

Mr. and Mrs. Ernest Pearce Cut Their Wedding Cake

Wedding Ceremony in Acton Newlyweds Live in Georgetown

Acton Knox Presbyterian Church was decorated with standards of white, chrysanthemums and pink gladioli for the double-ring ceremony on July 16 which united Mary Elizabeth Grischow and Ernest Charles Pearce in marriage.

The bride is the daughter of Mr. and Mrs. E. B. Grischow, Acton, and the groom is a son of Mr. and Mrs. E. F. Pearce, Georgetown.

Rev. A.H. McKenzie officiated at the afternoon ceremony and George Elliott was organist for the occasion.

Given in marriage by her father, the bride chose a floor-length gown of Bemberg organza over taffeta featuring a soft A-line skirt, the bodice having short bell sleeves trimmed with Alençon lace imported from Belgium. This was repeated on the skirt of the dress and on the detachable scalloped chapel train which flowed from the waist with a bow trim. A headpiece of petal tulle held her circular French illusion shoulder length veil which was trimmed with seed pearls.

The bride's wedding garter was a gift from Mrs. R. Wallace, an aunt of the groom, who brought this from a recent European trip. The bride carried a cascade of white orchids, carnations and stephanotis.

Miss Barbara Norton of Acton, cousin of the bride, attended as maid of honour, and Mrs. William Barber, Georgetown, Miss Beverly Piercey, Bolton, and Miss Elizabeth Wallace, Woodbridge, were bridesmaids.

The attendants wore matching floor length A-line gowns of shrimp organza over taffeta, empire waists with lace panels enhancing the organza overskirts. They carried cascades of white carnations and stephanotis and trailing ivy. The bridesmaids wore wedding ring bands of white miniature carnations and ivy.

The flowers were all designed and arranged by the groom's mother.

Bob Townsend of Georgetown, friend of the groom, was best man and Phil Rau, Georgetown, friend of the groom and Edward Pearce, Georgetown, brother of the groom, served as ushers.

Mrs. E.B. Grischow received for her daughter at the reception in Dr. A. C. Stewart Memorial Hall, Knox Church, Acton wearing a Bermuda blue ensemble of French hand-rolled lace and ribbon with white accessories and a white orchid corsage.

Mrs. E. F. Pearce, mother of the groom, assisted wearing a petal pink lace ensemble with white accessories and a white orchid corsage.

The three-tiered wedding cake was made by Mrs. S. Norton, Acton, an aunt of the bride.

For the honeymoon trip along the St. Lawrence into Quebec, the bride wore a pink and white arnel suit with white accessories and a white orchid corsage.

Upon their return, Mr. and Mrs. Pearce took up residence

at 818 Main St. North in Georgetown.

Guests attended the wedding from Barrie, Preston, Woodbridge, London, Copetown, Brampton, Georgetown, Guelph, Meadovale, Bolton, Toronto, St. Jacobs and Acton.

The bride was honoured at several special events prior to the wedding.

June 23, a miscellaneous shower was given by Mrs. N. Piercey, Bolton.

June 29, a miscellaneous shower was given by the maid of honour, Miss Barbara Norton, Acton.

July 11, a miscellaneous shower was held by Mrs. William Barber of Georgetown.

A presentation was made to the bride from her co-workers at Smith and Stone Ltd., where she is employed as a secretary-receptionist.

The groom, a graduate of Western Ontario Agricultural School, was honoured by a presentation from the staff of the Swift Canadian Feed Mill in Weston where he manages the office.

Four District Musicians At Beaverton Music Camp

Four young musicians from the Georgetown district attended the 1966 Ontario Youth Camp near Beaverton this year. The camp, a youth project of the Canadian Bandmasters' Association Ontario Chapter was administered by Art Hilliard, bandmaster of Georgetown Citizens' Band, who is the CBA's secretary-treasurer.

Cindy Lambert, Brenda Elliott, Marty Wheeler and Lynda Wood attended from here.

The Youth Music Camp lasted four weeks, from July 3 to July 31, and was held at Thorlax Lodge on the west side of Lake Simcoe. The lodge is specially equipped to accommodate the enthused music students, their practice facilities and the faculty.

The aim of the Youth Music Camp is to develop instrumental music in youth. The program is very extensive and throughout the day the timetable covers individual practice, ensemble development, dance band, B division band, A division band, and the full symphonic concert band. This rigid timetable is interspersed with swimming and recreational periods.

On Friday evenings the symphonic band from the camp played in Beaverton and on Saturday July 16, a concert was presented in Aqueduct Theatre, Orillia. Close to 100 young musicians took part in the program.

Queen's Park Okays Grant To Add Land To Kelso Park

A \$42,500 grant has been offered to Halton Region Conservation Authority to help pay the cost of buying up about 105 acres of land adjoining Kelso Park at the foot of the Niagara Escarpment.

The grant has been offered by Ontario Provincial Government. It is anticipated that the sum will be roughly half of the expected negotiating fee for the property which includes land belonging to Archie Service.

So far negotiations are continuing and no fixed price has yet been agreed upon.

The Authority is not yet ready to make the transaction public.

Kelso, located northwest of Milton, is the largest conservation and recreation area in Halton County. The area includes an 80-acre man-made lake which backs up behind the dam.

Kelso was the first major program undertaken by conservationists in Halton and has proved popular both as a winter and summer playground. It was developed at a cost of \$400,000.

The Halton County Museum is also located on the Kelso property.

