

Set Sights On Canadians Midget Hockey Honours

Georgetown Midgets of the Tri-county Hockey League will have a shot at gaining a Canadian midget championship for Georgetown this season.

The Georgetown team is one of five from the district who will take part in an elimination series at the start of the hockey season, the winner to progress toward a Canadian Centennial Midget Hockey Tournament in Kingston in March.

Georgetown will face teams from Brampton, Guelph, Galt and Bradford in the district series.

Details of the tournament were thrashed out at a meeting of district teams in Guelph Monday night. Georgetown was represented by Minor Hockey Support Group officer Herb Robinson, and Midget manager and coach Bill Chapman and Jim Blair Jr.

NORVAL

Church School Pupils Conduct Rally Service

It was Rally Day at Norval United Church on Sunday Sept. 18th and pupils from the Sunday School took part in the church service. Children who participated were Gary Lyons, Douglas Laidlaw, Gay Murray, Kathy Johnson, Susan Nixon, Brenda Laidlaw, Wendy May and Clifford Laidlaw.

Ray Hyatt, Tommy Johnson, John Nixon and Gordon Lyons took up the collection.

The Junior Choir under the direction of Mrs. Garnet Laidlaw and Mrs. Jack May sang a special number.

Clark Lyons assisted by Gordon Laidlaw is the Sunday School Superintendent. Rev. W. Ridley gave the sermon but all the rest of the service was conducted by the Sunday School pupils.

Get well wishes are extended to Douglas Donaldson, son of Mr. and Mrs. Bill Donaldson who had his tonsils removed in Georgetown & District Memorial Hospital on Wednesday, September 15th.

Mr. and Mrs. Keith Sylwester of London, Ont. visited with Mr. and Mrs. Gordon Browne on the week end of Sept. 10th.

Norval Rangers and Rovers started their fall meetings with a weiner roast held by the rink at Reeds on Tuesday evening September 11th. Julian Reed is the leader of the Rangers and Mrs. Julian Reed is the leader of the Rovers.

St. Paul's Anglican Church congregation held a corn roast at the back of the Parish Hall on Saturday evening September 17th with a good attendance.

On Sunday September 18th the Harvest Home Service was held and it was also the start of Sunday School for the fall term.

Mrs. Douglas Ismond entertained about 20 neighbours and friends at an Arter demonstration on Tuesday evening September 20th. This is a demonstration on how to paint designs on material in place of embroidery.

The maintenance men of the Township of Esqueving have been busy putting in a ditch and grading the road on Draper St. so that the water in the spring and after rains can drain away. This has caused considerable trouble for many years and residents who were affected by the water are pleased to have this improvement on the drainage situation.

Unit One of Norval United Church met at the home of Mrs. Spencer Wilson on Thursday afternoon Sept. 15th. Mrs. James Laidlaw was in the chair for the opening of the meeting and later Mrs. Gordon Miller presided.

The defotional was given by Mrs. Harold Lyons and Mrs. Murray Laird. Mrs. James Laidlaw gave an interesting talk on the Psalms. Reports were given by the various committees.

During the business it was decided to hold the fall Thanksgiving meeting on Thursday evening October 20th. Mrs. W. Ridley will speak on some of their experiences as missionaries in Japan.

Mrs. Harold Lyons and Mrs. Percy Laidlaw assisted the hostesses in serving lunch.

A successful antique auction sale was held in the Parish Hall on Monday evening Sept. 19th with Reg Ashworth as auctioneer. The hall was well filled with standing room only at the back.

Unit two of Norval United Church held a weiner roast near the river at the home of Mrs. Julian Reed on Thursday

LESION NOTES

Young Men's Auxiliary Report Set For Meeting

The committee which was formed to investigate the advantages, possibilities, problems and desiderata of forming a young men's auxiliary to the Branch has been hard at work during the summer "shut down" of 1966.

This committee which is made up of three legion-minded and fair-thinking members is headed by Dave Bowman with his many years of Legion experience to call upon. Bus Hale, as membership chairman, is naturally interested while John Walsh, Branch past secretary, will be an invaluable member with the ability to assist with correspondence and keep records.

From information we have gathered, it seems there will be quite an interesting report presented to the members from this committee on Thursday, Sept. 22nd at the first General Meeting since the summer recess commenced in June.

A subject which seems to be creating quite an interest at the Branch is the town's Remembrance Park. It has been suggested by some members that since the park is so neglected, perhaps the branch should take it over as a project and maintain and care for it. Other members assert this would be a mistake as this would give council an easy out for responsibilities they seem to be reluctant to fulfill. These members reason that it is the town's park and should be maintained by the town.

We are happy as most members will be to know that Comrade Cliff Hills is on the road to recovery and that he hopes to soon be back on the bar again.

Saturday, Sept. 17th, the Branch was honoured with a rare visit by District Sport's evening September 8th, to start their fall meetings.

Mrs. Stanley Fishburn and Mrs. Ronald Fishburn were in charge of the defotional and Mrs. Orval Shea and Mrs. Earl Wilson were in charge of the camp fire games.

Officer Jim Hall. Jim was here to officiate at the District horsehoes which was won by Hamilton with Branch 120 as runner's up. Brampton Branch won the singles; however, all was not lost for 120 Rocky won a quart of milk.

Also on Saturday, the Industrial Darts and Cribbage held their annual meeting. John Haines, secretary, read one of the healthiest financial reports we have heard for a long time. The organization are wondering what to do with the cash that's over from last year. That's one for the book.

There was no change in the Executive after the election. Bruce McCartney retains his position as President with John Haines looking after the correspondence and cash. Faithful John Koloski is taking care of the cribbage.

