The most exciting finish to any hockey game happened in the game between London and Hamilton. Mark Rush scored the third goal for London on a penalty shot with 30 seconds to go in the game to give London a 3-2 victory.

At the coaches and managers meeting last Saturday a couple of major changes were made. All Montreal players will be assigned to a new team next week. Due to player shortages on most teams, the dividing up of the bottom team will enable all players in the Junior A to play hockey every Sat. Note that Montreal players will play this Saturday at their regular scheduled time.

The regular schedule will be extended and playoffs shortened — thereby enabling all players of Junior A to play hockey longer.

The coaches are under instructions from the Commissioner, to remove all player's names from their team, who continue to be absent. These boys will have to re-register next year if they decide to play.

The coach and manager for the Junior A Four Town Tournament All Star team, Tom Connelly and Chuck Tyler of Kitchener Rangers. All players should put their best effort forth at all times as the eyes of the all-star coaches may be on you.

TANNERS TROUNCED

Hespeler Mic Macs skated to a 7-1 victory over the Acton Tanners in a Western OHA Intermediate B game in Hespeler on Sunday.

Lloyd Mercer and Doug Heipel scored two goals each to lead the Hespeler attack. Brian Kitzman, Norm Love and Brian Weber scored other Hespeler goals. Blake Inglis scored for Acton.

Tanners are idle until Friday night when they host the Ferguson Flyers in an 8:30 game.
