Says Immigration Policy Slanted To Europeans

Dr. Harry Harley MP for Halton, said that the government's White Paper on Immigration results in certain countries having advantages over others.

In his weekly report on Parliament, Dr. Harley said: "An example is the restricted ability of people in Canada to sponsor certain relatives in Asian countries as compared to the position of those sponsors who wish to bring in relatives from European countries."

Immigration Offices

He said another example in practice is the provision of relatively few immigration offices in countries other than Europe.

Dr. Harley said this resulted in greater handicaps to immigration borne by those who could qualify but who have to wait for lengthy periods to be interviewed and accepted.

But Dr. Harley said that the White Paper establishes a new balance between the claims of family relationships and the economic interests of Canadians as a whole; and that it is expansionist.

Immigrants Needed

Dr. Harley said: "The white Paper re-states Canada's need for immigrants. Our experience of the last four years, when the numbers of immigrants arriving steadily from 70,000 to 200,000 indicates the size of the need of our capacity to provide a wide assortment of employment opportunities.

Fair Board Gives Life Membership Merit Certificates to Four Directors

A past president and director of Esquesing Agricultural Society for over twenty years, Harding Price was honoured at the 21st annual dinner Saturday, Nov. 26, in Knox Church Hall with a life membership in the society.

Mr. Price was taken completely by surprise when Frank Wilson called him to the front and made the presentation. He was also the recipient of a travelling set of initialled military brushes in appreciation of the service he has rendered to Georgetown Fair board.

In thanking the board members for their gifts Mr. Price said he had enjoyed his association with the society, that it was a worthwhile community effort, and hoped that more of the younger people in the district would volunteer their service so that Georgetown Fair would continue in the future to be a vital part of community life.

Mrs. George Ironside then had the pleasant duty of presenting Certificates of Merit to four directors who also have rendered outstanding service over the years. Mr. and Mrs. James Fisher and Mr. and Mrs. Frank Wilson were the recipients. These certificates are made available by the Ontario Dept. of Agriculture for meritorious work in the field of agriculture.

One hundred directors and their guests sat down to the turkey dinner catered to by the Ladies' Auxiliary of Knox Church. President Ken Ellis chaired the evening's activities which included a talk by the guest speaker John T. Armstrong, vocal solos by Miss Joan Beaty, accompanied by Kenneth R. Harrison on the piano, accordion solos by Bruce Gregg, and slides on a South American trip by Miss Jean Ruddell.

Garfield McGilvray introduced Mr. Armstrong, who took as his theme that of a missionary and wove his subject in a very interesting way to show how all can be missionaries for their home town in so many different ways. His talk was interspersed with humour and logic and thoroughly enjoyed by all. Keith Webb expressed the thanks of the directors to Mr. Armstrong and Mrs. Ellis presented Mrs. Armstrong with a bouquet of flowers.

Mayor Joseph Gibbons brought greetings from the town council, Deputy Reeve Wilfrid Leslie spoke for Esquesing Council, and Miss Brain brought best wishes from the Acton Fair Board.

Robert Cunningham thanked the talent for supplying such a fine evening, and Mrs. Keith Webb presented Miss Ruddell with the flowers from the head table.

The committee in charge of the dinner included Mr. and Mrs. Albert Hunter, Mr. and Mrs. Garfield McGilvray, the president of the men's and ladies' sections and the secretary. Webb's Greenhouses supplied flowers for the tables and corsages for the ladies.

Those present at the dinner were: Mr. and Mrs. Ken Ellis and Valerie, Mr. and Mrs. William Graham, Mr. and Mrs. R. J. MacArthur, Mr. and Mrs. Albert Hunter, Mr. and Mrs. Guy Bussell, Mr. and Mrs. Wilbert Cleave, Mr. and Mrs. Thomas Leslie, Mr. and Mrs. Robert McMaster, Mr. and Mrs. Delmar French, Mr. and Mrs. Jack Hunter, Mr. and Mrs. Don Lindsay, Mr. and Mrs. Charles Fogal, Mr. and Mrs. George Ironside, Mr. and Mrs. Keith Webb, Mr. and Mrs. Jack Armstrong, Mr. and Mrs. Walter Pope, Mr. and Mrs. Garfield McGilvray, Mr. and Mrs. P. next time you blow a fuse remember these facts before you blow your top
1 When a fuse blows it is a signal that you have overloaded part of your electrical system . . . a circuit.
2 If your home's electrical system is not adequate to serve all your needs you'll notice other symptoms: Lights may dim from time to time; your toaster will take longer to toast, and appliances with motors may appear sluggish.
3 If your home is more than 10 years old, the chances are your electrical system requires updating to take care of today's requirements. There are now more than twice the number of appliances used in the home than ten years ago.
SOLUTION
It is not necessary to put up with the inconvenience caused by an out-dated electrical system.
Have your household wiring examined soon. See how easily your home can be modernized electrically.
BENEFITS
1 You can use as many appliances as you wish at the same time . . . without giving fuses a second thought.
2 You can add any number of new time-saving appliances to your home.
3 Your appliances will operate more efficiently and with less strain on motors.
4 You can enjoy the convenience of having all the electrical outlets you desire. You will avoid the inconvenience of unsightly extension cords and the attendant risk of overloading the outlet.
5 Additional comforts such as electric heating and air-conditioning can be easily accommodated.
6 Modernizing your wiring system will make an important difference to the safety and resale value of your home.
Re-wiring can be handled with little disturbance to your home and at a cost far less than you may think. Contact a qualified electrical contractor, soon. Or call your Hydro.
