Acton Emulates Georgetown Now Has Loitering By-Law

Georgetown's loitering by-law has found favour with another town. Since it came into effect two months ago the by-law has been examined with interest by communities throughout Ontario and adopted by some.

Last week, Acton council gave two readings to a loitering by-law similar to the one in force here.

The by-law has been under consideration by Acton council for the past few weeks and a copy of the Georgetown by-law was procured and studied by a council committee which includes the police committee.

According to terms in the proposed by-law, anyone loitering or standing on a public street or highway or in any public place, can be fined not less than \$10 and not more than \$300 exclusive of costs.

Cr. Bill Williams stated the by-law "is a must" as he told members he had observed the downtown streets during the past few weekends and noticed women had been forced off the sidewalk by people loitering and been subjected to abusive language.

If the third reading is approved, police will be asked to enforce the by-law. It is expected a person contravening the by-law will be asked to move on by police first and in the event this is not done, charges will be laid.

NORVAL

Stagecoaches, Gypsies In Norval's Pages Of History

Norval Women's Institute met at the home of the president, Mrs. Donald Murray, on Thursday evening October 6th. The meeting opened with the Institute Ode, the Mary Stewart Collect and the Lord's Prayer. The roll call was answered with "an interesting twig on your family tree." The minutes were read by Mrs. E. McLean followed by the business. The committee appointed to be in charge of the afternoon tea at the Arts and Crafts display at the Riviera on Saturday, October 15th were Mrs. L. Cleave, Mrs. W. Graham, Mrs. H. Collins and Mrs. G. Chester. The committee appointed to look after catering to a wedding on November 12th were Mrs. H. Collins, Mrs. L. Cleave and Mrs. E. Burk.

Mrs. L. May, Historical Research co-ordinator, gave current events followed by an interesting paper reminiscing about what things were like 100 years ago, 50 years ago, and the jet age we now live in.

She told how the town line had been a plank road and the stage coach running from Toronto to Guelph travelled over it about three times a week, about large revival meetings that were held in huge tents once a year on the farm now owned by Mitch Hunter, about the paring bees to pare apples in the fall, the threshing and barn raisings when the whole family would turn out to help a neighbour; These would be a real social event as well as a working bee, the oyster suppers that all enjoyed so much, and about the gypsies that used to roam the countryside frightening everyone a little. They used to steal all they could and it was said that they would even steal your children and carry them off to make gypsies out of them. Now in our modern times with all our machinery, electric conveniences in the home and rockets to the moon, we are so busy there is no time to relax and enjoy life as our ancestors did. Mrs. May brought back many fond memories of the past and helped us to take

stock of where our busy lives are leading us.

The meeting was closed with singing "The Queen" followed by lunch served by the hostess assisted by Mrs. Joe Murray and Mrs. Harold Gollop.

Latimer First President Halton East Conservatives

Georgetown lawyer Douglas Latimer was elected first president of a new political association formed Wednesday night the Halton East Progressive Conservative Association. The association has come about due to the redistribution of the ridings in the province.

Halton riding was split into west and east. Halton east consists of Georgetown, Milton, Oakville and part of Esqueving Township.

The other officers are; first vice president, W.S. Thomson, second vice president Mrs. Frances Ritchie; secretary Allen J. Nichols and treasurer J. H.H. Depew.

The new association will also cover the new federal riding which takes in Oakville, Milton, Georgetown, Esqueving, Erin Township and Acton.

Because of the splitting of Halton riding, the Halton east association will have to find a provincial candidate. George Kerr MPP for the present riding of Halton has indicated he

DOUGLAS LATIMER

will run as the Tory candidate for Halton West Association, which was formed three weeks ago.

Redistribution came about following a Royal Commission by the Provincial government. Premier John Roberts said he felt the present setup of ridings was unevenly balanced population-wise.

The Wednesday night gathering was at the Legion Hall in Oakville.

Appreciates Facilities At New Community Centre Here

Dear Sir,
As president of Globe Productions, I would like you and your readers to know how much we appreciate the facilities at Georgetown's newly acquired community centre, Cedarvale School.

Our company have been using it weekly as a rehearsal hall for our Christmas pantomime "Babes in the Woods", and for the first time are in a comfortable, warm and convenient spot.

Writing this letter to the paper, rather than to the Centennial Board responsible for its operation, is simply to let the ratepayers whose money is paying for the project, know that it is appreciated by our group, and I'm sure by many other groups who use it nightly.

The fact that it is so frequently used shows that Cedarvale filled a need in the community.

Yours truly,
Ralph Ursei

STILL CONFUSION SCHOOL BUS LAW

There is still confusion in the minds of some motorists regarding the new law concerning stopping for school buses. The only change from the old law is that approaching vehicles must now stop too when a school bus is stopped with red lights flashing.
