

1. 67 ACRES—excellent light loam soil with 3 streams and 3 good wells. House is a modern 3 storey, 8 room, solid brick. The barn is in average condition. The implement shed is new; the cement silo is new and the fences are good. This is one of the best small farms we have for sale. Price \$28,000 with terms.

2. 170 ACRES modern dairy farm with 1000 lb. base. Excellent water supply; all new steel stabling with cleaner, pipe line milker, cement yards and new 16' x 60' silo with unloader. The fences are all in good shape. A second barn is used for storage. There is a large 10 room house and 2 car garage; also separate 4 room house. This is one of the country's good dairy farms being offered for the first time.

3. 180 SCENIC ACRES with 4 acres cedar with ponds and springs. Light loam soil. 7 acres maple bush. 100 acres good light, productive land, balance rough pasture. Buildings average. Good value at \$160 per acre.

 SELLING: Friday, July 29th at 7:00 p.m. in the evening.
 AT: Georgetown Sales Arena
 7th Line, Georgetown
 OFFERING: 50 Head
 From an Accredited Area herd for T.R. and Brucellosis; Pregnancies guaranteed; R.O.P. and Selective Registration.
 A good selection of young cattle are available Friday evening from popular C.O.C. B.A. Unit sires. This herd offers relatively young cattle all in good condition and health, and affords any buyer an opportunity to purchase cattle either to carry them over a short period to meet milk quotas, or to add quality cattle to their herds. With the export demand for cattle as it is today, one cannot miss by purchasing even on a speculative basis.

Take advantage of this sale to choose some good young cows or quality calves and yearlings.
 IMMEDIATELY following the dispersal is the 32nd Rockwood International Consignment Sale offering a select group of cows and heifers, either fresh or springing. This particular sale features top-notch full pedigree heifers and a few young cows suitable for foundation stock — for example a Rosalee Supreme Reflection daughter from a Good Plus dam with over 1900 lbs. as a 5 and 6 year old, in turn from a 185-000 lbs. dam and 118,000 lbs. grand dam, both star brood cows. Several good open heifers are also offered, ready for breeding now and in the fall.
 Catalogues available at sale time or Thursday evening. Credit arrangements available on 48 hour notice.

Award Manitoba 4-H Trip to Halton Dairy Princess
 A youth travel grant received from the National Centennial Commission through the Canadian Council on 4-H Clubs is making it possible for a number of Ontario 4-H Club members to travel to other parts of Canada this summer.
 One outstanding 4-H member from each county and district in Southern and Northwestern Ontario has been selected to participate in a trip to Manitoba. These fifty-one delegates will fly to Winnipeg July 28th, and will visit and live with host 4-H families in Southern Manitoba for a week.
 Halton County's representative for this Centennial Trip is Margaret Hunter, daughter of Mr. and Mrs. Albert G. Hunter, RR 1, Burlington. Marg has recently graduated from the two-year Home Economics Course at Kemptville Agricultural School and is now employed as a dietitian with the Canadian Institute for the Blind, in Toronto. In addition to being a member of the Halton 4-H Dairy Princess, Marg has completed seventeen 4-H Agricultural Clubs, and is this year's president of the Palermo Junior Institute. She lives on the home farm, with two sisters, Lois and Janet, who are also very active 4-H club members.
