Spanish Motif for Bridal Gown, Attendant Costumes

On Saturday, June 25, Marjorie Katherine Oehm became the bride of John Wayne Ridley at Stayer Centennial United Church. Rev. Gordon Prosser officiated at the double-ring ceremony.

The bride is the only daughter of Mr. and Mrs. N.A. Oehm, Slayner. The bridegroom is the son of Mr. Jack Ridley and the late Mrs. Ridley, Acton.

Given in marriage by her father the bride chose a white satin floor-length gown with lace accenting the bodice above the empire waistline. At the rounded neckline, she wore an antique pin of gold and tiny pearls, loaned to her by a favorite cousin. For something old she carried a 30-year-old lace handkerchief given to her by a great-aunt. Her veil was a long Spanish manilla of net bordered with wide

lace to match the lace on the dress.

She carried a mantilla bouquet of tiny white orchids and white veined leaves.

Her attendants wore floor-length gowns of turquoise crepe in a similar pattern to the bride's. Their headpieces of lace, resembling high Spanish combs, were specially created by Mrs. Bertha Coad and carried out the Spanish motif. They carried trailing bouquets of stephanotis and ivy.

Miss Linda McKinley of Toronto attended as maid of honour and Miss Nancy Dods of Orangeville was bridesmaid.

Donald Lindsay of Acton was best man. The ushers were Peter Oehm, brother of the bride and John Goy cousin of the groom.

Following the ceremony, a reception was held for 100 guests at the Dyconia Hotel.

Wassa Beach. The bride's mother received, wearing a mauve lace over chiffon dress and a matching hat created by the bride. Her purple orchid corsage completed the outfit. Assisting the bride's mother was the groom's aunt, Mrs. J. Hasenecker, attired in a pale blue lace dress with white accessories. Her ensemble was accented by a white orchid corsage.

When the young couple left for the honeymoon, the bride wore a matching dress and coat of teal blue linen. Her accessories were white with teal blue flowers on the hat. A corsage of white and pink carnations complemented the self-created outfit.

Mr. and Mrs. Wayne Ridley, are living at 90 Marshall St., Waterloo.

John McGee County Rep At 4-H Leadership Week

One of the highlights of 4-H activities in the Province of Ontario each year is Provincial 4-H Leadership Week. The program which is designed to recognize the achievements of outstanding 4-H Agricultural Club members from each county and district in the Province, was held this year from July 18th to 22nd, on the campus of the University of Guelph.

Halton County's representative to 4-H Leadership Week will be John McGee, son of Mr. and Mrs. T. H. McGee, of Norval. John has completed Grade 13 at the Milton High School, and plans to attend University this fall. He also has been very active in 4-H Agricultural Club work, having completed twelve 4-H Club projects, and receiving numerous awards for his achievements.

The 50 young men who will be participating in the program will receive training in several phases of leadership. These areas will include studies of group behaviour, and working with individuals, as well as study of communications.

The Department of Extension Education at the University also assisted in the program, discussing with the delegates the importance of motivation in the rural community. A further goal of Leadership Week is to create an awareness among the delegates, of current developments in agricultural production-techniques.

Again this year Leadership Week provided an opportunity

to interview and select Ontario's representatives to several National and International 4-H events. This year Verna Thompson, daughter of Mr. and Mrs. Gordon Thompson, Milton, R. 2, will be interviewed for some of the following events — 1966 National 4-H Club Conference; 1967 Inter-Provincial 4-H Exchange; the 1967 National 4-H Club Conference (USA); American Youth Foundation Leadership Training Camp; Centennial 4-H Seminar; and the Canada-Israel Exchange.

Verna has completed twenty 4-H Agricultural Club projects, as well as being the Ontario Furrow Queen in 1965, and an active participant in sports. She has also completed Grade 13 at Nelson High School, Burlington, and plans to attend the Veterinary Science Course at the University of Guelph.
