

## Pennock - Saunders Wedding In St. George's Anglican

MR. & MRS. JOHN PENNOCK

Wearing an Alaine gown of white peau de soie with lace-trimmed chapel train, Linda Jane Saunders became the bride of John Michael Pennock in a ceremony in St. George's Anglican Church.

The bride wore a shoulder-length veil which fell from a cluster of seed pearls and crystals and her bouquet was of red roses and white mums encircling two white orchids.

The ceremony was performed by the Rev'd John McMullin. George DeKleer was organist and Helen Benton, Acton, sang "O Perfect Love and Wedding Prayer."

Mrs. Larry Brunton was her sister's matron of honour and bridesmaids were another sister Mrs. Ken Richardson, Brampton, the groom's sister Miss Diane Pennock, Guelph and Miss Carol Lawrence, Milton.

They wore cranberry peau de soie gowns with shoulder trains and carried bouquets of white mums and red roses.

The bride's twin brother Larry gave her in marriage. Vince Gratton, Guelph, was groomsmen and ushers were Christopher Ashbourn, Guelph, the bride's brother Jack Saunders and Larry Brunton.

At a reception in the parish hall, the bride's mother wore a dress of ice blue silk crepe with lace top and matching accessories. The groom's mother wore a grey wool suit with persian lamb collar, and black accessories. Both wore corsages of white orchids.

Guests attended the wedding from Toronto, Guelph, Acton, Orangeville, Fort Snodgrass, Stone...

## Hope Cribbage Players Reverse Sports Slump

By Ralph Hawes

It is hoped that all sports-minded members of the Branch have taken advantage of the forethought of the Branch Sports Chairman and have cut out and retained the sports schedule which he had published in this newspaper last week.

Speaking of Sports, 120 sports-wise appears to be in a slump similar to that of the Toronto Maple Leaf Hockey team. While we know the Branch has extremely good curling and bowling teams, they just seem unable to click.

Saturday, the bowling teams of the Branch had to bow to Port Credit at the local bowling alley where twelve teams from Georgetown, Brampton, Port Credit, Bronte and Milton bowled for Zone B7 Championship. Also at zone level, curling Sunday at Brampton, this time it was Brampton who retained the trophy while Erin was in the second and third spots. Georgetown was fourth and fifth.

This coming Saturday, Brampton Branch will be host to the Zone Branches. This time it will be cribbage. Branch 120 will be represented by four teams. Maybe the losing streak will be broken.

At the last executive meeting Comrade Dave Bowman was appointed Chairman of National Veterans Week for the Branch. This is a dominion wide project in which every Branch is expected to participate. The executive feel that David, with his vast experience of Legion, is the only man for the job. Dave will select his own committee. We understand he intends to include representation from our Ladies Auxiliary and from the Imperial Section. During this week, Branches throughout the nation will endeavor to project the profile of the Royal Canadian Legion to the public. We know that David and his committee will require an abundance of assistance from the membership, prior to and during this week, which will run from Sunday, June 11th through till Saturday, June 17th.

Those stalwart few who worked so hard back in 1928 to organize, from the Great War Association, a Branch of the Canadian Legion — Branch 120 — could never have foreseen a membership of over 450; yet here, 39 years later, our membership chairman has visions of even greater membership. Buster has set a target of 50 new members during this Centennial year. Comrade Hale, along with Co-Chairman Frank Bryant, reason that although this figure may seem high, in actual fact with the potential membership in Georgetown, it is a mere drop in a pool. The burden of bringing in new members is on each and every one of us as members. Buster also feels that the Branch Public Relations Officer can be a great help in this drive for new members. "Buster, we promise to do our best."

We understand the three teams along with their coaches and managers from the Legion sponsored Saturday morning hockey will travel by bus to Fergus to participate in the four town tournament. It is felt by both the Branch Executive and the Hockey Committee that this move is a very wise one for at least it will make sure that everyone concerned will arrive at the same time.

Fred Sargent, the newly appointed Entertainment Chairman of the Imperial Section, will run his first dance on Friday, February 17th which will be the annual St. Valentine's Dance.

Comrade George Calder has accepted the appointment as Sick Chairman for the Section. The Section has also formed a committee to take care of the two town parades which are to take place this year.

Two members will be missed around the rooms for a while. Don Wilkes who is a very active member is in the local hospital right now and Comrade Charles Day, another active member, had the misfortune to have an accident on Saturday and we understand he will be confined for a while.

Two hundred members have paid their 1967 dues this year which makes Wally feel happy.

