Set Hunters Softball Debut For May 27 at Glen Park

What should be a hot rivalry in the exciting intercounty softball league will ignite Friday night May 27 in Glen Williams' ball park when the Georgetown Hunters under Junior Beaumont, debut against the strong Glen Williams aggregation of Harold 'ke' Inglis in the local opener.

The Georgetown - Glen teams meet six times during the 21 games schedule, and all meetings will be in the Glen park where both Glen Williams and Georgetown will be playing their home games - Glen on Fridays and Georgetown Tuesdays.

Georgetown coach Junior Beaumont has been getting good turns to his practice sessions and while he has enough material to mold a team to be reckoned with the former Glen player isn't ready to disclose just who will be playing where against his ex-mates.

Ike Inglis will pick his starting lineup from Max Stafford, Doug Richardson, Pete Pomeroy, Blake Inglis, Paul Robinson, Jim Frank, Tim Haines, Fred Perry, Ron Ritchie, Tom Peavoy, and Joe Shaw.

When Georgetown - Glen are not meeting head on they'll be taking on Hillsburgh, Acton or Rockwood, which, like Georgetown is making its initial start in the league this season.

The Intercounty Softball League came into being last year to provide a ball circuit for players in urban centres in the Halton area. Two Georgetown men comprise the executive. The president is Scotty Patterson, and the secretary Gilbert Preston.

Arena Roller Skating Debuts Saturday Night

The successful venture that turned Georgetown's Memorial Arena into a year round entertainment centre last year, roller skating, commences for the season Saturday night.

Arena manager Don Gosling told the Herald he expects the popular recreation will gain even more enthusiasts this year than last, when roller skating attracted more participants than ice skating.

Something new this season is a new local musical group The Topix who will play regularly for the skaters. Manager Gosling said he expects the roller skating sessions will be held on Saturday nights only until high school exams are wound up when regular week night sessions will be scheduled.

Midgets Step In - Test Ball Jukes

Georgetown Midgets stepped in when Milton Juveniles failed to show up for an exhibition baseball game here Sunday and beat their elders 5-3.

The Midgets used Juvenile pitchers Mike Tost, Dave Ryder and Danny Arbic, and the Juveniles used Midget hurlers Turkosz, Lenz and Collier to even things up.

How to become a wraparound windshield

Ride a Suzuki—the only light-weight motorcycle that takes Canada's measure—it level, hilly roads—it smooths bumpy country trails . . . and it's built for years of happy fun at high-way speeds.

Whisper quiet, too. So you don't miss a word of her ballads as you swing along together.

Suzuki's spirited dual-stroke engine delivers more usable horsepower than a 4-stroke—with less effort. Hup, two, Hup, two. Instead of Hup, two, three four. And, that's backed by Suzuki's Guarantee—the best in the business.

Suzuki has a model just your speed—take a spin on one or all of the dazzling models—from 50 cc. Sports Standard to the 250 cc. X-6 Hustler.
