If Ron and Cori Hunt were not both active in Georgetown dramatic organizations we never would have made a "boner" in the Social & Personal column last week. Getting information about visitors and a christening from Mrs. Gordon Hunt, 28 Hals Drive, the editor transposed the item to the Ron Hunts, 5 Elizabeth St. To keep the record straight, here is how the item should have read: Mr. and Mrs. Percy Hunt of Newton Abbott, Devonshire, are here from England for a visit with son Gord and his wife, 23 Hale Dr. A special reason for their visit was to attend the christening of their grandson David, which took place in St. George's Anglican Church a week ago Sunday. They accompanied the family on a holiday trip to Huntsville and Algonquin Park last week.

## Thanks To TV Store Electronics Students Can Now "Operate"

The Georgetown District High School electronics classes now have two used television sets on which students may practice thanks to the generosity of a Georgetown television retailer. G/S Television in the Georgetown Market Centre donated the sets which they had accepted from customers as trade ins. The same business also donated a radio serial and installation. The serial, to be utilized by a student ham radio club within the school, will be strung between 35 ft. high towers on the school's roof.

## Park Condition "Disgraceful" After Fair

The Fall Fair Board will be billed for the cleaning up of the park following the Fair. Cr. W. Smith told council the town workmen had already worked twenty-five hours cleaning it and still weren't finished. They get all kinds of complaints on running the Fair, they should also get the bill for cleaning it," he contended. Many comments about the disgraceful condition in which it was left were made by residents in the area, said Cr. Smith.

Council agreed to the billing, with amount being compiled by the Town foreman.
