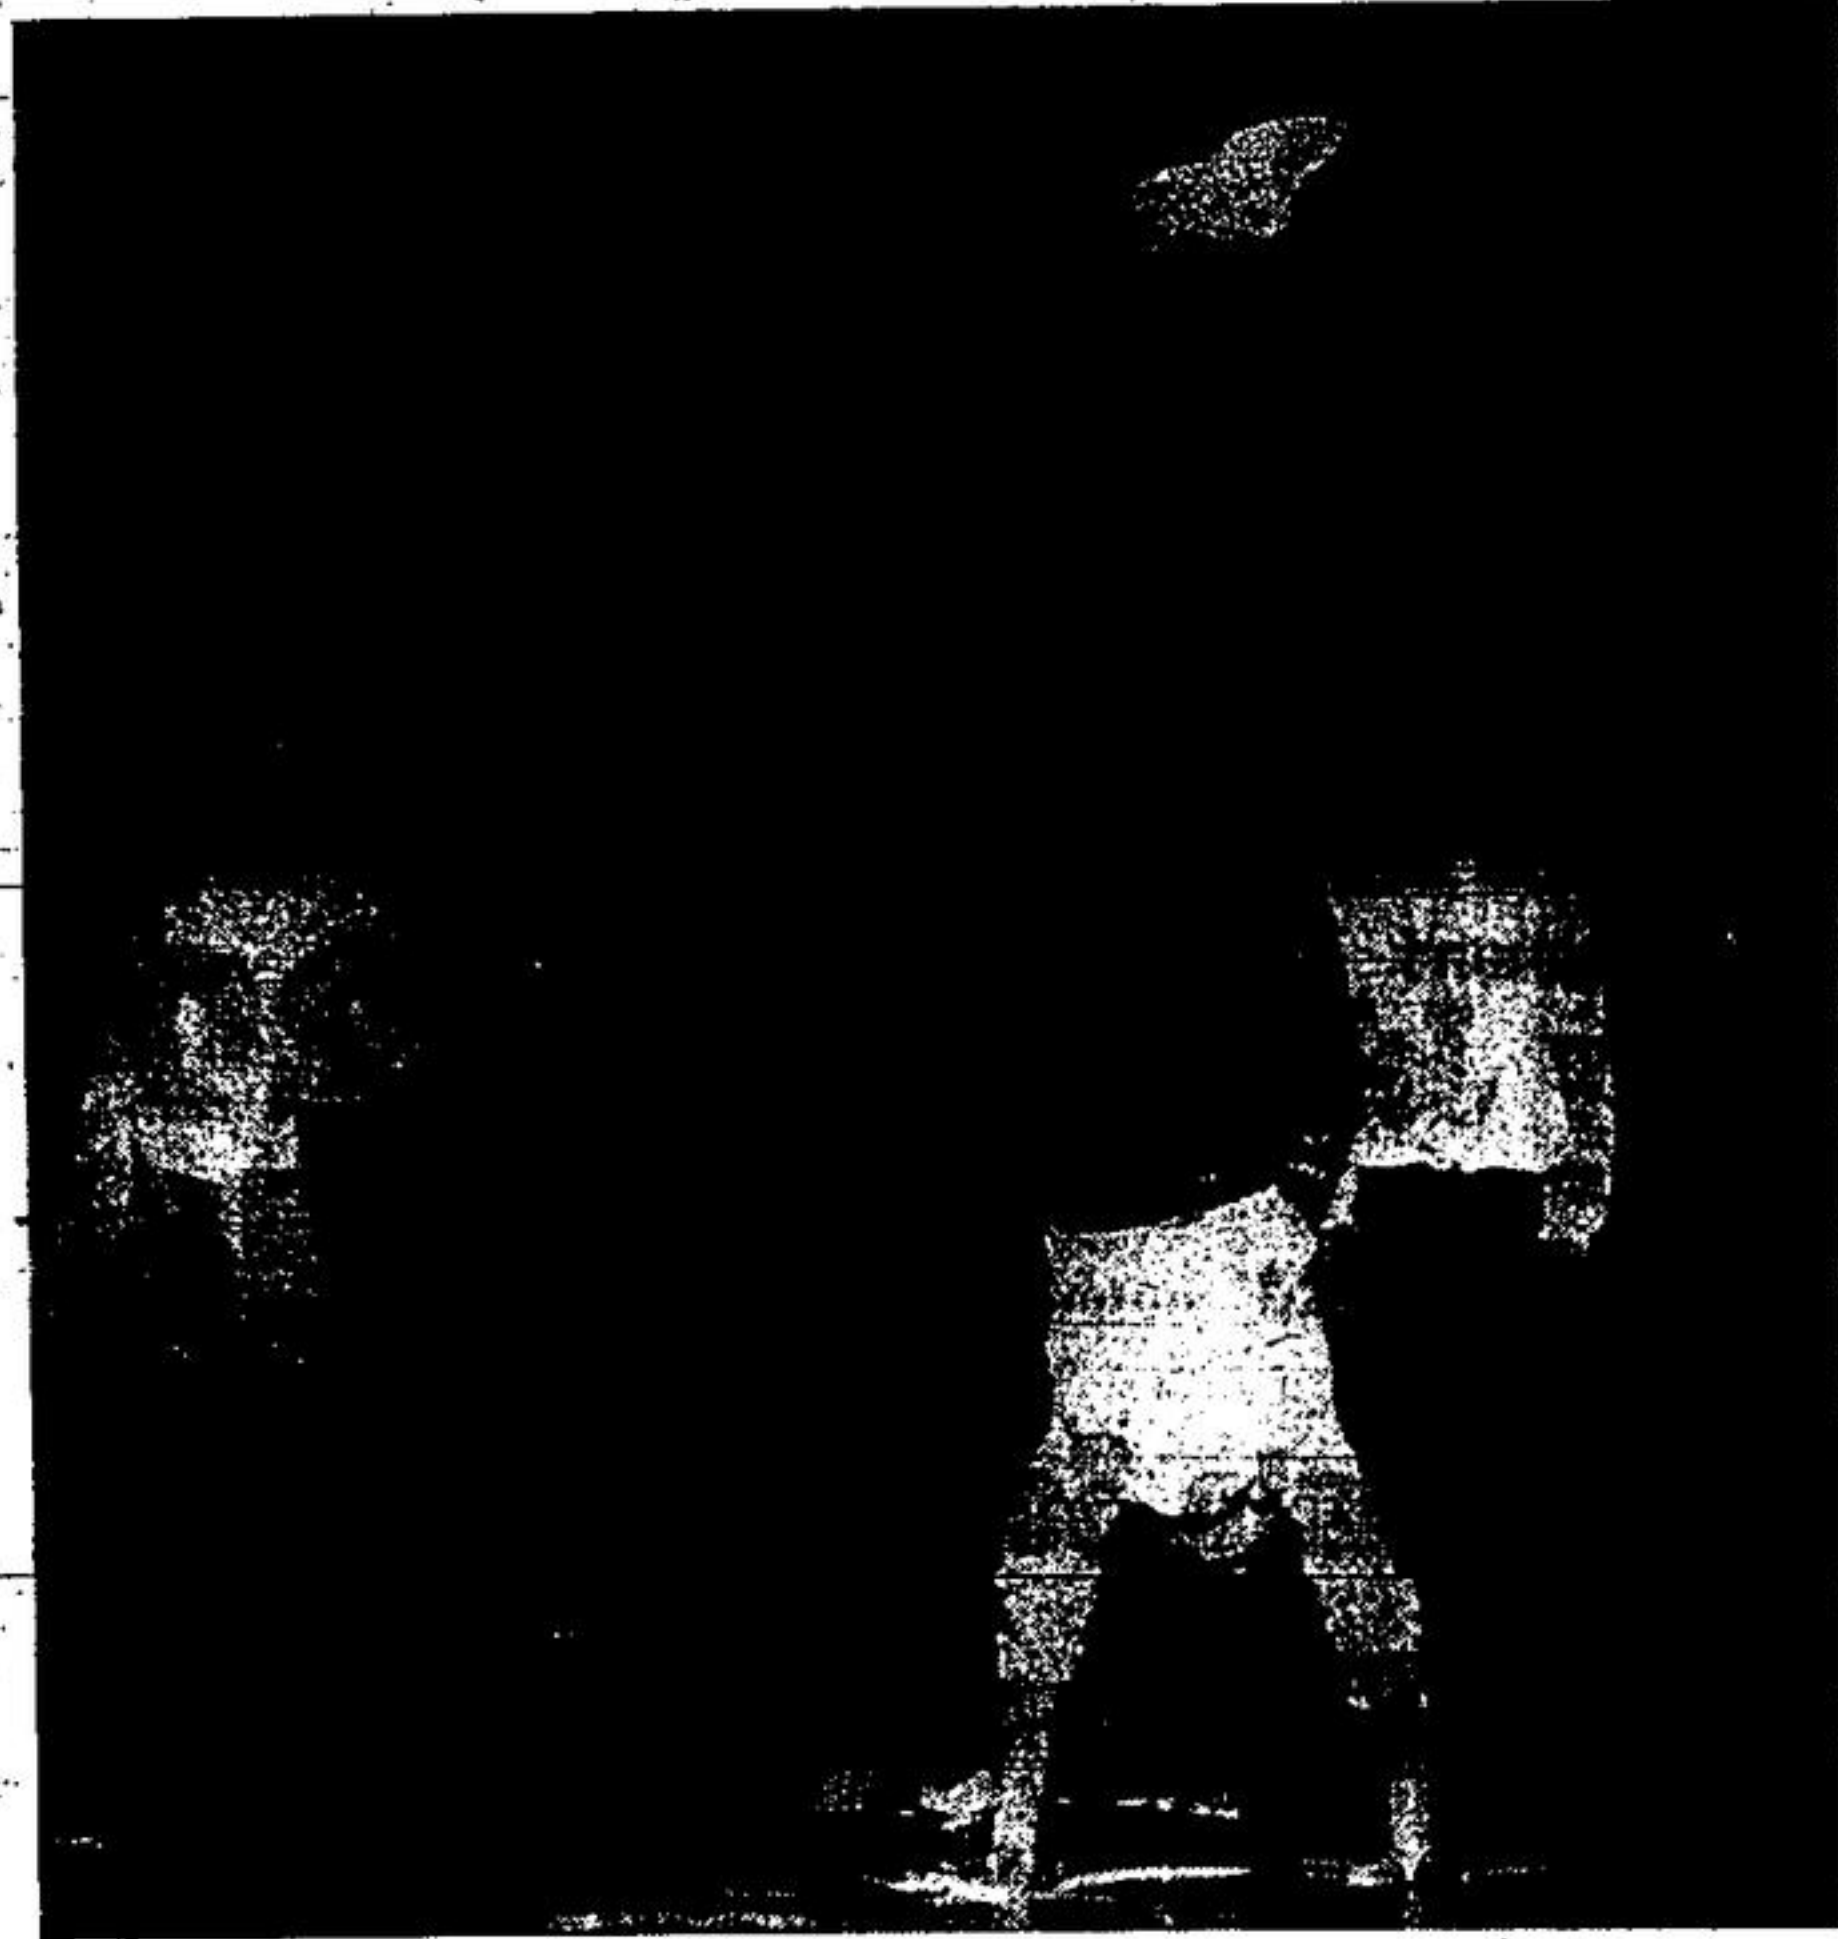

Gym Classes Put the Fun in Developing Young Bodies

Every Tuesday evening at 6:30 p.m., the high school gym comes alive with young ladies from the ages of 8 to 11. These girls—all 50 of them, are members of the Y.M.C.A. girls gym class. They are capably instructed each week in the proper tumbling methods, use of a gym horse, and the favourite of them all, the trampoline. The program is rounded out by the usual exercises, games and races. Fun and fellowship follow quite naturally.

At 7:15 p.m., the boys of the same age group move in. There are some 30 boys following the same general gym program, but with a few special boy-type interests added.

The entire Y' gym program is very capably directed by Mr. Eric Balkind. Under his guidance, instructors Bev Gosling, Pat Bligh, Leslie Buresh, Jacqueline Bowell, and Judy Artburn divide the girls gymnasts into small groups for the evening. The boys are supervised by Rick Smith and Ian Bowell.

