

On Christmas Decorating Mrs. Pearce Gives Tips

The October meeting of the Kinette Club of Georgetown was held at the home of Mrs. Gail Collett on October thirtieth. Joining the ten Kinettes present, as guests, were Lena Burns Joyce Mahaffy and Jean Puckering.

After a buffet dinner the group was shown a floral and Christmas decoration demonstration by Mrs. E. Pearce of Rosedale Floral. The arrangements were drawn for and the winners were: Joan Ditchfield, Karen Harrison, Marilyn Sunnucks and Jackie Kent. President Mrs. Marilyn Sunnucks thanked Mrs. Pearce for the flowers and her interesting demonstration.

Rosine Levy reported that the Fall Bake Sale was a big success and thanked everyone for their help. The winner of the quilt donated by the Helping Hands Club was Lorne Hunter of Dufferin Street. It was decided to donate the complete proceeds from the Fall Fair to the Kinsmen Senior Citizens Project.

Three Kinettes will be attending the Fall Council in Niagara Falls the last week-end of October. They are Marilyn Sunnucks, Rosine Levy and Jean Murphy. The theme for this year is "Niagara A-Go-Go."

Used toys for Christmas Welfare will be collected at the home of Marilyn Sunnucks and Trudy Lavoie.

A Halloween Party for Kinsmen and friends will be held at the home of Kinsmen Tom Kent on October 22nd.

Kinette Mona Milne who is looking after the children's Christmas Party announced that it will be on Sunday, December 18th, at Cedarvale.

Junior Rebels Break Into Scoring Column

Georgetown high school's baby Rebels broke the score barrier Friday, they scored a touchdown, and looked impressive while doing it even though they lost the ball game to John F. Ross of Guelph by a 36 to 6 count. The junior football tilt was one of two CWOSSA District 10 games at the Guelph school Friday.

The Georgetown Juniors' touchdown was their first of the bleak season. The major score on an off-tackle play from the John F. Ross four yard line was chalked up by Ramsay Hay eliminating a series of well engineered first downs. An infraction washed out the convert attempt.

Georgetown Juniors showed a much improved offense. Sean Bilborrow completed several long passes to Bob Findley and Keith Bottomley, while Dave Clark showed some adept ball handling in running pitches and roll-out passes.

During the first part of the game, the Georgetown defense was ineffective up the middle, but after adjustments were made, they held quite well. Performing notably well for the Junior defensive squad were Hugh Williams, Dale Walker, Keith Bottomley and several others. The Junior defensive squad as a whole, in fact has played quite well in spite of their lack of experience.

The offensive team achieved more first downs in this game than in all the others put together. Hugh Williams who also played a strong offensive game was injured in the last quarter. Also playing well offensively were half back Brian Williams, the ends already mentioned and flanker Jim Henderson who ran a pitch-out around the left end for a long first down. The coaches are well pleased with the progress the whole team is making.

Check Church School Attendance, East End

A survey of the east end of Georgetown will be conducted by the Christian and Missionary Alliance on Saturday, October 22. Young people from Rexdale and Oshawa churches of the Alliance will assist.

The purpose of the survey will be to determine the number of boys and girls not attending Sunday School on a regular basis. Sinclair Ave. eastward is the centre of the canvass. The Christian and Missionary Alliance plans to erect a church in this area. At present Sunday School is being held in the Cedarvale Community Centre, at 10:00 each week.

Firemen Soon Smother Blazing Sawdust Fire

Three fires, one in a small barn, one in a car and another in a sawdust bin, spurred Georgetown firefighters into action this week. The most recent was the sawdust blaze yesterday morning at the Sayers Lumber Products plant on Armstrong Ave. Firemen had the threat quelled minutes after the siren sounded the alarm at 8 a.m.

A blazing barn greeted firefighters when they rushed to a farm opposite the Upper Canada College property north of Norval Saturday afternoon. Though it was outside their territory the Georgetown firemen stood in the rain and battled the raging flames until Ching-ucousy firemen arrived. Only part of the structure was left standing.

A car fire at the corner of Byron St. and Windsor Rd. was the reason for Friday night's alarm. The driver smothered the flames engulfed the motor car and fled. A 1961 Buick with blankets before the fire truck arrived.

CLOSEST THING TO INSTANT EXPERIENCE

INSTANT EXPERIENCE, the kind where you just add water and stir, hasn't been invented yet, but a close thing to it is the Georgetown Hockey School operating at the Memorial Arena. Years of hockey experience accumulated by the school's instructors is being passed on to the eager students in the form of lessons. Here Gerry Inglis, former intermediate player and current coach of Jr. Raiders helps Allan Lawr (left) and Andy Long-improve their face-offs.

BALLINAFAD

While the church is being redecorated services are being held in the community centre. On Sunday evening the UCW

held a fall thankoffering meeting and in the absence of the president Mrs. A. Lawr, the service was conducted by the vice-president, Mrs. I. Jamieson. The worship was taken by Mrs. N. Sinclair. The guest speakers for the evening were Mr. and Mrs. Flunkett of Weston, who showed coloured slides which they had taken on a trip to the Holy Land last summer. They were very interesting and everyone enjoyed a social hour at the close of the meeting.

At the second meeting of the 4-H Club in the community hall on Saturday, the girls chose a name for their group, Ballinafad Blue Bonnets. They modelled clothes and accessories for school, church and evening wear.