## Warns Parents Toboggan Run is Dangerous Spot

In someone's home this evening lies a broken toboggan, run over by a car on the road at the foot of Russell's Hill. The children riding on the toboggan had the presence of mind to roll off in time. The driver of the car had no chance to stop before hitting the toboggan as she was driving on a sheet of ice on a hill. A mother of a little girl herself, the driver was still shaking and very much upset several hours after the near tragedy. It is indeed fortunate that a toboggan was the only casualty as according to being someone's child or children lying broken there in the snow.

A goodly number of village children have been enjoying this sport recently. They start the ride at the top of Jim Russell's lane, travel down the lane and out onto the road near the bottom of the hill just past Bertha Barnes' property, then on down the road past Dunc Robinson's. By the time they leave the lane, they are travelling at quite a good speed, especially on the icy surface of the road at the present time.

Drivers going around the turn from one street to the other, just where the toboggans hit the road, do not have a chance to stop in time when confronted with the situation. A generation ago, when this correspondent was tobogganing age, this particular spot was a favourite with the "dare devils" of our day. It was very seldom that a car would come around that way but occasionally one did which added a certain amount of daring to go tobogganing or sleigh riding there. Of course we didn't have the busy highway through the village then. It is a different story today. Many cars use this street now and it was with a real sense of alarm that I learned that children are tobogganing there.

Do parents know that their children are playing on this busy corner in defiance of the cars? Please let the broken toboggan be a warning and stop the children now from using the road as a toboggan run. This is more than dare-devil play now... it is an accident in the making.

The annual World Day of Prayer was held in Norval Presbyterian Church on Friday afternoon, February 10. Speaker for the afternoon was Mrs.

## LET'S PLAY BRIDGE

BY BILL COATS

The newest bridge club in the area got underway last week when George Solty's Milton Bridge Club had its first duplicate session. Several regular Milton players were in attendance as well as a few out-of-towners. Bill Barbour and Brian Hamilton, both of Milton, were the first winners.

We wish the new club lots of success and hope that it will stimulate duplicate bridge in the Milton area.

If you have never tried duplicate bridge before, why not drop out to one of the local clubs and give it a whirl. Newcomers are always welcome and your presence would be appreciated. There is no need to bring a partner, but you may bring your favorite partner if you wish.

Here is a list of the local clubs and their meeting places. Acton Bridge Club, every Monday at 31 Young St.; Erin Bridge Club, first third and fifth Thursday at the Legion Hall, Erin; Georgetown Bridge Club, every Tuesday at the Legion Hall in Georgetown; Milton Bridge Club, every Wednesday at the Legion Hall in Milton.

Game time at all these clubs is 8 p.m. sharp and play usually concludes about 11 p.m. Entry fees range from 50c to 75c per person. So for an enjoyable and social evening that's not too expensive, why not try duplicate bridge?

Here is a hand that occurred at that first duplicate game in Milton. R's Board No. 13 and both sides are vulnerable. The dealer was West.

A slight misunderstanding occurred between North and South. The contract could easily have been three no trump instead of four.

West led the five of clubs East covering dummy's 10 with the jack and declarer won with the queen. The diamond jack was led and ducked all around. A second diamond was led and West won. Too bad West did not continue his fine play to date.

He tried to find his partner's suit. West led the heart seven. West contributed the eight and declarer won with the jack.

South's last diamond was led to put West on play again. This time he led a spade. Declarer won with the 10, played the ace of spades to drop West's queen and continued with the jack to drive out the king. This made dummy's seven of spades the high-spade and an entry to all those diamond tricks over there.

West made a common mistake of leading a different suit every time he got the lead. This usually leads to a loss of tricks as it certainly did in this case.

Union Presbyterian Church held the World Day of Prayer service on Friday evening, February 10th at the home of Mrs. Wilfrid Leslie. Co-hostesses were Mrs. Frank Dolson, Mrs. Clarence Anderson, and Mrs. Clifford Cook.

Guest speaker for the evening was Mr. Harry VanderWindt.

BRIDGE CLUB  
Eleven tables of duplicate bridge were in play in the Legion Auditorium on Tuesday, February 7th. North-South winners were Miss Margery Mackenzie, Miss Olive Logan; Mr. and Mrs. Art Norris; R. Dickson and Harry Frost; Lou Bertasson and R. Barber. East-West Mrs. Mar-

guerite Taylor, Mrs. Beverley Pattullo; Mrs. Donna Valey, Mrs. Margaret Neil; Mrs. Madeline Collier and Mrs. Nellie Goldham; Mrs. Elda Briggs and Mrs. Helen Atkinson.

The highest point above sea level in Ontario, 2,120 feet, is near Alva, 50 miles north of Sault Ste. Marie.
