DID YOU KNOW?

Blueberries are back and
 what's more these little berries
 will keep from ten to twelve
 days in the refrigerator. Give
 them good air circulation by
 storing in a colander. Wash
 only when ready to use because
 wet berries spoil quickly. Blue-
 berry jam, jellies and marmal-
 ades should be made in small
 batches. Either liquid or powd-
 ered fruit pectin help to give a
 perfect set.
