

# CURLING CHATTER

from North Halton Golf and Country Club  
by Bob MacArthur

This past week sure did not look as if spring had arrived. That with record low temperatures and the fresh snow, you would think we were in January, not the tail end of March. There is just one more week of curling scheduled for the club draws and then the playoffs will start.

Next Tuesday, March 28th is the date set for the annual meeting of the men's section of the curling club. Each and every member who can possibly be present should be at this meeting. It will pick the men who will guide the destinies of the club for the coming year. The present officers have done a bang-up job of guiding the club for the past year and they have expended countless hours planning and carrying out the job of guiding the club. They are to be commended for the interest they took in providing good and interesting curling to the rank and file members of the club.

This Saturday is the annual Farmer's Spiel. It is the spiel that the late Nels Robinson nursed through its early years with a lot of hard work. Others have taken up the burden and this year should see a real get-together of bona fide farmers and those that wish they were.

Well, it finally happened. The team you scribble played with finally won a curling game. It was the first win for yours truly for the whole season. Oh, he's been on teams that tied games, but never a winning one. An even longer winless streak than that suffered by

## Shirley Crichton Skips 7-Year Fillies to Win

Shirley Crichton and her rink of Joan Costigan, Toots Burns and Mary Biehn were top team in the open Seven Year Filly bonspiel at the North Halton Golf & Country Club on Wednesday, March 15th. Ladies from Toronto, Brampton, Milton, Acton and Guelph competed in the two 10-end game competition.

Tallying their 24 points on the nine o'clock draw, Mrs. Crichton's rink had a four from Tam Heather, Toronto, as runners-up with 21 points, skipped by Isobel Cooper. In the same draw, Kay Hanson, Acton was high one-game winner with 18 points.

High in the 11 o'clock draw was Jackie Milne's rink from the Boulevard Club, Toronto, with 21 points. Second prizes went to Hazel Giles' team from Humber Highland Club, for their 19½ point score. Susan Abernathy from Avonlea skipped her team into third position.

## BANTS DROP TWO GAMES IN HOCKEY SEMI-FINALS

Simpson and Donoghue 10 — Georgetown 4. This about sums up the situation of the second game between Georgetown and Bowmanville as they battle for a berth into the finals of All Ontario Bantam Division.

This game was the worst that has been played by the locals since they were assembled as a team way back in Novice days, as they absorbed a rare shellacking.

Georgetown set out as if they were going to run away with the game as they quickly netted two goals in the first two minutes but the locals completely dropped away, Bowmanville in their turn picked up four in the first stanza and six in the third period.

Simpson picked three markers in this stanza to add to the three he notched in the first. Donoghue, Forsey and Allen completed the scoring for Bowmanville. For Georgetown, Hoppes scored one in the second and Kudrasovs in the third.

Bowmanville 5 — Georgetown 1. In the third game on March 18 it was still too much Simpson as the locals went down in defeat by 5-1 score. Simpson picked one marker in the first and one in the second and two in the third and set up the fifth goal. Kudrasovs from Llewellyn and Inglis in the third for Georgetown's lone marker.

The series is a best of seven.

## Georgetown One of 9 In Baseball League

The Halton County League will field a record nine entries when the baseball season opens.

Waterdown became the ninth team when officials from that community told a league meeting earlier this week they would definitely join the circuit.

Another question mark, Oakville, indicated an organizational meeting will be held this week and they'll be back for another season.

Other holdover teams include Campbellville, Georgetown,

Milton, Burlington, Hamilton, Dundas and Preston.

Preston, Hamilton and Burlington have all joined the loop in the last three years. All entries must make a final commitment by April 10.

League officials made a tentative decision at the meeting to play a 24-game schedule and revive the playoff setup, scrapped last year.

This year's playoffs will involve the top four teams in a tournament, format, with semifinals on a Saturday and finals on a Sunday.

## If this is all the wagon you need why pay for more.

Next to an average size station wagon, the Volkswagen Station Wagon has one obvious shortcoming. About 4 feet of it.

So if you make a habit of riding around with 30 suitcases or a 4 x 8 plywood sheet, our wagon isn't for you. Even when the back seat's folded down the Volkswagen can carry only half the stuff you can cram into one of those long jobs.

Which for many people is plenty: 15 suitcases, a folded cot opened up full length. But most of the time most station wagons (including our own), go around practically empty. An old blanket, two empty pop bottles, five chewing gum wrappers and lots of sand is an average load.

So why not carry next-to-nothing in a smaller container. You'll park easier. The 4-foot shorter Volkswagen slips into 4-foot shorter parking spaces.

You'll save on gas. Since you're moving around about 1700 pounds less car, it helps your engine to average about 32 miles on a gallon of regular.

And you'll pay less for the wagon. Since we can't charge you for the 4 feet you didn't get, sometimes half a wagon is better than one.
