Schools Avoid Museum Newman Tells Board

Halton County Museum gets few visits from county schools, Curator H. J. Newman told the museum board last week.

He said that of the 81 schools scheduled to visit the museum by the end of June only five are from Halton County.

"Most of the schools in Halton would rather visit Niagara Falls, Toronto or Ottawa," he noted. "They want to make a holiday out of it — and it is only natural."

No school in Niagara Township has ever made a trip to the museum and a school in Acton has paid a visit once, he observed.

Mr. Newman pointed out that the museum's blacksmith's shop opens May 14th and the craft house June 3rd.

Most sleeping pills are followed by a definite hangover period of depressed mental powers.

Leisure Time Planning Important in Education

For the first time in human history, man is reaching the stage where he will have an unlimited amount of leisure time, members of Halton New Democratic Party were told at a recent meeting at the Oakville Galaxy Club.

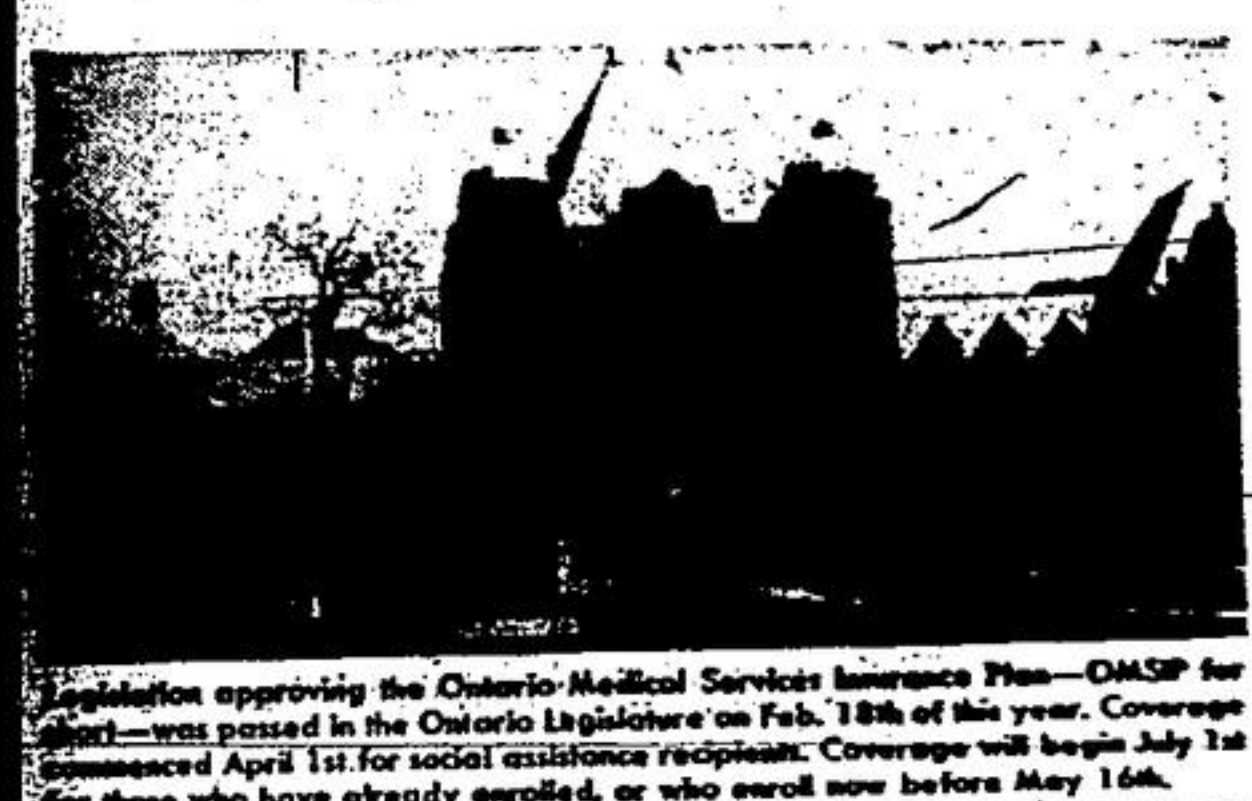

Dr. Forina, of the University of Toronto School of Social Work cited John F. Kennedy and Winston Churchill as men of independent means who had lived creative lives because they were able to pursue their own interests — the arts, politics and international affairs.

The present education system is only vocational training, he said, and we will have to turn to the idea that a person should be educated, not only to earn a living but to enjoy living through the development of his full potential as a man.

Legislation approving the Ontario Medical Services Insurance Plan—OMSIP for 1966—was passed in the Ontario Legislature on Feb. 18th of the year. Coverage commences April 1st for total assistance recipients. Coverage will begin July 1st for those who have already enrolled, or who enroll now before May 16th.

OMSIP PROVIDES COVERAGE REGARDLESS OF AGE, INCOME OR HEALTH

Everyone who has lived in Ontario for the past 3 months is eligible to join, except those who are entitled to physicians' services under another Act.

Members are free to choose their own doctor. If a member travels outside the Province, and requires care, OMSIP will still pay the doctor's bills up to OMSIP established rates.

People who find they cannot continue to pay for all or part of their OMSIP contract because of unemployment, illness or disability, may apply for temporary assistance in paying their fees.

Many qualify for full or partial assistance

Since the aim of OMSIP legislation is to provide adequate medical insurance for Ontario residents, full or partial premium assistance is available for those who require it.

Automatic fully-paid coverage

Many residents and their dependants have automatically received fully paid coverage under OMSIP. These are people who are already receiving benefits under the following Acts:

- The Disabled Persons' Allowances Act
