## BOARD GETS REPORT CARD FROM TEACHERS

Georgetown and District High School board received their annual 'report card' from their teaching staff Monday night.

Taking part in a secondary School Teachers Federation survey of employment conditions, the Georgetown high school teachers rated the board 'excellent' in one category and 'good' in the other two.

They gave them a 76 mark in Attitude Toward Educational Improvement, 74 for Staff-Board Relationship, and 67 for conditions of work.

The Georgetown board was one of 253 rated in the Federation's survey.

## Here's A Switch! Guernsey Cattle From Here To U.K.

Rockwood International Ltd., RR 1 Georgetown had a hand in an unusual 'first' Tuesday.

The company's Georgetown arena was the shipping point for a herd of six Guernsey cattle purchased by English buyers from leading breeders in the area.

The shipment of Guernseys from North America to the British Isles where they originated constitutes a world first.

A Rockwood International official said that the North American Guernseys are larger than those in the UK and this factor led to the unusual situation.

Both Guernsey and Jersey strains originated in the Channel Islands. The six Guernseys will be trucked to Montreal, loaded aboard ship there, and eventually transported to farms at Newbury and Cheshire.

## Provincial Paper Name Unchanged In Abitibi Plan

Provincial Paper Limited, the fine paper division of Abitibi Paper Company of which the Georgetown mill is a part, will retain its present name despite wide scale name-changing of wholly-owned subsidiary companies announced this week.

Under the new arrangements Pembroke Shook Mills, Limited, becomes Abitibi Containers Ltd. Maple Leaf Veneer Ltd. becomes Abitibi Panel Products Ltd. Abitibi Sales Company Ltd. becomes Abitibi Paper Sales Ltd. Manitoba Paper Company, Ltd. becomes Abitibi Manitoba Paper Ltd.

The purpose of the changes is to identify the subsidiaries with the parent company and to relate the names of the companies more closely with the products they manufacture and sell.
