

# Montreal Juniors Broken Up Scattered Over Other Clubs

Saturday, Dec. 19th  
**MONTRÉAL** was broken up and scattered over other clubs in the Georgetown League NHL Saturday. The scoring talent is getting at the goalies but you can be sure the defense will tighten up now. Good luck, boys. There has been a good turnout of parents' and help, our thanks.

**1st Game**  
 Montreal 3 - Hamilton 1  
 Goals for Montreal: Ken Kennedy and C. Johnson assisted by S. Lorrain to down Chicago 4 to 3.  
 P. Barfoot, E. Perkins and C. Johnson scored for the Hawks with assists by D. Denmore, M. McLaughlin, W. Stansel and B. Reilly.

**2nd Game**  
 Montreal 4 - Philadelphia 4 to 2. M. Phillips scored two goals, B. Johnson and P. Neill one each with one assist by D. Dumpehouse. Scoring for the losers were R. MacDonald and D. Irons, the assists by Bruce Hall, B. Seeler and M. Burke.

**3rd Game**  
 Steve Storey's hat trick and two goals each by B. Brown and B. Barrett followed by one each from J. Ross and E. Maher with assists by P. Scott, A. Orlandi, B. Jones, W. Schmidt, B. Barrett and two from S. Storey blasted Boston 9 to 1.

Gary George scored the lone goal for the Bruins who fought back very gamely.

**4th Game**  
 Los Angeles got goals from D. Jennings (2), and 1 by Belonger; assists, two from C. Fendley and 1 each from G. Dicks and F. Fendley but were outscored 4 to 3 by St. Louis.

Scoring for the winners were D. Corbett, J. Wilcox, and two by A. King with K. Sproule, S. Kirkman, B. Snowbridge and J. King assisting.

**AMERICAN LEAGUE**  
 There are two corrections on last week's report: Kenny Hancock got two goals instead of 1. Donald Patterson got 1 goal and 1 assist, not Robbie Ryder as reported.

All the games were close Saturday with only one goal separating the teams in each game excepting Springfield and Cleveland.

Springfield smarting from a previous defeat came out for revenge beating Cleveland by a score of 9-0.

Penalties in the first and second games resulted in goals for the opposing team. So boys, watch your playing tactics, and stay out of the ice.

Quebec over Rochester 2-1  
 Springfield over Cleveland 9-0  
 Hershey over Buffalo 1-0  
 Baltimore over Pittsburgh 3-2

Ed Harris was an outstanding player in the morning's game with Don Staddon also showing up well.

Don Knight, Doug Vivian and Ian Godling will be in charge of the American League four-town tournament team, so play your best boys and make this one of the best teams to be entered in four town contest this year.

**JUNIOR A LEAGUE**  
 In the first game of Junior A league last Saturday, Kitchener edged St. Catharines 2-1 in a very exciting game. Ken Sovran and Jeff Ingdis were the marksmen for Kitchener. Randy Harlow was the lone scorer for St. Catharines. Oshawa outplayed Peterborough to win 4-1. Robert Freestone figured in every Oshawa goal, picking up 1 goal and 2 assists. Doug Harlow, Neil Connelly, and David King scored the others. Douglas Thompson scored for Peterborough.

Marine whipped Montreal 3-1 in the third game of the morning. Gregory Bodnar, Paul Riley and Bill Bradley were the scorers for Marlies. Robert Davidson picked up the lone goal for Montreal.

Mike Osborne scored twice to lead Hamilton to a 3-0 victory over Niagara. Mike Magdy picked up the other goal.

**NOTES:** Due to player shortages on some teams, the players from Montreal will report to new teams this Saturday. By eliminating one team this will enable each boy in Junior A to play hockey every Saturday, not sitting out once every eight weeks. The team that would normally sit out according to the schedule will play in Montreal's place.

Player changes are as follows:  
 - Doug Yehiro to Oshawa;  
 Peter Cox to Oshawa; Michael Cameron to Oshawa; Richard Mitchell to St. Catharines; Bob Smith to Niagara; Bill Magness to Niagara; Robert Davidson to Hamilton; Teddy Anderson to Hamilton; Gary Hyde to London; Glen Monaghan to Hamilton; Dale Richmond to Kitchener; Reisa Hayes to Kitchener; John Wright to Peterborough; Steven Kitchener to Peterborough.

# Hershey Coach is Sure Popiel Headed for NHL

Georgetown's Poul Popiel "will make it in the big league (NHL) to stay" according to his coach, Frank Mathers of the American League Hershey Bears.

In a story in a Buffalo daily newspaper under Charley Barton's byline, Mathers is quoted as saying, "He's done everything we've asked for, defensively, and he's our leading scorer among defencemen."

"Poul has four goals and fourteen assists, and the last time I looked he was among the leaders in penalty minutes, Mathers said.

When Poul Popiel was Paul Popiel he shared the rookie award in the Central Professional Hockey League with Gary Peters. Two years ago Popiel became Popiel and also a defenceman with the Buffalo Bisons of the American League.

Now the 23 year old defenceman is in his second season with the Hershey Bears, Paul has finally become Poul, and at last everything agrees with the birth certificate of the sport's only Danish-born player.

Injuries kept Popiel out of almost a third of the schedule when he was with Bisons. He moved up from St. Catharines Juniors as a defenceman, but was also used as a left wing.

Under Frank Mathers at Hershey, Popiel is employed strictly as a defenceman and the scholarly coach is more than pleased with his fine play. "Popiel looks like he should make it to the big league to stay. He never backs away from anybody, and he can do a lot of things well. We're very happy with him."

## Exhibition Tilts Show Hoopsters' Good Form

On Wednesday, December 7, the Boy's Basketball teams visited Central Peel Composite School at Brampton. For many of the juniors it was the first game they had ever played, but they came through with a fine effort to tie Central Peel 19-19. De Silva and Moravac were the highest scorers with 6 points and 4 points respectively.

The seniors played a strong first half, however Central Peel came back in the second half, and as a result, the final score was 39-38 in favour of Brampton. Peel Composite will be back in Georgetown on Tues. Dec. 20th, and the seniors are looking for a victory.
