Two More Firms Would Purchase Town Land

In response to a request from Council, W. Carr presented a plan of industrial land Monday, showing what land is owned by the town, what is already built upon, and what is owned by others.

He pointed out that there is a road allowance, so there would be no land locked parcels of land, as some councillors feared. Since this had been the snag which held up the approval of the sale of land to Andrew Murray last week, the discussion switched to this sale.

At first Councillor Hyde suggested the hundred foot strip of land at the back of the property be cut off the proposed piece of land. However, Mr. Murray pointed out that he really needed it, and had already cut his request from five acres to the two and a half.

Coun. Harrison then suggested giving him an option on this piece of land. After Mr. Murray's explanation Coun. Hyde stated he would go along with the original parcel, provided that should this strip of land not be needed, it should be sold back to town at the same cost.

Mr. Murray replied that the stipulation was already in the agreement.

On hearing this Coun. Hyde urged the third reading of the by-law be given immediately so that the matter would be settled.

The mayor pointed out that a change would have to be made in the by-law and felt the town engineer and the solicitor should do it. However, Coun. Hyde asked Mr. Carr if he could change the appendix right then.

Ballinafad U.C.W. Hears Letter From Missionary

The U.C.W. met in the Church for a general meeting on Tuesday afternoon, January 18th with an attendance of 22. Mrs. A. Law presided and the worship was conducted by Mrs. L. Jamieson, the theme taken from the book entitled, The Plain Man's Book of Prayers. For the missionary topic, a letter from Rev. and Mrs. J. A. Kirkwood in Zambia was read by Mrs. F. J. Shortill (this letter will be published in the Herald later) and Mrs. R. Shortill, Sr. read letters of interest regarding the constitution and by-laws from the U.C.W. handbook. Christian Education was discussed and a motion to again give financial support to the work of the Sunday School.

Announcement was made for the World Day of Prayer on February 25th and four delegates were appointed to the Presbyterian Annual meeting in Milton on February 10th. Plans were also made to sponsor a "games night and social" evening for the congregation sometime in February.

The nominating committee brought in the report of officers for the coming year as follows: their duties to commence at the February meeting.

THIS WEEK AT SILVER'S

Consider Dinner Meeting as Monthly Attention-Getter

Ralph Hawes
The year is merely one month old and we are noticing a steady increase in new members who are joining at the rate of three or four a week. This, we feel is a good and encouraging sign.

The Legion has so much to offer veterans, companionship, diversified community projects which a member may participate in, the help and advice of the service bureau officer for themselves or their dependents and sports galore. The executive extend an invitation to all yet to drop in to Branch 120 and see for themselves.

There have been several excellent ideas regarding ways and means to raise money for the Centennial Fund suggested to the executive, which will be passed on to the Centennial Fund Chairman for his consideration.

This, in itself, seems to indicate there is some enthusiasm in this project, which must be most inspiring to the executive.

Dinner Meeting?
It has been suggested to have a dinner meeting in lieu of the usual regular monthly meeting. This is something out of the ordinary which may have possibilities. Could be that it might bring more members out to the meeting and could easily prove to be a very enjoyable evening.

There was an excellent attendance at the Branch on Saturday evening when the members were treated to some extremely good entertainment provided by Jimmy Valentine and his Steel Bandits.

This coming Saturday the membership will enjoy listening to Bob Hillier with the guitar and Cory Bydeuvate on the accordion.

Zone Curling
Erin Legion, was host to the Zone branches at the North Halton Golf and Country Club on Saturday, January 22nd when Port Credit Branch carried home the Zone Curling Championship. Georgetown's No. 1

McLean Judges Jacobins At Baltimore Pigeon Show

Mr. and Mrs. Ed McLean and Ed's father Douglas McLean, Richmond Hill, returned home from Baltimore, Md., on Monday afternoon, January 24th, after a week end visit to the Baltimore Pigeon Show where Ed was judge of the entries of the Eastern Jacobin Club. He enjoyed judging the Jacobins and visiting with the members of the Club who made him very welcome. They presented him with a lovely trophy at their annual dinner meeting. The show was held in a large room on the second floor of a large shopping plaza so the women, who came along with their husbands for the trip and a little holiday were quite pleased with the location.

The roads were cleared following the very bad snow storm in time for the trip home. There was no snow in Baltimore of any account. It was mixed with rain and melted as soon as it hit the ground, but the snow really started about ten miles north and the rest of the route home had as much snow as was found at home. Men, women and children on both sides of the Jordan were busy digging themselves out but the main highways were clear.

Sympathy is extended to Mrs. Cecil Adams and family, Ethel, Mrs. Gordon Preston, Huttonville, Helen, Mrs. L. J. Mathers, Lebanon, Eva, Mrs. N. A. Sweeting, Port Credit and Doris, Mrs. George Bennett, Brampton, on the death of Cecil Adams in Georgetown and District Memorial Hospital on Wednesday, January 19th at the age of 87.

Although in failing health in the last few years, Mr. Adams still painted signs with a steady hand and he enjoyed interior decorating.

He will be missed by his many friends in the district.