The only requirements the Y' makes of these young people, is a \$2.00 junior membership fee, and that they enjoy themselves. The membership serves to enter them into any other program operated by the Georgetown and District "Y". Since the number of programs are continually being expanded the membership cards are of ever-increasing value.

Girls gym class members look on as club-mate Debbie Buresh executes a cartwheel on the tumbling mat.

Instructor Rick Smith's ready hand won't be needed as Robert Burns sails over the gym horse in near-perfect style.

To Texas went a group of six Northern females from the herd of A. C. Gaunt, Lucknow. This deal was entirely "sight-

unseen," and consummated by telephone.

Huntsville Winter Week-End Norval Scouts Ski and Hike

Norval Scouts enjoyed a winter week end at a hunting lodge near Huntsville on the week end of January 15th thanks to Archie Campbell who arranged for the use of the lodge and accompanied them on the outing.

The scouts left the Norval Scout Hall about 8:30 p.m. on Friday evening and arrived at the lodge around midnight.

Those taking cars were Scout Leader Ken Rider, Assistant Scoutmaster Doug Fishburn, Don Murray of Huntsville and Donald Murray Jr. of Norval.

Although the weather reached a low of 35 below zero they enjoyed hikes and skiing. One group of Scouts came across a porcupine on one of their hikes, caught it and tied it to a stick and carried it to show the rest of the boys then released it.

Some of the cars had trouble getting started on Sunday morning for the trip home due to the very cold weather but all arrived home safely eventually.

Norval Cubs enjoyed an afternoon of tobogganing and sleigh riding at Heart Lake Sunday afternoon, January 16th. Assisting Akela Gordon Douglas were 3 Georgetown Scouts, Phillip White, Bob Melcombe and Scott Douglas.

It was reported that 7 members were taking the hat cones with Mrs. Ed. Burk and Mrs. Don Murray instructors.

The roll call was answered by "One way I can show my appreciation of Canadian citizenship."

Mrs. Ed Burk and Mrs. Joe Murray, Education and Citizenship conveters, were in charge of the program. Mrs. Harold

Smellie read two poems and Mrs. E. Burk gave the motto, "Teach Children to respect their Own Community and the Older Citizens Who Built It."

Following the paper on Citizenship by Mrs. W. Cleave, Mrs. Joe Murray thanked her and presented her with a small gift.
