WATCH IT THERE... Most children are fascinated by anything on wheels. Tractors are a particular favorite and when it's a dump truck, complete with a ramp and dumping stations, well, it's something special.

TREE LIGHTS

Decorating the tree need not be confusion. Straighten the strings of lights and remove all kinks, along the floor. Test the bulbs and replace bad ones. Then, if you are using more than one color bulb, they can be arranged alternately.

Starting at the top, string the lights around the tree. Place lights on the inside bows first. Disconnect light strings before hanging ornaments.

The Flight Into Egypt
MATTHEW 2:13-15

And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be there until I bring thee word: for Herod will seek the young child to destroy him. When he arose, he took the young child and his mother by night, and departed into Egypt; but it might be fulfilled which was spoken of the Lord by the prophet, saying, Out of Egypt I called my son.

PLANT HOLLY
Holly can be grown in any sunny spot. Although a slow growing tree, a Holly will produce ample Christmas trim in few years. Holly likes well-drained soils and should never be planted closer than 15 feet from a house.

KISSING RING
Kissing Rings are a delightful Christmas custom. These are subsidiary hoops covered with ribbons and spigged with holly and mistletoe. Ribbons are glued to or wound around the rings.

Merry Christmas
We hope your Christmas Holiday is filled with many joys.
