Scottish Summer Ends For Duncansons — Now Back Home

Rev. and Mrs. R. Duncanson have returned from a 2 months exchange visit to King's Park Church, Glasgow, Scotland. They report a very enjoyable time sight seeing around Scotland and part of England. Rev. Duncanson renewed old friendships of 42 years ago and contacted relatives. They visited the house where he had lived for 12 years and also the house where he was born in Sterling. One highlight was a visit to Iona, an ancient Presbyterian abbey recently restored, also attending the Military Tattoo in Edinburgh.

They found the people very kind, considerate and helpful, making them very welcome.

Their son and his wife and grandson, Rev. and Mrs. Bob Duncanson of Streetsville, visited them for several days and left their grandson with them while they continued their trip to the continent.

The Elders and Women's Guild of the church gave the Duncansons a farewell and presented Rev. Duncanson with a preaching scarf and Mrs. Duncanson with a bronze St. George cross with Ionic marble set in.

Their family and many friends were happy to see them home again. They arrived on Wednesday evening, August 31 and visited with Rev. and Mrs. R. Paterson for about 20 minutes at the airport while they waited for their flight to return to Scotland.

The congregation of Norval Presbyterian Church held a farewell evening for Rev. and Mrs. R. Paterson of Glasgow, Scotland, who have been here on an exchange visit with Rev. R. Duncanson for the past two months. They met in the church basement on Tuesday evening August 30th. Mrs. Sam McClure and Mrs. Tom McGee were the committee to arrange the evening. Mr. Albert Hunter was master of ceremonies. Miss Cindy Cooper of Georgetown played several numbers on the bagpipes and Rev. Paterson showed interesting slides of Scotland, told several humorous Scottish stories and recited Robert Burns' poetry.

Mr. Albert Hunter presented Mrs. Paterson with a sterling silver Maple Leaf pin and Rev. Paterson with sterling silver Maple Leaf cuff links on behalf of the congregation as mementos of their visit to Canada. Lunch was served and a social time enjoyed.

Mrs. Wilbert Cleave of Georgetown showed pictures of their recent trip through Europe at the first fall meeting of Norval Women's Institute held at the home of Mrs. Keith Webb on Thursday evening September 1. The pictures were excellent with the highlight being pictures of the troping o the colors in Eng. which included Queen Elizabeth, Prince Philip, Queen Mother, Princess Margaret and other members of the Royal family. Mrs. Cleave showed slides of Scotland, England, Ireland, France and Germany and promised to show the remainder of the trip at a future meeting.

Mrs. Don Murray, president, was in the chair for the meeting which opened with the Institute Ode, the Mary Stewart collect and the Lord's Prayer. Mrs. E. McLean gave the roll call which was answered with an idea for the Institute display at Esquing Fall Fair, followed by the minutes and correspondence.

Delegates appointed to the W.L. convention of the Guelph area to be held in Guelph on September 19-20 were Mrs. Don Murray and Mrs. Keith Webb. Mrs. Webb thanked Mrs. Cleave for showing her pictures and presented her with a plant.

Mrs. D. Murray and Mrs. E. McLean assisted the hostess in serving lunch and a social time was enjoyed.

Mr. and Mrs. Douglas Browne and family, Helen, Pamela and Gordie, of Calgary, Alberta, enjoyed a holiday visiting relatives in Toronto and Norval the latter part of August. While here they visited with Mr. and Mrs. Gordon Caseley, Mr. and Mrs. Ormie Carter and family and Mr. and Mrs. Gordon Browne.

Mr. and Mrs. Norman Guthrie, Terry, Michael and Lisa spent their holidays at a cottage on Lake Kushog north of Minden. Visitors with the Guthrie family for a couple of days previous to the holiday week end were Mrs. Guthrie's cousin and her husband, Mr. and Mrs. Bob Mills of Tara, Ontario.

Mr. and Mrs. Howard Chester spent the holiday week end near Huntsville.

