4-H Girls Plan Trip to Kitchener

On Saturday, March 5, 1966 the Ashgrove 4-H Club held their third meeting at the home of Mrs. P. Cox.

The roll call proved interesting when each girl told what she would appreciate in her bedroom if she was a guest.

At the first meeting it was decided that each girl would submit an idea for the record book covers, so that all would be uniform. At this meeting the girls voted on which cover to use. Teena Rentenaar's cover was the winning one.

A trip to Schneider's in Kitchener is planned on April 12. The pamphlet "Table Service and Manners" was read. Four girls sat down to a mock meal while Mrs. Cox explained different rules of etiquette.

GLEN WILLIAMS

Has 20-Year Record For Safe Driving

Last Monday night Bill Everson was one of three Loblaw truck drivers to receive an award for safe driving.

They assembled at the Ontario Motor League in Toronto. The forty-three truck drivers were taken by limousine to the Ontario Parliament Buildings where they met Minister of Transport, Irwin Hackett and other officials. From there they went to the Royal York Hotel where Bill, among others, was presented with an award for twenty years safe driving for Loblaw.

At seven o'clock about 500 sat down to dinner, followed by a floor show. We wish to add our congratulations to Bill who has these years of safe driving back and forth to Toronto from here.

We extend congratulations and best wishes to a recently married couple, John and Betty Ann Boves who are making their home here. She is the former Betty Ann Preston, daughter of Mr. & Mrs. Herb Preston, Mountainview Road.

We extend very best wishes for a long and happy married life to Joan Davis and Gary Renwick who were married recently.

Mrs. Tom Haines was hostess for a miscellaneous shower held for Joan last week. She received many lovely things for her new home. She thanked everyone for everything and the neighbours helped the hostess in serving a lovely lunch.
