Saturdays Are For SCUBA Divers

Creatures in the Depths of Georgetown Pool

While no formal SCUBA diving club has operated here for the past two years, interest in the use of the Self Contain Under-water Breathing Apparatus, initials of which give the diving system its name, still flourishes at Georgetown Community Pool every Saturday morning. Qualified swimmers with the breathing devices have been taking advantage of the quiet period at the pool to make use of their equipment. Not all of the underwater activity is just for the sport of it, however. One of the divers, Dr. Vicki Zavitz, has been learning SCUBA skills so she can conduct research for Guelph University on seals.

DR. ZAVITZ, LEFT, AND RAYMOND FOX, a member of the pool staff, check their mouthpieces before resubmerging.

FOX DEMONSTRATES THE PROPER METHOD of entering the water while wearing SCUBA gear for the Herald photographer.

BOB CHAPMAN, ONE OF THE YOUNGER SCUBA buffs, turns his back to the camera to show the tank, regulator and flexible hose which makes up the diver's back. To a half dozen SCUBA divers have been meeting for the Saturday sessions, and there is no formal course of instruction involved, it does give the divers a chance to make use of their equipment and share their know-how.

Set Playoff Series For Girls Softball Leagues

The play-offs began for the Senior Girls Softball League on Tuesday, August 30th, and for the Junior League starts tonight, Thursday, September 1st. The series A, B, and C schedule as described below will apply to both leagues.

SERIES (A) will see the first place team meet the 4th place team, second place will meet the fifth and third, the sixth. This will be a two-game total run series and will be played on the regular ball night for each League on consecutive

weeks. SERIES (B) will be played on Tuesday, September 13 and Thursday, Sept. 15 for both the Junior and Senior Leagues. This will also be a two game total run series. The winner of the 1 and 4 match in Series (A) will get a bye, while the winners of the other two games from Series (A) play-off.

SERIES (C) will have the team that sat out Series (B) and the winner of Series (B) playing each other for the League Championship. This series will be a best two out of three game series. Both the Junior and Senior games will be played at the same time, Tuesday, Sept. 20, Thursday Sept. 22 and the final game on Saturday, Sept. 24th.

The third game of the championships will be held prior to the annual wind-up party on the 24th and will double as both a celebration for the winners and a farewell to the ball season for another year. All of the registered players of the Junior and Senior League are asked to come out to the Wind-up party where they will be feasted with hot dogs and pop, and will receive their league crests.

Glen Williams Drops First Two Midget Softball Games

It was a do or die game Tuesday in Lowville when the home team met Glen Williams for the third of their best of five finals in the county midget softball league.

Lowville won handily in the first two games, defeating the Glen 8-3 in the first game and 11-6 in the second.

Larry Campbell pitched good ball in the first game at Glen Williams and had three hits, one of them a homer to make him the night's best batter. Harrison with a pair, and singles by Don Powell, Jim Dales and Doug McGregor completed the Lowville scoring.

Gerald Moody went all the way on the mound for the Glen with Jack Kemshead doing a fine job behind the plate.

Costly errors by the Glen club, in the early innings proved to be their downfall. Doug Hills was their best scorer with a pair of runs, one of them a homer. Jim Ashley scored the other Glen run.

On Sunday at Lowville the Glen took an early 6-1 lead, but slumped to let Lowville catch up and coast to an 11-6 win.

Glen's best hitters were George Shepherd and Gerald Moody, each with a pair and Kemshead and Hills with one each. Pitching was shared by the Moody brothers, Greg and Gerald.

Dales, Campbell, Powell, Harrison, Gunby and Gowland shared the scoring honours for the winners.

Giants Ousted by Oaks And a Shortstop Did It

Georgetown Giants finished their season wondering why the Oakville Oaks have kept their shortstop Dick Bondy under wraps for so long.

Bondy, who has never pitched an inning of baseball in three full seasons in the Halton League, was called on by manager Bob Bishop on Sunday, August

21st after he ran out of hurlers and the stubby shortstop responded by fanning the last two bats and ended Georgetown's mathematically to end the game. Bishop was pleased with what he saw that he picked him to start against Georgetown Giants in Giants final game of the season in Oakville Wednesday.

LAWSON MARE MAKING GOOD

THE LADY LIKES THE LIMELIGHT

STRIKING AN "I'D-RATHER-YOU-DIDN'T-TAKE-MY-PICTURE" pose is 'Arawana Lady', a 6 year old mare owned by Robert Lawson, R. 2, Georgetown, and despite her shrinking-violet pretence, she really loved the limelight. With her in this photo taken in the winner's circle at Greenwood August 15 after a win, are her groom-David Furness, left, driver Dr. Donald Lindsay, Robert Mc- Master, Gordon Preston, and Delmar French, plus a young unidentified helper. In 12 starts this year, the Lawson mare had two wins, three seconds, three thirds, two fourths and has seen action this season at Mohawk, Garden City and

Greenwood tracks.

Lawson and McCristal, playing second and short, were defensive goals for the Giants. Lawson was charged with a total of three miscues. While McCristal was disputing the umpire's call on a stolen base in the fourth by McFeeters, the fleet outfielder scampered to third. Georgetown ... 100 000 1 3 3 Oakville ... 300 20x 5 9 0 G: Dore and D. Lindsay. O: Bondy and Glaze.

GEORGETOWN CYCLE & SPORTS

2 Water St. 877-3630 DON JARVIE

IT'S NOT JUST 90 MPH AND STYLE THAT MAKES THE ISUZU BELLETT DELUXE THE BEST BUY AT \$2098.

BUT IT SURE HELPS!

The Isuzu Bellett has now been around in Canada for a year and already it has captured the hearts of a couple of thousand people and nearly one hundred dealers from coast to coast. It's little wonder that Bellett is considered to be the corner in the hotly contested Volkswagen price class. Bellett is a family sized four door in a style that sets a new standard for economy cars. At 2,029 pounds, Bellett has sturdiness in its 18 gauge steel body (4.4 w.g. heavier than standard), in its padding and sound deadening, and its complete undercoating. Even the inside of the trunk and the underside of the hood are undercoated and then painted over for additional protection. There are bucket seats up front and underfloor carpet covers the floor area. Under the carpet is another layer of undercoating—painted over of course. The dash-

board is completely padded, there are two padded visors. Flexible grab handles are provided for all passengers. The Isuzu Bellett is in a different performance class from its price competition. With a four cylinder, over-square engine of 1,500 c.c., Bellett uses its 71 horsepower to walk away from other economy cars. It even outperforms some 1,500's costing seven or eight hundred dollars more. The lowest priced Bellett comes completely equipped with white-walls, back-up lights, washers and all the other things you pay extra for in other economy cars. Before you buy an economy car you owe it to yourself to see and drive the Isuzu Bellett. Where else can you find a 71 horsepower, 90 miles an hour economy car with four wheel independent suspension for as little as \$1,898*.