Miss Prairie Maguire, Georgetown, has returned from an enjoyable 5 weeks visit to relatives out west. She motored to Regina with Miss Nora Krantz and visited with relatives there and at Saskatoon then flew to Vancouver and travelled to Seattle Wash. where she visited with her sister. On her way back to Regina she visited cousins at Wenatchee, Wash. then returned home by car with Miss Krantz.

The new teacher for Grades One and Two of Norval Public School taking Mrs. Cascaden's place who retired in June is Mrs. McLean. She was married this summer and they reside in Georgetown. She taught for 12 years at Burlington before coming to Norval.

Principal of Norval Public School and his family, Mr. and Mrs. Jack Reed, Alan, Laurie, Heather and Scott of Georgetown, spent the summer months at Cavendish, P.E.I. Mr. Reed took a summer course in Modern History and Sociology at St. Dunstan's University while there. The recent railway strike that stopped the ferry to the island caused the Reed family to spend an extra day of travel to reach home as they had to travel through Nova Scotia instead of the shorter route through New Brunswick.

Mrs. Reed's sister Louise and her husband, Mr. and Mrs. Harry Lowther, who operate a tourist home in Prince Edward Island were affected by the rail-

way strike as all the tourists left just prior to the strike as they did not want to get stranded on the island with no means of getting home.

Mr. and Mrs. Charles Chesney of Cleveland, Ohio, spent the month of August at their cottage at Willow Park, Norval. Their son Carl enjoyed a 2 week trip to British Columbia with his aunt and uncle. Mr. and Mrs. Herb Louth. They travelled by the trans Canada highway to Victoria B.C. and returned through the United States.

Redistribution Means New Political Party Groupings

Both the Progressive Conservatives and the Liberals are planning meetings to complete plans for organization of the party associations under the redistribution of the federal ridings.

Halton Conservatives held an executive meeting last week to discuss reorganization and the Liberals will have a meeting to complete plans on September 15.

Under the new ridings, the present riding of Halton, which conforms to the boundaries of

of Enniskillen, Ireland.

He was predeceased by two sons Edward Francis and George and by brothers William, Edward and James in England and brother Joe and sister Mary in the United States.

The Rev. Busby of Streetsville Anglican Church conducted the funeral services at the David A. McClure Funeral Home, Brampton and interment was in Brampton Cemetery. Pallbearers were John Moore, Oliver Evans, Gordon and Harold Clements, Toronto, Carmon Nixon, Brampton and Ted Davis, Albany, N.Y. Honorary pallbearers were Goldie Gillies, Milton, John Gilbert, Meadowvale, Harold McFarland, Woodhill and Bill Johnson of Ireland.

the county will be split in two and will engulf portions of counties on both sides.

The new ridings will be known as Halton East and Halton West.

Robert Blake, president of the Halton County Liberal Association which goes out of existence on October 31, said a new constitution will be agreed September 15 for the Halton East Liberals. But the west is facing negotiations with Wentworth which is being eliminated under the new setup. Blake expects things to be sorted out before October 31st.

The New Democratic Party does not face reorganization problems. They will run that association along the lines of the provincial ridings and set up temporary organizations for federal elections.

The new ridings will take effect at the next federal elections. The next Commons will have 284 MPs, one fewer than at present and one more than the constitutional minimum.

Redistribution — suggested by ten Royal Commissions in each of the provinces — came about after the changes in population distribution.

is
your home
off
balance?

It is if you and your family are uncomfortable, and you have dry skin problems, sandpaper sinuses, or stuffy-nosed children. As your gas company knows, comfort depends on the proper balance of heat and humidity in your home.

You've heard how you always feel cooler in a dry climate than a damp one? That's because when air is heated, humidity falls. The air becomes thirsty and draws moisture from the surroundings including your body. When moisture evaporates from your body, it takes heat away and you feel cool. The family complains; you turn up the thermostat and pay a bigger heat bill.

Comfort is when humidity and heat are properly balanced. You feel neither too hot nor too cold. Modern gas heating can give you the correct comfort level automatically, because gas heating can control humidity as well as heat.

We'll help you achieve the proper indoor climate in your home . . . and save you money doing it.

So call your Heating Contractor, Department Store or Gas Company. Phone or write to your local Gas Company for a free "Comfort is" brochure.
