After We realize that it is very diffithe official opening ceremon-cult to pick specific persons in les, tours of the Hospital were this way, because one could go conducted by the W.A. and em. on for a page and name Georgetown citizens who played a Erin and Milton, duplicate bri- ful in their course in electron- partment.

However, our mind does turn next week. As we recall, it was with a hard-working dedicated back to the late Mrs. Muriel

planning and building . . . a history that will become increasing valuable in the years to come. Our second lady who deserves special mention is Mrs. Alex Taylor, who did such great work in fund raising. Jennie Taylor and her various groups of helpers, at one stage, were the principal fund raisers for the Hospital. Mrs. Taylor also was a very active and enthusiasectors for many years, and the Board lost a valuable member
