**Printmakers Exhibit Is
Feature At House Sol**

The last exhibition before Christmas at Gallery House Sol, 45 Charles St., Georgetown features two members of "Printer's 14".

One is John Mueller, who was born in Kitchener in 1935. He studied at the Doon School of Fine Arts and at the Central Technical School in Toronto.

He started to exhibit in 1964 and had a show at House Sol in

1965. For the last two years he was a teacher at the Doon School of Fine Arts. During the last year he worked on Lincolnton cuts with a strong Canadian flavour. The subject is Homer Watson's home in Doon, an old General Store in New Dundee, landscapes around Doon and so on. He combined these points in a book which he published in an edition of fifty.

These prints will be exhibited at House Sol from October 29th to November 18th, 1966 together with new etchings by Dace Birkhams. Dace Birkhams was born in Riga, Latvia. She studied at the Ontario College of Art in Toronto, and is a member of Society of Canadian Painter-Etchers and Engravers, besides being a member of "Printer's 14".

She will also exhibit a series of charming water colours of flowers in this show.

Midgets Stay On Centennial Trail; Dump Brantford 5-3

Georgetown Midgets defeated Brantford Midgets 5-3 in a Centennial Hockey Tournament game played in Georgetown Memorial Arena Tuesday night. The tournament is being staged to find a Canadian Midget champion team for Canada's Centennial. Winners of district round robin series will meet in the tourney in the spring.

Brantford opened a 2-0 lead before the game was two and a half minutes old, Simpell and Sweet the marksmen, but Georgetown finished the period on even terms on the strength of goals by Nash and Kemshead.

Nash and Moody punched in second period goals as Georgetown took control, and each club scored in the last minute of the game, Bay popping Georgetown's score, and Sweet notching his second of the night.
