TO THE YOUNG MAN WHO CAN HANDLE RESPONSIBILITY

Somewhere in this District there are a number of young men who can go places with our company. YOU may be one of them.

If you are, you probably fit this description:

- You are 21 to 30 years of age.
- You may have had banking, credit, sales finance or loan company experience (although this is not essential).
- You have high school education or equivalent.
- You can drive a car.
- You like people and have a flair for dealing with them.

If you have these qualifications, you may be one of the capable young men we are looking for to fill important positions in our many branch offices.

These are challenging positions for young men who can handle responsibility. As time goes on, you will be asked to accept promotions to more important posts in an organization that has room for men who want to get ahead.