NORVAL

Firemen Called, Soon Quell Norval Grass Fire

The Esquering Fire truck arrived very promptly and put out a grass fire on the side of the highway across from Murray Laird's a little after 3 p.m. on Monday evening August 8.

It was quickly spreading into the field and could have been quite a serious blaze if it had got out of hand due to the very dry conditions. However, the fire truck arriving so quickly on the scene soon had the blaze under control. It is not known what started the fire but it could have been from some careless person tossing a cigarette out of a car window.

A trousseau tea was held in honour of Miss Donna Bloor at her home in Milton on Tuesday, July 20th.

Pouring tea in the first part of the afternoon were her grandmother Mrs. Elsie Bloor and her great aunt Mrs. Nellie Plant. They were followed by Mrs. Lloyd Fisher and Mrs. Douglas Ismond and in the evening by Mrs. Frank Whitmee and Mrs. Ted Brown. All Donna's cousins and a few close friends served during the afternoon and evening. All who assisted at the tea were guests at the wedding held in Dixie Church when she married Cameron Dolson. Miss Bloor taught for several years at Park School in Georgetown.

Mr. and Mrs. R. H. Vessey and daughter Anne of Ottawa are visiting with Mr. and Mrs. Keith Webb and family and with Mr. and Mrs. Murray Laird for several days. Mrs. Vessey is a sister of Mrs. Laird and of Keith. Their sister Miss Anita Webb of Toronto spent a few weeks with the Lairds and is now enjoying a visit to Prince Edward Island.

Visiting with Mr. and Mrs. Wesley Louth for several days were Mrs. Louth's cousin and husband, Mr. and Mrs. Herb Billett of Plato, Sask.

Directors of the music chosen for this year were Capt. Derek Stannard of the RCR Band, London; John Mudie, head of the Music Dept., Ottawa Technical School; Ken Holler, head of the Music Dept., Nelson High School; Burlington; John Conrad, head of the Music Dept.; Kitchener High School.

Instructors were Frank Uhran (clarinet and saxophone); Reg Head (bass, woodwinds and reed making); James Ford (bass); Gord Dandeno, (percussionist); Robert Hughes, (percussionist); Bob Ford (flute); James Weaver (bass specializing in tuba).

The aim of the Youth Music Camp is to develop instrumental music in youth. The program is very extensive and throughout the day the timetable covers individual practice, ensemble development, dance band, B division band, A division band, and the full symphonic concert band. This rigid timetable is interspersed with swimming and recreational periods.

Urges Municipalities To Combine To Solve Mutual Growth Problems

What are the planning problems of Ontario? This is the question that the Central Ontario Regional Development Council (CORDC) set out to answer with a questionnaire presented to the municipal clerks in the four CORDC counties, Ontario, York, Peel and Halton. Ninety-five per cent of the questionnaires were completed and returned.

At a seminar held at the Alton Hills Conservation Area, guest speaker W.E. Thomson, Planning Director of the City of Kitchener, discussed the results of the needs survey and outlined some of the reasons why municipalities must give CORDC their full support now.

"You're all tied to Metro and will have to learn to live with it," he warned a packed audience from municipalities throughout the area. "Sooner than you realized this area will be in Metro with all its complexities. It is up to you to help CORDC prepare you for this step so that it will be an orderly, well-planned move, rather than a crisis."

"CORDC can provide you with professional advice," said Mr. Thomson. "Plan while chaos is in the distance. Most of the problems are too big for the municipalities to handle on their own. Pollution, speculative land-urban sprawl, rapid transit, these problems can seldom be solved within municipalities. Get a solid plan through

Driver Escapes Injuries In Train-Truck Collision

A dump truck and commuter train came together at a level crossing just west of Lumberville last week resulting in minor injury to the trucker and \$10,000 in property damage.

The truck, owned by Perc Construction, Brampton, swerved to avoid the collision but

too late. The vehicle smashed into the side of the first diesel and rolled over.

The driver, Mervin Albert Plummer, RR 1 Clarksbury, suffered scratches and bruises. He was treated by an Acton doctor and released without hospitalization.

"He was lucky," investigating officer Cst. R. Hudd of the North Halton Detachment of the Ontario Provincial Police commented afterward. "The truck was wrecked."

Cst. Hudd said the train was brought to a halt about a half mile from the accident zone.

The regular commuter train from Guelph to Toronto was due to arrive in Toronto at 8 a.m. but was delayed for 25 minutes.

Charge Criminal Negligence In Young Cyclist's Death

The Crown Attorney produced a string of 15 witnesses when a Georgetown man appeared in county court Wednesday, August 10 charged with criminal negligence causing the death of Peter Armstrong, 17, son of Mr. and Mrs. John T. Armstrong, 23 Parkview Blvd.

Thirteen of the witnesses were heard and the hearing was adjourned until August 24.

His father is a former Georgetown mayor.

The crash occurred minutes after another accident at the same spot and so was witnessed by a crowd of people.

Witnesses said they had earlier seen the accused leave a house on Raylawn Crea. with screaming tires kicking up dust, and one telephoned police about his driving shortly before the accident hap. ned.

Georgetown police constable Henry Vanderaluis said the accused's car skidded for some distance before hitting the motorcycle.

GOING CAMPING? WATCH FOR POISONOUS PLANTS

Many common plants in field and forest are poisonous and can cause serious illness or death. Children should be taught never to eat any plant or berry not commonly used as food. The Department of Lands and Forests warns
