

Two Joining Provincial Quarter Century Club

BILL McCLEMENTS

JIMMY VALENTINE

Finishing room tableman C. R. (Jimmy) Valentine, and colour man W. (Bill) McClements will become members of the Provincial Quarter Century Club at the club's annual dinner Friday, December 2.

Their enrolment will bring to 37 the number of Active Quarter Century Club members there. There are also 21 associate members.

Employees must have 25 years of service at the mill to qualify.

NORVAL

Street Signs, House Numbers Are Norval Cubs 'Good Turn'

Have you seen the street signs in Norval yet? They are painted a brown back ground and yellow lettering, the Norval Cub colours, as this was a Cub project this fall with the signs going up on Thursday evening, November 10th. This was the Cub's Community Good Turn. The details of the project have been forwarded to Provincial Headquarters and the Pack will receive merit for the completed job. The street signs will assist delivery men in locating homes and make it easier for residents to give directions.

For our Centennial year the Cubs are planning to add to this project by numbering the houses on the streets making it even easier to locate the homes.

The Cubs and their leaders deserve credit from the village folk for this project. It is an excellent Community Good Turn and at the same time has taught these boys the amount of work that goes into making and putting up these signs. They will feel pride in seeing them there and will think of their share in the project in place of thoughtlessly knocking them down or breaking them.

The lessons learned by the Cubs during the street sign project brings to mind boys who failed to learn about respect for other people's property. On Halloween night some older boys sprayed silver and pale green paint on the lovely old iron fence of the Presbyterian Church making all who see it a little ashamed this could happen in our village. They also sprayed some on the fence of Mr. and Mrs. M. Weir inside of a car parked at the Hollywood House. Police have been investigating the incident.

If these boys had been taught the respect of property when they were Cub age they would not have acted in this

YMCA-YWCA Bulletin The Ball is Rolling

Co-Ed — a steering group is meeting each Sunday, 8-10 p.m. in the apartment suite at Centennial Park to organize a January session for single men and women 18 to 40. This executive still needs some workers.

Gym — both boys' and girls' classes are in full swing and being thoroughly enjoyed by large numbers of the younger set.

Handicapped Club — is meeting the first Tuesday of each month at Centennial Park. At the November 1st meeting members played cards and discussed plans for a Christmas party.

Judo — This club, with its membership of 78 Juniors, 6 senior men and 2 women, has a new seint (instructor) Mr. Jim Cooper, black belt, newly arrived from England. Monthly grading is planned.

Naturalist Club — a regular meeting is held the 3rd Tuesday of each month and an outing planned for the 4th Sunday. The members of this club are interested in all aspects of nature so the talks and trips will be varied.

Gra-Y — Under the enthusiastic leadership of Andy Blain and Court Saunders, 11 boys meet each Thursday in St. Paul's. The boys have been swimming twice already and bowling once. In-club meetings are spent

thoughtless manner on Halloween.

A record number of "trick or treat" children were out this past Halloween night with most homes stelling out to well over 100 costumed youngsters. The little ones were well-mannered and polite with only one thing on their minds, receiving their treat. With a "thank you" they were off to the next house.

The older ones however, as usual, have the trick part mostly on their minds and it does not matter to a few of them whether a resident has shelled out to swarms of youngsters all evening or not they could still fall prey to one of their property destroying pranks. It only takes a few thoughtless ones to spoil the evening for all. On discovery of the paint episode the police ordered all youngsters off the streets and home thus ending the fun for all. Parents should teach their children to respect other people's property at all times with Church property and public buildings especially out of bounds for pranks.

A meeting of the Local Association for Norval Scouts and Cubs was held at the home of Mrs. Ed Burk on Monday evening with 19 mothers attending. During the business a report of the Rummage and Bake sale was given.

The new slate of officers are President, Mrs. Ed Burk; vice president, Mrs. Monica Gallant; secretary, Mrs. S. Fishburn; treasurer, Mrs. Jenkins; sewing convener, Mrs. Duncliffe.

Congratulations to Norma Murray and Robert Tripp who were married in Norval United Church on Saturday, November 12th. Norval Women's Institute catered at the reception that followed the wedding in Esqueving Community Hall, Stewarttown.

