

HOSPITAL NEWS
By Les Clark

The Hospital has a fairly low occupancy at present, a probable sign of things ahead. As a rule the summer months are fairly quiet, as people seem to put off a trip into hospital if at all possible, during vacation time, or so it would seem, at least.

The Bernard Bobenok Memorial Fund is still open for donations. We mention this here as we had a query about it over the weekend, and feel possibly that there are others who still wish to contribute. The committee in charge expect to unveil plans in the not too distant future as to what form the memorial will take.

Chairman of the Board John Ord, gave us the following letter, received recently from our former Director of Nursing. It is indeed pleasant to receive this type of message from a former employee, and typifies the apparent good will and sense of cooperation in the GDMH now. We quote:

Eden Mills, Ont., May 17th, 1966.

Magistrate J. D. Ord, Q.C., Chairman Bd. of Directors, Georgetown, Ontario.

Dear Magistrate Ord:

Please convey to the Board members my sincere thanks for the kindness shown me upon resignation from Georgetown hospital.

I consider it a privilege to have acted as Director of Nursing Services and thank those who made it possible.

I feel that any success achieved is the result of the hospital staff and all others associated with the hospital working together toward the common goal of providing good care for our patients. Fine equipment has been generously provided and I know that pending changes in physical facilities will be greatly appreciated.

It is a hospital of which the citizens of Georgetown and the surrounding area may well be proud.

Thank you again,

Yours Sincerely,
Mary Manning.

Mrs. Manning starts her new position at the Clarke Psychiatric Institute this week.

BALLINAFAD

Ballinafad Women Host Institute 65th Annual

Mr. and Mrs. George Bates attended the wedding of a fellow student, Mr. Graham Scott at Emmanuel College on Saturday.

The Ballinafad 4H Club joined in an achievement day with 10 other clubs of Halton County on May 28th in Milton High School. The girls had an exhibit of table centres for different occasions, with Nancy Snow as commentator.

The leaders and several mothers and friends of the girls attended. Each girl brought her record book and hostess file and was presented with a sterling silver teaspoon and 4-H crest. Mrs. Jamieson and Mrs. Don Brown, the leaders entertained the girls to the show "That Darn Cat" in Gaelph last Saturday night.

The sympathy of the community is extended to Mr. and Mrs. George Henderson and family in their sudden bereavement last weekend.

Ballinafad W.I. was host to the 65th District Annual for Halton on May 25th. The morning session was mainly given to reports from standing committees. Lunch at noon was served by the UGW of the church and 112 ladies enjoyed a hot meal. The speaker for the afternoon was Miss Frances Hicks, from the Home Economics Branch. She chose as her theme Program Planning and handed down some very interesting and informative ideas. The ladies of the Action Fair Board presented their very humorous skit. During the afternoon Mrs. Webb, the incoming president presented Mrs. Jesse McEweny with a pin, in appreciation of the work she has done the past two years.

Week-end visitors with Mr. Thomas Meck over the holiday week-end were Mr. and Mrs. J. Johnston, Churchill, Mr. and Mrs. Harold Craig and Donnie of Georgetown and Mrs. Tarr...

Mr. and Mrs. J. Black spent the holiday week-end with his sister, Dr. and Mrs. Ogrylo at their cottage on Lake of Bays, Huntsville.

AMAZING Tenderness!
