

THE BIG QUIZ GAINS MOMENTUM

The area census takers are out in force in Georgetown this week as the Dominion census gets into high gear. The major job of counting noses got underway June 1 but it wasn't until the third day that the door knocking commenced in earnest. Here census taker Mrs. Tom Golden is greeted by a familiar face at a familiar door as she calls on her sister-in-law Mrs. Frank Golden, 147 Main St. N. Twenty census takers are covering the Georgetown area.

Tykes Clobbered Twice Then Win at Oakville

After a week's delay due to rain the Tykes finally got off the ground on Friday, May 27, when they made their first appearance of the year against Milton. The tykes put on a good show in their first game against Milton which was a see-saw battle up to the bottom of the sixth inning when the sky caved in and Milton drove across 10 runs to defeat our Tykes 18-3.

On Saturday morning, May 28 the Tykes played their second game against the league winning Brampton team. Georgetown took the lead in the first inning one run up. In the third, Brampton showed why they are champs when they scored 13 runs. Most of the runs were on bunts which has been their main weapon. That was all for Georgetown and the score ended 23-2. This was what the boys needed to show them this league is a higher calibre than the house league. The boys showed their lack of experience in this calibre of ball, but it is nothing that time and work cannot cure.

On Monday, June 6, the Tykes travelled to Oakville and bounced back with an 8-2 win over Oakville, with the butterflies gone and steady good pitching from Gary Dewhurst and steady catching behind the plate by Jeff MacDonald the Tykes looked real good in their first win. Gerry Anderson and Ray Peacock both wielded big bats and the coaches had all the players stealing bases at will, including home base three times. Georgetown went into the lead 4-0 in the first inning, added steadily in every inning and kept the Oakville bats down to only two runs. The Tykes next game is at home on June 11th, 10 p.m. against the highly rated Burlington Club.
