Raise Service Funds Sell Christmas Trees

In keeping with a tradition established several years ago Georgetown Kinsmen will operate a Christmas tree lot at

the Delrex Market Centre again this year to raise funds for their service account. Kin Don Redden will chair the tree project, which has been an annual success. Kinsmen have ordered 800 trees and expect their first shipment Saturday, Dec. 3. The club is departing from their practice of the past few years when they did their own cutting and hauling in favour of this service being provided by the tree farm.
