

## Parents Watch as Clubs Get Badges and Colours

Over one hundred and sixty Parents, Cubs, and Leaders met in St. John's United Church Hall on Dec. 28th for the Annual Parents' night.

The meeting opened with the Cub Master Mrs. Jean Layman calling the Cubs into the rock circle. At this time Mrs. Layman welcomed all of the parents.

Eleven new "Chums", Mike Hastings, Paul Thompson, Timmy Bludd, Stephen Tucho, Craig Laidler, Stephen Brunaki, Mike Buck, Christopher Dawson, Todd Beckett, Stephen Laidler and David Henderson were called into the circle. After taking the promise these boys were invested by the Akela, a stand-in for Chief Scout, then they were presented with the group colours and their badges. This being the first step in Cubbing these boys are now able to do the Grand Howl for the first time, which was led by Murray Wright.

The Lord's Prayer was led by A.C.M. David Shrubsole.

Several games followed led by A.C.M. Miss Judy Nash, Ranger Miss Margaret Goudy and Mr. Shrubsole.

The D.C.M. of Georgetown District Mrs. Darlene Barrager presented Brian Getty with a badge which Brian had designed. Last spring when the Georgetown District had planned a trip to Elora Gorge each boy of every pack in Georgetown District was asked to make a suitable design honoring this outing. This year being the 50th anniversary of cubbing, Brian's design with this theme was chosen.

The president of the Scout Ladies Auxiliary — Mrs. Gerald Getty spoke briefly to the parents. She also presented the Cub Leaders and Scout Master with gifts.

A film was shown by Mr. James Buck. This film included various outings the Cubs have been on, including the trip to Elora Gorge.

## C&M Alliance Hold Christmas Program At Cedarvale

The first annual Christmas program of the Christian and Missionary Alliance was held at the Cedarvale Community Centre last Sunday evening.

The upstairs lounge, with its nativity setting, was filled with parents and children as the program commenced. Carols were sung and the atmosphere was set for the Christmas story as it was portrayed by the children. The various departments of the Sunday School had a share in the program which included a pantomime, scripture reading, recitations, choir numbers and a solo.

Those present were reminded of the true significance of Christmas — the coming of our Lord Jesus Christ to this earth.

Five former cubs returned in Scout uniform to receive their Leaping Wolf Badges. They were Bruce Niven, Gerry Darcie, Douglas Getty, Ian Melior and Jim Goudy.

The Cubs gathered in the circle around the campfire and several songs were sung, led by David Shrubsole. The meeting closed with the Mouse Howl led by Teddy Darcie, followed by the Mirpah Benediction led by Miss Nash.

Refreshments were served by the Ladies Auxiliary.

you just threw the biggest party of the year. no one was too hot. no one was too cold. no one was stifled by cigarette smoke.

### want to know why?

Your modern gas furnace was serving you faithfully, balancing the heat and humidity, forcing a constant supply of fresh filtered air into every room of the house.

The evenness of automatic gas heating never gave the air a chance to get overheated from too many people, or clogged by cigarettes. Constant circulation never allowed the air to settle into a cold pocket.

And the filter in your gas heating system removed dust and pollen from your home. That makes cleaning up both before and after the party a lot easier... plus helping keep everyone comfortable.

So go ahead. Live it up... any way you want to. See your heating contractor, department store, or gas company.
