Alvin Anderson Was Beekeepers President

President of the Ontario Beekeepers association and a member of the Canadian Council, F. Alvin Anderson, 61, died in Milton hospital on August 2.

A lifetime Hornby resident, he attended public school there, and learned the bee business at the age of 15 under the direction of Mr. G. E. Saunders of Hornby. He was a member of the Presbyterian Church. He was the son of George and Mary McMurray Anderson.

He leaves his wife, Ellen McCann, a sister Mrs. Fred Huffman (Mabel) of Hornby and a brother Joseph of Davison, Michigan. He was preceded by brothers William of Georgetown, Stanley of Brampton and Bert of Britannia and a sister Dolly of Toronto.

Canon J.E. Maxwell conducted the funeral service at the McKersie Funeral Home, Milton and interment was in Evergreen Cemetery, Milton. Pallbearers were Clifford Wrigglesworth, Doug Leslie, Earl McDowell, Philip Burke, Guelph, Jack Anderson, Toronto and Lindsay Calcott, Oakville. Flower bearers were Cameron Anderson, Leslie King, Edward Robertson, Frank Chisholm, Ervin Sockner, Gordon Bridgman, Kenneth Pell and Paul Thompson.

Fernand D'Arcy, and Robert Saxe guested Marcel Ouillet.

A full program of tours was organized for the students in co-operation with the Brampton, Bramalea, Milton and Malton group, largely through the efforts of Mrs. S. Solden, a French teacher at Bramalea Secondary School.

The first trip saw the students on a two hour tour of the Toronto harbour area as guests of the Toronto Harbour Commission, followed by luncheon at the King Edward Hotel.

In a bus provided by the Central Peel District High School Board, they took in sights at Niagara Falls. In the true spirit of student friendship, the food bill was footed by the student council of Bramalea Secondary School.

The Bramalea Lions Club, too helped do their bit for inter-provincial relations, by chartering a bus and paying the costs of a trip to Stratford to see Henry V. A dinner was included in the theatre visit.

Not to be outdone, Chinguacousy council feted the group at a luncheon at the Chinguacousy Golf Club, following a council meeting attended by the students.

As guests of Consumers Gas of Brampton, the students toured various industries in Brampton, and the International airport at Malton, where they had lunch in the Blue Flame Room. They concluded the day with a tour of the Ontario Research Donor Co. at Clarkson.

To allow time for French students to familiarize themselves with the homelife of Ontario residents, no programmes were arranged for week-ends.

Private parties, shopping trips and sight seeing in the immediate area filled most of the spare hours.