From all reports, the Imperial Section members that visited Buffalo two Saturday's ago had themselves a good time. They were guests at the Plevacki Post, an American Legion Branch named after the first Polish immigrant to volunteer in the first world war in New York State.

The members and ladies had dinner at the post, followed by a social evening. Jim Meekison treated the host post to several Scot's songs while other members demonstrated the Gay Gordons.

Those people who attended the last elimination dance held by the Imperials will be looking forward to their next one which will be held on Sept. 30 \$100 prize along with many smaller prizes may soon be won. The proceeds from this dance will again go to the Centennial Fund and the Branch Building Fund.

Entertainment Chairman Comrade Norman Ward has something up his sleeve for members and their ladies on Oct. 14th. Another member of the Branch is returning to the old country. John Cartwright his wife and two children leave to take up residence again in England. The Cartwrights have been in Canada for 1 year.

Dust Problem Prompts Irate Delegation to Esqueving Council

A roomful of irate ratepayers blew up a storm at Esqueving Council meeting Monday night. This time it was a dust storm.

Residents of the 22nd side-road, with Mr. C. A. Mather as their spokesman, protested about the choking dust raised by hundreds of trucks.

"We have had calcium on the roads only twice this year," said Mr. Mather.

"You're lucky," interjected an eighth line resident, "we've had it only once."

From here on residents from both the 8th line area, and 22nd side-road, realizing they had a common complaint, backed one another.

Cr. Pat Patterson admitted he had been the one to advise the Road Superintendent to "go slow," when he wanted to buy more calcium.

"Our road budget will barely carry us to the end of the year," he added.

Mr. Mather pointed out that there were many other roads not nearly so dusty since they didn't get the truck traffic.

"You found the money to fix the road below me for the trucks," countered Mr. Mather.

"That was done by our own men with material on hand," replied Cr. Patterson. "We have to pay our men anyway."

Reeve G. Leslie backed up Cr. Patterson's statements saying it would take at least another \$10,000 to put calcium on the 142 miles of road in Esqueving.

Cr. Patterson suggested next year's council should set a higher road budget and set aside \$30,000 for calcium.

An unidentified 8th line resident wondered if an eleven ton load limit could be placed on trucks in some places, for example the 8th line.

"As far as I know," explained the Reeve, "a trucker buys his license and gas, and cannot be restricted except at certain times of the year, unless there is a bridge with a load limit on it."

Cr. Patterson told the group

that the Department of Highways controls how much the township spends, by only subsidizing the amount on which they have given approval.

Mrs. J. O'Hearn, of the 8th line, told of excessive speeding on the 8th line, claiming speeds of seventy and eighty miles an hour. "Can we not put up speed limit signs?" she asked.

The Reeve pointed out that signs can only be erected in a built up area.

The safety factor was stressed by Cr. Tom Hill. "If a child cannot be seen on the road because of the dust, there's going to be accidents."

Cr. Patterson advised the lady who told of seventy and eighty miles per hour that she should call the police, since fifty is the speed limit unless otherwise posted.

Cr. Tom Hill suggested that

the Department of Highways be asked to have a look at the area, to see if they would authorize speed limit signs.

When Cr. Patterson stated that he felt the ratepayers wouldn't mind paying an extra mill or two to get good roads, Reeve Leslie opined, "That's what we want to know."

Some of the residents in unison, remarked, "If we got good roads for the extra mill or so we wouldn't mind."

Reeve Leslie summed up saying, "Remember that at Nomination night, you say you wouldn't mind an extra eight, ten, or twelve dollars on your taxes now, but when you get the tax bill, will you say the same?"

In conclusion, the Reeve said he could promise nothing until they reviewed the road budget.

Improvements Immediately Promise Remembrance Park

Council promised fast action Monday when three officers of the Legion branch appeared to complain that improvements are urgent at Memorial Park and the cenotaph.

President Ralph Hawes cited flagstones missing at the base of the memorial, a planned cleaning job not yet done, absence of a flag and repairs to the bridge as items to be corrected.

When Cr. Harrison blasted council for not looking after the park properly, he drew a return rally from Cr. Hyde.

"It's as fine a park as you

can find in Ontario," he said, "and not a disgrace as you have termed it."

Cr. Emmerson said thought should be given next year to having a groundskeeper to look after parks and boulevards.

After the town foreman was directed to immediately deal with the complaints Cr. Harrison quipped to the delegation "Thanks for coming. You've succeeded in doing something I've been trying to do all year."

In Town Zoning By-Law Change Alteration Rule

A clause in the zoning by-law allowing an existing building to be converted into apartments should its size preclude any other purposes, was dropped from the by-law by council Monday.

Cr. Hyde, who proposed this explained that such cases could be dealt with on their own merits in future. Referring to a controversy about conversion of the old Dayfoot Shoe Factory on John St. into apartments, he said the building inspector had acted legally in issuing a permit, although the

intent of the by-law clause was to allow such alterations to houses.

When Reeve Hunter said a council motion required all permits for apartments to be approved by council Cr. Hyde pointed out that this was a building alteration, and not an apartment application.

Council seemed to be in general agreement that the permit issued is valid and that there will be no stumbling blocks to the contractor who is remodeling.

HAD ANY SILLABUB LATELY?

Sillabub is a mouth-watering Elizabethan confection made from fresh raspberries, wine, herbs and thick whipped cream. You can sample this delectable dessert in present-day London. Your BOAC travel agent will tell you where. He'll gladly pass on to you the many interesting things he's discovered on his world travels. He'll reserve hotels within your budget. Make your travel bookings. You'll even receive help with your passport formalities. Your BOAC travel agent will make all the arrangements for you. And it won't cost you a penny more, because it's all part of the service. And don't forget to ask where you'll find all the little "extras"—like Sillabub.