BELL LINES

by Arnold Blachford
your telephone manager

Christmas shopping lists beginning to get you down? Sometimes it is difficult to know just what would be most appreciated by members of the family and special friends. Something that is exciting to receive but still practical and useful. I've a suggestion that might help you fill the blank spaces, beside a couple of special names on your list. An extension telephone. Your Christmas-morning surprise will be a year-long reminder of your thoughtfulness. It won't be tucked in a drawer, pretty but useless. Instead, all year long it will save time and steps and its ring will bring a thought of Christmas cheer on the hottest August day. If this idea helps solve a shopping problem, give our Service Representative a call at 877-2292. We'll Christmas-wrap and deliver the telephone of your choice, and arrange to return and connect it later when most convenient.

Just a reminder to anyone planning to make overseas calls during the busy holiday periods of December 24 - 26 and December 31 to January 2. Advance reservations for such calls will be taken starting Monday, November 28th, from 9:00 a.m. To reserve a call, just ask your Long Distance Operator to connect you with the Overseas Operator for the country that you wish to call. The Overseas Operator can then arrange all the details of the call with you. If at all possible, it's a good idea to make the calls before or after two peak calling periods. That way no reservations are necessary and your call should go through quickly and easily.

"TELEPHONE OPERATORS ARE NOT PERMITTED TO REPORT AT THIS BUILDING AT ANY HOUR OF DAY OR NIGHT IN BICYCLE COSTUME"

Believe it or not, that's a quotation from a telephone company bulletin dated 1896. And that same year, a woman's fashion magazine said: "Let women's business attire be black, brown, or grey serge. Black is preferred on account of the unwritten law governing the style of dress by many self-supporting women." How the styles have changed in almost three-quarters of a century, and personally I think our telephone girls today look pretty attractive in their bright, gay colors. But Operators' clothes aren't the only things that have changed around the telephone company during the last 71 years. There is no shouting now when talking Long Distance. It's just like speaking to someone across a desk; it's possible to dial cross-continent calls in seconds for a fraction of the cost of 71 years ago. In fact, our Operators today preside over boards keyed to a communications network unimagined 71 years ago. All those years of research and development have made your telephone the most modern, trouble-free, reasonably-priced phone in the whole world.

Midgets Manage Only Point In Centennial Hockey Tilts

Georgetown Midgets registered a loss and a tie in Centennial Tournament round robin games against Guelph and Brampton this past week.

In Brampton, Sunday afternoon, Georgetown and Brampton played to a 3-3 tie. Georgetown's Martin Fowler opened the scoring in the first period for Georgetown. Then in the second period, Georgetown went ahead 2-0. Bob Monckton scoring assisted by Doug Wiles. Brampton's Busha made it 2-1 before the period ended.

Gerry Nash from Martin Fowler was Georgetown's third period combination. Wright struck twice to salvage a tie for his club.

In Guelph Wednesday night Nov. 9, Georgetown Midgets failed to get on the score sheet until the 5:30 mark of the second period when Martin Fowler scored from Dwayne Hay. Earlier, Guelph had opened a two goal lead, Drew Black and Rick Mallinaro doing the damage.

Guelph widened it to 4-1 in the third period on Martin Molinaro and Tom Gillano's goals. But Georgetown fought back in the last five minutes with their second and third goals.

Social and Personal

Mr. and Mrs. Donald Adams and Lisa, RR 2, Welland, visited Tuesday with Mrs. Adams' mother, Mrs. Deas Harley, 15 John St. W.

Deborah Anne Glass, five month old daughter of Mr. and Mrs. Ron Glass, Oakville, was baptized Sunday, November 13 at three p.m. in St. Cathbert's Anglican Church. Rev. J.H.H. Ryan, the rector, officiated. Those present were Mr. and Mrs. William Glass, Brampton and Mr. and Mrs. Sam Fenwick, Georgetown, grandparents of Deborah; and Doug Fenwick, Georgetown, Mrs. Mary Kirby, Malton and Mr. and Mrs. Eric Jones and daughter, Margie Oakville. Following the christening Mr. and Mrs. Glass entertained at their home on Cassance Drive, Oakville.
