

THE TRIM SIZE AND CRISP LINES of the 1967 Acadian are emphasized by this GM sports coupe. A number of styling changes enhance the Acadian's appearance, including a new grille, new rectangular parking lights set in board of the headlights right in the grille, a modified deck lid, and new ornamentation and trim. Outstanding new safety features for 1967, standard equipment on all Acadians, include the GM developed energy-absorbing steering column which telescopes to 8 1/4 inches.

Layettes, Used Clothing IODE Chapter Contribution

Members of Countess of Strathmore Chapter, IODE, have been active in supplying layettes, and used clothing for distribution locally or wherever needed.

At the chapter's meeting this month, Mrs. R. Ballantine reported that a complete layette had been sent to headquarters and another layette and several boxes of used clothing will be made available to the local Social Referral Committee. She also reported that in June she and Miss Mackenzie had delivered sixteen boxes of used clothing to Hamilton.

Education secretary Mrs. Oliver Hunter reported purchase of centennial pictures showing the Fathers of Confederation for the chapter's adopted Savannah Army school in Newfoundland.

As most of the IODE chapter efforts are directed to scholarships and bursaries, Mrs. Hunter enlightened members about the Lucy Morrison Memorial Fund established in 1940. Last year \$2200 in scholarships was awarded for social work, library, science, ballet, art, music, home economics and a short story competition.

Members discussed medals for successful high school students and this will be decided upon at the next meeting. A new table model of the Canadian Flag will be purchased for use at meetings. A local centennial project was discussed and several suggestions made.

for the chapter's adopted Savannah Army school in Newfoundland.

HALTON MANOR

Verdun Lodge Host For Manor's Birthday Party

The September Birthday party on Thursday evening Sept. 15th, was sponsored by Verdun-Rebekah Lodge, Georgetown Noble Grand Mrs. Joyce Barton welcomed the residents and then introduced the Barbershop singers also of Georgetown, who provided a most enjoyable evening of entertainment, under the direction of Mr. Dave Morgan. Mr. James Turnbull announced the numbers which were, Let Me Call You Sweetheart, I Want a Girl, Give My Regards to Broadway, Tell Me You Forgive Me, On a Sunday Morning, Wait Till the Sun Shines Nellie, Now the Day is Over, Down our Way, and Let's Get Together again.

The birthday residents were then called to the head table which was tastefully decorated with flowers and a lovely birthday cake. All received a card with money enclosed. The barbershoppers led in the singing of Happy Birthday following which the ladies served a lunch of sandwiches, relishes, assorted cookies, tarts and birthday cake.

The gentlemen showed they were adept at serving as well as singing by helping the ladies serve. In the latter part of the evening small groups circulated among the residents and serenaded individual tables.

It was a thoroughly enjoyable evening and Mrs. J. Hoare expressed the thanks of the residents to the Rebekahs and Barbershoppers.

Those who enjoyed September birthdays were Mrs. Sarah Brain, Mrs. M.E. Hoare, Mrs. M. Shaw, Mr. M.J. Campbell, Mrs. A.L. Thompson, Mrs. J.M. Tovell, Mrs. S.A. Hiscock, Mrs. M.M. Mannell, Mrs. J. Maso, Mr. J. Troup, Mrs. Charlotte MacPherson, Mr. Wm. Dewberry, Mrs. S. Halliwell, Mrs. E. Dickenson, Miss Lillian Belcher, Miss N. Steadman, Mrs. E. Bibby, Mrs. A. Boss, Mrs. Hin-

Wants Teachers to Stress Canadian History, Politics

Dr. Harry Harley, MP for Halifax, today called on all teachers to play a larger role in bringing Canadian history and politics to the attention of their classes.

He was speaking to the women and men Teachers Federation of Oakville at their annual dinner meeting at St. Paul's United Church in Oakville.

Dr. Harley told the group, "We feel at times we're losing the fight to bring a realism and appreciation of our Canadian way of life to our youngsters." He pointed out perhaps we take Canada for granted because we've never been under threat of losing our country despite the number of wars that Canadians have fought.

He told the group our youngsters should be told about the tremendous contribution Canada has made and emphasized the role we have played at Suez, Gaza Strip, Korea, Pakistan, Cyprus, and the Congo.

Dr. Harley urged the teachers to call for help from their

lected representatives and have them appear personally before the students and explain the functions of Government on the Municipal, Provincial, and federal levels.

He told the teachers that youngsters today are generally speaking, "far more idealistic than their adult parents" and Canada should take advantage of this by encouraging these students to serve in far-reaching corners of the world.

Dr. Harley conceded to the teachers that Canada has problems, but he said, "only by instilling in our students a thorough knowledge and understanding of Canada and its problems we face internally can we overcome them."

Dr. Harley concluded by saying, "Let's use our 100th birthday to sell Canada, to others of course, but perhaps mainly to ourselves and to our children! Let's have full knowledge and understanding of Canada, and you teachers, as leaders of our community and of our children, must lead the way!"

McClure Now in Forestry Rural Development Branch

Appointment of Dr. George K. McClure, of Kingston, Ont., as economist responsible for programs of the Fund for Rural Economic Development (FRED) in the Rural Development Branch of the Department of Forestry, is announced by the Civil Service Commission.

Native of Georgetown, Mr. McClure is a graduate of the Royal Military College, the School of Business Administration of the University of Western Ontario, and the University of California, Berkeley with a PhD degree in Economics.

During 1961 and 1962 he was employed as a research economist with the Institute of Engineering Research, University of California. In 1963 and 1964, Mr. McClure served as an economist with the Oahu Transportation Study, a joint federal-state project in Honolulu.

Lunch was served by the hostess, Mrs. Don Wingrove, assisted by Mrs. Ed Hall, Mrs. Ernest Forgrave, Mrs. Charles Renwick and Mrs. Claude Kestner and Mrs. Hunter expressed thanks to Mrs. Wingrove for the hospitality of her home.

ORANGEVILLE GETS LETTER CARRIERS

Announcement from Ottawa is that letter carrier delivery service will be provided in Orangeville by the Post Office Department, as soon as 80 per cent of the houses have been suitably equipped for the receipt of mail.

Introducing BUICK '67... the tuned car

Buick presents the '67 version of the tuned car. New styling, new power, new overall performance... logical steps in the evolution of a great engineering concept. "Tuned car" means more than pure mechanical performance. It means the whole car. Styling, performance, ride and handling. All in perfect harmony.

There's a Buick exactly in tune with you—Riviera, Electra 225, Wildcat, LeSabre, Skylark and Special Deluxe. Choose one at your Buick dealer's.

Here are a few of the many standard safety features incorporated in all '67 Buicks: dual master cylinder brake system with warning light; energy absorbing steering wheel; GM-developed energy absorbing steering column; passenger-guard door locks—all doors; four-way hazard warning flasher; soft low profile window control knobs.
