

THIS IS WHERE THE FUN WAS

Carnival Means Kids, Cars and Cotton Candy

THERE'S NOTHING QUITE AS MAGNETIC as the pulling force a carnival has on any youngsters within sighting range. The Delrex Market Centre featured a carnival at the east end of its parking lot all last week and the small fry had all the normal reactions to the merry-go-round, ferris wheel, rock-planes and other rides and concessions. Pre-school children were able to ride for free.

Part of the fun was fuzzy candy for Sandra Milton
