

**LEGION NOTES**

by Ralph Haynes

For the members of the Branch, who read these notes and have missed them for two weeks, we would be amiss if we did not explain the reason which is quite briefly "no news."

We would hasten to point out that in spite of this, there has been more activity around the rooms these summer months than we have ever seen before during this period.

**Using The Rooms**

There is always comradeship to be found at the Legion and this we feel is the reason why the members have been using the Branch rooms more.

There are cynics who claim comradeship is not enough, but cynics are so often drowned in prejudice, optimists take the reverse view but optimists are often very naive.

We may accept certain truths more easily if we realize just what Legion comradeship consists of.

**Any Subject**

In our humble opinion, it consists of being able to sit down with your fellow Legion members and discuss any subject under the sun in peace and quiet. It brings with it the ability to discuss with our service officer Dave Bowman any queries you may have pertaining to DVA or Veterans' Pensions. If a member requires spiritual advice, the Branch Padre, Comrade Johnston will advise him. If one of our members or any veteran finds himself in an adverse condition, Comrade Gob Collier will listen to his problems and in most cases will be able to help him.

Mike Lorusso's newly formed ways and means committee along with its many other commitments means up ways to spread comradeship by attempting to make the Branch more attractive to the members. Comradeship is all these things and many more. Comradeship is Legion.

**New Chors**

Buster Hale and Frank Bryant, co-chairmen of membership are making big strides in their new chore at the Branch. Buster tells us he has the two membership boards completed and will be sending out friendly reminders to those few delinquent members who have yet to pay their dues.

Better check that board and see if your name is on it.

As soon as our membership chairman have this little thing taken care of, they intend to launch a campaign to bring back members who have dropped out, also a drive for new members.

**List Grows Longer**

Centennial fund at the Branch is over \$1,300 at the present time; another \$600 to go. The roll of honour list grows longer as more members make their donations. There are an awful lot of names yet to be placed on the list.

We hope to have some news on the activities of the ways and means committee in the near future. We understand they are going great guns.

Keep Saturday evening, July 27th open for we are told by Gord Reid that he has some terrific entertainment lined up for that date.

Tickets for Warriors' Day are available at the Branch.
