Georgetown Herald,

Open Letter to the

Folks of Georgetown:-

Once again Georgetown has played host to hundreds of young hockey players from many towns and cities in Canada and the USA. I would like to express my thanks and apprec-

iation to some of the people working behind the scenes who

are responsible for these young

lads and their fans, taking home with them the firm notion that Georgetown is one of the friendliest and hospitable towns

When the party's over a Cascade 40 electric water heater can have its finest hour

Seven-year-old socialites have a way of leaving more than a gift at a party: ever been stuck with a tutti-fruttitopped tablecloth?

These are the times a Cascade 40 can really win you over. It provides all the hot water you need to suds up a strawberry-specked party dress, its chocolate-cheeked owner, and the pile of party paraphernalia you'll be left with.

A Cascade 40 electric water heater may not make the party . . . but it could save the day. For more information, ask your Hydro.
