NOT DIRECT QUOTE

A story in the October 6 issue of The Herald regarding the new all-electric Centennial Public School may have created... an erronious impression in its

second paragraph. The story stated that electric heating cuts down on maintenance costs and the school does not require a caretaker with stationary engineering experience. This was a quotation of cupboard, 3 old country chests, the writer, G. W. MacIntosh, cast iron Franklin box stove, Public Relations Officer for Onoak buffet, Simmons steel bed, tario Hydro, and not of the
